Objects and activities of the charity

The purposes of the charity as set out in its governing document.

The objects for which the Charity is established are:

The promotion, for public benefit, of community and economic regeneration in Caerau in the County Borough of Bridgend, and the surrounding areas, by all or any of the following means:

- The relief of poverty in such ways as may be thought fit;
- The relief of unemployment in such ways as may be thought fit;
- The advancement of education and training;
- The maintenance, improvement or provision of public amenities;
- The provision or assistance in the provision of recreational facilities;
- The provision of public health and childcare facilities;
- The promotion of public safety and the prevention of crime;
- The protection and improvement of the natural environment and the conservation of local heritage;
- Other means as may from time-to-time be determined subject to the prior consent of the Charity Commission of England & Wales

The main activities undertaken in relation to those purposes during the year.

The Charity supports a number of projects for the benefit of the people of Caerau, and the surrounding area, and some of the public benefits of these projects are detailed below.

The main activities undertaken during the year to further the charity's purpose for the public benefit.

The principle activity of the Charity in the year under review was to further or benefit the residents of the Llynfi Valley and the surrounding areas, without distinction of gender, sexual orientation, race or of political, religious or other opinions by associating together the said residents and other agencies, sectors and service providers in a common effort to advance education and to provide facilities in the interests of social welfare for recreation leisure time occupation with the objective of improving the conditions of life for the residents.

The Charity maintains a community centre for the benefit of the local residents and the surrounding area.

Within the community centre there is a charity shop and a cafe. There is also an in-house food outlet offering free discounted groceries, and access to food bank vouchers.

Many courses are run from the centre for the benefit of the community. These include first aid training, table tennis, cookery, health & hygiene, job club, a spiritual group, a befriending group, and a guitar club.

There are also various youth activities and bingo sessions.

The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

The main achievements and performance of the charity during the year.

Caerau Development Trust (CDT) is a community based charity located in the middle of Caerau, a former mining village at the head of the Llynfi Valley which is rated as one of Wales' poorest communities (rated 6 most deprived area in Wales according to Welsh Government's Index of Deprivation in 2014). CDT, which is entirely run by volunteers, provides a mix of vital services and social activities for local people. These include a second hand clothes shop, a free food collection point (similar in ethos to Fare Share), free IT access and we host drop ins from CAB, the Job centre, local solicitor's and the Credit Union as well as being the location for MP and AM surgeries. We also host social activities including a spiritual group and a music group and we are a location for children's parties and social events run by local clubs such as the OAP club, Men's Shed and others. We are always open to local clubs and groups to use our facilities, often at no charge (on the understanding that attendees use our cafe), and our intention is to provide a welcoming atmosphere where people feel able to come to things they want to do and access services that they need.

One of the greatest benefits of the centre to the local community is the access to free discounted groceries and to food bank vouchers. It is estimated that over 9,300 local people make use of this facility each year.

The biggest sources of income for the Charity is the rental of rooms within the centre to course providers, and Cafe Cwtch. During the year-ended 31 March 2019, these generated over £9,000 of income for the Charity. It is estimated that approximately 500 local people benefitted from these courses and 200-300 plus people make use of the cafe facilities.

The difference the charity's performance during the year has made to the beneficiaries of the charity and to wider society.

Café Cwtch has continued to expand and offers nourishing, healthy meals at a budget price to all members of the local community.

The café is open six days a week and is attended by a large number of elderly single people and those with mental health issues. There is also increasing demand for formal dinners for community groups.

The charity shop is run entirely by volunteers and accepts donations of pre-used clothing and other goods which are then offered for re-sale.

The shop also operates a recycled school uniforms service and provides free clothing bundles for vagrants and recently discharged prisoners.

Financial review

The charity's financial position at the end of the year ended 31 March 2019

The financial position of the charity at 31 March 2019 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2019	2018
	£	£
Net expenditure	(16,018)	(21,265)
Restricted Revenue Funds	54,179	70,197
Total Funds	54,179	70,197

Financial review of the position at the reporting date, 31 March 2019 .

The board of trustees are satisfied with the performance of the charity during the year and the position at 31 March 2019 and consider that the charity is in a strong position to continue its activities during the coming year, and that the charity's assets are adequate to fulfil its obligations.

The trustees are pleased to report that agreement has been reached with the local authority to gain exemption from business rates. This has allowed the previous provisions for liabilities to be reversed, so enhancing the value of the funds held.

The trustees consider the financial performance by the charity during the year to have been satisfactory.

Specific changes in fixed assets are detailed in the notes to the accounts.

Trustees' Annual Report for the year ended 31 March 2019

Policies on reserves.

The Trustees aspire to maintain enough reserves to ensure the continued existence of the community centre.

All reserves are deemed to be restricted reserves, in that all monies raised, earned or granted are for the running of the centre.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Plans For the Future

Summary of plans for the future and the trustees' perspective of the future direction of the charity.

