Balance sheet (continued)

Director's statements required by Sections 475(2) and (3) for the year ended 31 March 2012

In approving these financial statements as director of the company I hereby confirm

- (a) that for the year stated above the company was entitled to the exemption conferred by Section 477 of the Companies Act 2006,
- (b) that no notice has been deposited at the registered office of the company pursuant to Section 476 requesting that an audit be conducted for the year ended 31 March 2012, and
- (c) that I acknowledge my responsibilities for
 - (1) ensuring that the company keeps accounting records which comply with Section 386, and
 - (2) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the year then ended in accordance with the requirements of Section 393 and which otherwise comply with the provisions of the Companies Act 2006 relating to financial statements, so far as applicable to the company

These accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The financial statements were approved by the Board on 3 September 2012 and signed on its behalf by

Mr Steve Miller

Director

Registration number 06862730

Notes to the financial statements for the year ended 31 March 2012

1. Accounting policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities

1.3. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Fixtures, fittings

and equipment

15% reducing balance

Motor vehicles

25% reducing balance

1.4. Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

1.5. Going concern

The accounts have been prepared on a going concern basis on the assumption that the business will continue trading for the foreseeable future

2. Turnover

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the UK
