## **AA Taxis and Private Hire Northumberland Limited**

### **Notes to the financial statements for the period ended 31 March 2010**

#### **1. Accounting policies**

##### **1.1. Accounting convention**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

##### **1.2. Turnover**

Turnover represents the total invoice value, excluding value added tax, of sales made during the period and derives from the provision of goods falling within the company's ordinary activities

##### **1.3. Tangible fixed assets and depreciation**

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Fixtures, fittings and equipment	- 15% reducing balance
Motor vehicles	- 25% reducing balance

##### **1.4. Leasing and hire purchase commitments**

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period

##### **1.5. Going concern**

The accounts have been prepared on a going concern basis on the assumption that the business will continue trading for the foreseeable future

#### **2. Turnover**

The total turnover of the company for the period has been derived from its principal activity wholly undertaken in the UK

#### **3. Operating profit**

Operating profit is stated after charging