The trustees are in the process of developing a five-year plan and hope to secure grant funding to develop the activities of the charity further. Such matters would include: Consolidating the success of the café as a valid community asset; looking into means of alternative heating methods for the community centre; providing organised holidays to the local community; and becoming a centre for the Duke of Edinburgh's Award Scheme.

Statement of the Directors' and Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP), .

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

Caerau Development Trust

Company Registration Number - 06849950

Trustees' Annual Report for the year ended 31 March 2019

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts - Small company provisions

The financial statements are set out on pages 10 to 24.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP), and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016)

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006. applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on 25 November 2019.

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 March 2019

I report to the Trustees on my examination of the financial statements of the charitable company on pages 10 to 24 for the year ended 31 March 2019 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP), published by the Charity Commission in England & Wales (CCEW), and under the historical cost convention and the accounting policies set out on page 15.

Respective responsibilities of the Trustees and the Independent Examiner and the basis of the report

As described on page 6, you, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with the Companies Act 2006, the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:-

- a) examine the financial statements of the charity under Section 145 of the Act;
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide

Caerau Development Trust

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination: and can confirm that:-

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

This is a report in respect of an examination carried out under 145 of the Act and in accordance with Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:-

- accounting records were not kept in respect of the charity as required by Section 386 of the Companies Act 2006 and Section 130 of The Charities Act 2011;

- the financial statements do not accord with those records; or

- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination;

- have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Notes to the Accounts for the year ended 31 March 2019

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP), published by the Charity Commission in England & Wales (CCEW), effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

The financial statements are presented in Sterling.

The significant accounting policies applied in the application of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

No significant judgements have had to be made by the Trustees in preparing these financial statements.

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as trading revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to 31 March 2019, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

The risks and assumptions applicable to this charity are referred to in the Going Concern note above.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Caerau Development Trust

Notes to the Accounts for the year ended 31 March 2019

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Allocating costs to activities

Direct costs that are specifically related to an activity are allocated to that activity. Shared direct costs and support costs are apportioned between activities.

The basis for apportionment, which is consistently applied, and proportionate to the circumstances, is :-

Staffing - on the basis of time spent in connection with any particular activity.

Staffing - on a per capita basis, based on the number of people employed within any particular activity.

Premises related costs - on the proportion of floor area occupied by a particular activity.

Non specific support costs - on the basis of the usage of resources, in terms of time taken, capacity used, request made or other measures

Estimation techniques used in apportioning costs - give details

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 7.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over estimated useful lives.

Games & equipment	25 % straight line
BMX track	7.5 % straight line
Market garden	7.5 % straight line

A regular annual review of the likelihood of asset impairment is undertaken.

Accounting for capital grants and fixed asset funds.

Gifts of tangible fixed assets or grants of a capital nature, given for the purposes of acquiring specific assets to be fully utilised in the furtherance of the objects of the charity, are credited to fixed asset funds after the donated asset has been received or sums have been properly expended on the restricted purpose.

Where the terms of the gift require the charity to hold the asset on an ongoing basis for a specific purpose, then the fixed asset fund so created is categorised as a restricted fixed asset fund, and the relevant restrictions are noted in the fixed asset note 9.

Where the terms of the gift are met once the asset is acquired, so allowing the charity to use the asset on an unrestricted basis, including the right to receive the proceeds of any future sale of the asset on an unrestricted basis, then the fixed asset fund so created is categorised as a designated fixed asset fund.

When assets are acquired for the furtherance of the charity's objects, utilising the charity's own unrestricted funds, a transfer is made from unrestricted funds to a designated fixed asset fund.

Whether acquired with unrestricted or restricted funds, the asset acquired is initially shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

As the related assets are depreciated, in accordance with the depreciation policy, in order to reflect the diminution in the asset, a transfer is made from the relevant fixed asset funds to either unrestricted or restricted revenue funds, as appropriate to the terms of the original gift, if any.

The effect of this policy is that the aggregate of all fixed asset funds shall equate to the net book value of fixed assets.

In the first year that this policy was adopted, a transfer to fixed asset funds was made equivalent to the net book value of the assets.

Any residual liability to the donor arising from, for example, the asset's future sale, is disclosed as a contingent liability unless the event that would trigger repayment of the grant becomes probable in which case a liability for repayment is recognised.

Insofar as this policy relates to Government grants and to the extent that it may be a departure from the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in February 2016), (The SORP), such departure is justified on the basis that it is in order to comply with the SORP.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Liabilities are recognised on an accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the SORP.

Financial instruments including cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Caerau Development Trust

Notes to the Accounts for the year ended 31 March 2019

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There are no significant financial instruments relevant to the charity's financial position or performance.

7 The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated. The charity (CDT) has 15 volunteers. 6 kitchen staff that work 6 days a week keeping the Cafe Cwtch running smoothly, 11 directors, 5 that volunteer 5 days a week. The arrangement with volunteers are difficult to value precisely in monetary terms and have not been recognised in the statement of financial activities. The volunteers and charity accept and agree the no contract of employment is created by these terms.

8 Remuneration and payments to Trustees and persons connected with them

No trustees or persons connected with them received any remuneration from the charity, or any related entity.
