Notes to the Abbreviated Accounts for the period ended 31 March 2015

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

Tangible assets depreciation policy

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Plant and machinery - 25% Reducing balance

Fixtures, fittings and equipment - 25% Reducing balance

Other accounting policies**PENSIONS**

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

The regular cost of providing retirement pensions and related benefits is charged to the profit and loss account over the employees' service lives, on the basis of a constant percentage of earnings.
