OBJECTIVES AND ACTIVITIES

The objects for which the Charity is established, as set out in its governing document, are: The promotion, for public benefit, or community and economic regeneration in Caerau in the County Borough of Bridgend, and the surrounding areas, by all or any of the following means: - The relief of poverty in such ways as may be thought fit; - The relief of unemployment in such ways as may be thought fit; - The advancement of education and training; - The maintenance, improvement or provision of public amenities; - The provision or assistance in the provision of recreational facilities; - The provision of public health and childcare facilities; - The promotion of public safety and the prevention of crime; - The protection and improvement of the natural environment and the conservation of local heritage; - Other means as may from time-to-time be determined subject to the prior consent of the Charity Commission of England & Wales.

The main activities undertaken in relation to those purposes during the year: The Charity supports a number of projects for the benefit of the people of Caerau and the surrounding area, and some of the public benefits of these projects are detailed below.

The main activities undertaken to further the charity's purposes for the public benefit:

The principle activity of the Charity in the year under review was to further or benefit the residents of the Llynfi Valley and the surrounding areas, without distinction of gender, sexual orientation, race or of political, religious or other opinions by associating together the said residents and other agencies, sectors and service providers in a common effort to advance education and to provide facilities in the interests of social welfare for recreation leisure time occupation with the objective of improving the conditions of life for the residents.

The Charity maintains a community centre for the benefit of the local residents and the surrounding area. Within the community centre there is a charity shop and a cafe. There is also an in-house food outlet offering free discounted groceries. Many courses are run from the centre for the benefit of the community. These include first aid training, table tennis, cookery, heath & hygiene, job club, a spiritual group, a be-friending group, and a guitar club. There are also various youth activities and bingo sessions.

The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

ACHIEVEMENTS AND PERFORMANCE

Caerau Development Trust (CDT) is a community based charity located in the middle of Caerau, a former mining village at the head of the Llynfi Valley which is rated as one of Wales' poorest communities (rated 6 most deprived area in Wales according to Welsh Government's Index of Deprivation in 2014). CDT, which is entirely run by volunteers, provides a mix of vital services and social activities for local people. These include a second hand clothes shop, a free food collection point (similar in ethos to Fare Share), free IT access and we host drop ins from CAB, the Job centre, local solicitor's and the Credit Union as well as being the location for MP and AM surgeries. We also host social activities including a spiritual group and a music group and we are a location for children's parties and social events run by local clubs such as the OAP club, Men's Shed and others. We are always open to local clubs and groups to use our facilities, often at no charge (on the understanding that attendees use our cafe), and our intention is to provide a welcoming atmosphere where people feel able to come to things they want to do and access services that they need.

Caerau Development Trust Trustees Annual Report

One of the greatest benefits of the centre to the local community is the access to free discounted groceries. It is estimated that over 9,300 local people make use of this facility each year. The biggest sources of income for the Charity is the rental of rooms within the centre to course providers, and Cafe Cwtch. During the year-ended 31 March 2023, these generated over £100,000 of income for the Charity. It is estimated that approximately 500 local people benefitted from these courses and 200-300 plus people make use of the cafe facilities.

A summary of the main achievements of the charity, identifying the difference the charity's work has made to its beneficiaries and society as a whole:

Café Cwtch has continued to expand and offers nourishing, healthy meals at a budget price to all members of the local community. The café is open six days a week and is attended by a large number of elderly single people and those with mental health issues. There is also increasing demand for formal dinners for community groups.

The charity shop is run entirely by volunteers and accepts donations of pre-used clothing and other goods which are then offered for re-sale. The shop also operates a recycled school uniforms service and provides free clothing bundles for vagrants and recently discharged prisoners.

FINANCIAL REVIEW

The board of trustees are satisfied with the performance of the charity during the year and the position at 31 March 2023 and consider that the charity is in a strong position to continue its activities during the coming year, and that the charity's assets are adequate to fulfil its obligations. The trustees are pleased to report that agreement has been reached with the local authority to gain exemption from business rates. This has allowed the previous provisions for liabilities to be reversed, so enhancing the value of the funds held. The trustees consider the financial performance by the charity during the year to have been satisfactory. Specific changes in fixed assets are detailed in the notes to the accounts.

The Trustees aspire to maintain enough reserves to ensure the continued existence of the community centre. All reserves are deemed to be restricted reserves, in that all monies raised, earned or granted are for the running of the centre. The balance of Revenue Restricted Funds as at 31 March 2023 was £15,966 (2022: £46,234).

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

PLANS FOR FUTURE PERIODS

The trustees are in the process of developing a five-year plan and hope to secure grant funding to develop the activities of the charity further. Such matters would include: Consolidating the success of the café as a valid community asset; looking into means of alternative heating methods for the community centre; providing organised holidays to the local community; and becoming a centre for the Duke of Edinburgh's Award Scheme.

Notes to the Accounts

Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Leasehold property

7.5% straight line

Games & equipment

25% straight line

Motor vehicles

2% straight line

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital. The charity is a public benefit entity.
