TO ALL MEMBERS, CREDITORS AND THE REGISTRAR OF COMPANIES

1 INTRODUCTION

- 1.1 Lisa Ion and David Moore were appointed Joint Liquidators of A Pave Limited ("the Company") on 20 November 2019.
- 1.2 Lisa Ion is authorised to act as an insolvency practitioner in the UK by the Institute of Chartered Accountants in England and Wales.
- 1.3 David Moore has resigned as Joint Liquidator with effect from 7 January 2022. In accordance with Rule 6.25(1)(d) of the Insolvency (England and Wales) Rules 2016 (the Rules"), it was the opinion of both Liquidators that it was no longer expedient that there should continue to be that number of Joint Liquidators. The necessary forms have been filed at Companies House. Lisa Ion will remain as Liquidator in order to complete the closing formalities.
- 1.4 Pursuant to Section 106(1) of the Insolvency Act 1986 (as amended) ("the Act") and Rule 18.14 of the Insolvency (England and Wales) Rules 2016 ("the Rules"), as the Company's affairs have been fully wound up, the Joint Liquidators now present an account of the winding up, showing how the liquidation has been conducted and the Company's property disposed of, the outcome for creditors and other information that the Joint Liquidators are required to disclose.
- 1.5 All figures are stated net of VAT.

2 CONDUCT OF THE LIQUIDATION

- 2.1 The Company's registered office was changed to 6th Floor, Walker House, Exchange Flags, Liverpool L2 3YL on 29 November 2019.

Assets Realised

- 2.2 Please find below a summary of assets realised in this matter, including those realised since our last progress report.

2.3 Debtor – Sale of Chattel Assets

The Statement of Affairs showed that the office furniture, computers and a 'digger vehicle' had been sold to the Director on 1 October 2019 for £4,500 & VAT. The director has paid in full for the purchase of the chattel assets and full details have been provided in our earlier report to creditors.

2.4 Contribution to costs

The director has paid personal funds of £600 to cover the costs of the liquidation.

2.5 Bank Interest

The sum of 11 pence has been received in bank interest from funds held in an account held by the liquidators with Allied Irish Bank GB.

Unrealisable Assets

- 2.6 There are no assets that proved unrealisable and all assets anticipated in accordance with the Statement of Affairs have been realised.

Other Actions Completed

2.7 Statutory & Review

- File review.
- Commencement of closing procedure.

2.8 Receipts & Payments

- VAT refund.
- VAT assignment documents.

2.9 Insurance/Pension

- Bond review.
- Correspondence with pension company.

2.10 Liabilities

- Annual progress report.

3 **RECEIPTS AND PAYMENTS ACCOUNT**

- 3.1 A summary of the Joint Liquidators' final receipts and payments for the entire liquidation, including details of all receipts and payments for the period from 20 November 2021 to 9 February 2022, is attached at Appendix A.

4 **OUTCOME FOR CREDITORS**

Secured Creditors

- 4.1 There are no secured creditors.

Preferential Creditors

- 4.2 As at the date of liquidation, there were 2 preferential creditors, with estimated claims totalling £1,316.

- 4.3 Any amounts due to employees in relation to arrears and holiday pay will be paid up to the statutory limits by The Insolvency Service Redundancy Payments Fund. As they have not yet submitted a claim in the proceedings it is unclear whether any claims have in fact been made as any funds realised have already been distributed or used or allocated for paying the expenses of the liquidation, there will be no dividend available to preferential creditors.

Prescribed Part

- 4.4 To the best of our knowledge and belief there are no unsatisfied floating charges created or registered on or after 15 September 2003 and consequently no requirement to set aside a prescribed part.

Ordinary Unsecured Creditors

- 4.5 As at the date of liquidation, there were 16 unsecured creditors, with estimated claims totalling £68,447.
- 4.6 The funds realised have already been distributed or used or allocated for paying the expenses of the liquidation. As a result, there will be no dividend to ordinary unsecured creditors. A 'Notice of No Dividend' was issued on 28 September 2021.
- 4.7 The Joint Liquidators have collated and acknowledged (where requested) the claims of the ordinary unsecured creditors, although, in view of the fact that there will be no distribution to this class of creditor, unsecured claims have not been formally agreed.

5 **INVESTIGATIONS**

- 5.1 As previously reported, following the initial assessment queries were raised regarding possible preference payments from the Company's bank account and transactions at an undervalue sales of vehicles sold prior to the liquidators' appointment.

As previously reported, the director is in poor health and has not been able to assist fully or provide any information in relation to the drawings from the Company bank account/credit card account totalling approximately £11,000. As a result, we have had to rely on information being provided by the former accountant. It is noted that the Director is a creditor of the Company in the sum of £41,784 and it is likely that the withdrawals will already have been taken into account when reconciling the Directors Loan Account. Alternatively, if these drawings had not been included, the funds would be off set against any balance due to the Director. On this basis, even if the funds were considered personal expenditure there would not be any recovery to the estate.

In relation to the sale of certain company vehicles, the Director has advised that the sales were necessary to fund Company's ongoing business expenditure, including wage payments. The supporting documentation for the sale of these assets has been requested but the Director and the Company accountant have confirmed that they are not in their possession. Without the relevant documents confirming the purchaser, registration numbers, age, mileage, and condition of the vehicles it is difficult to assess the value of the vehicles and whether there was any sale at an undervalue.

Having reviewed the information that is available, including the book value in the accounts preceding the Liquidation, it is not considered cost effective to pursue these matters any further in any case.

6 JOINT LIQUIDATORS' REMUNERATION, EXPENSES AND DISBURSEMENTS, AND CREDITORS' RIGHTS

Remuneration

- 6.1 A fee of £6,500 in respect of the preparation of the statement of affairs was approved by creditors on 20 November 2019. £5,742.83 has been drawn, with £175.02 being drawn in the period, and from this amount the sum of £900 & VAT has been paid to R M Burke & Co for assistance provided to us when preparing the Statement of Affairs.
- 6.2 Recoverable VAT totalling £210.03 has been assigned to Leonard Curtis and will be used to discharge the Liquidator's outstanding fees. This transaction has been shown in the receipts and payments account shown in Appendix A.
- 6.3 The Joint Liquidators' time costs from 20 November 2021 to 09 February 2022 are £3,158, which represents 9 hours at an average hourly rate of £350.89. Total time costs from the commencement of the liquidation amount to £21,165.50, which represents 61.6 hours at an average hourly rate of £343.60.
- 6.4 No resolution has been proposed to creditors in respect of the Joint Liquidators' remuneration. Based on present information, the Company has insufficient assets to enable the payment of any Joint Liquidators' remuneration from the estate.

Expenses

- 6.5 A summary of the Joint Liquidators' expenses from 20 November 2019 to 9 February 2022 is attached at Appendix B. To assist creditors' understanding of this information, it has been separated into the following two categories:
 - *Standard Expenses*: this category includes expenses payable by virtue of the nature of the liquidation process and / or payable in order to comply with legal or regulatory requirements.
 - *Case Specific Expenses*: this category includes expenses likely to be payable by the Joint Liquidators in carrying out their duties in dealing with issues arising in this particular liquidation. Included within this category are costs that are directly referable to the liquidation but are not paid to an independent third party (and which may include an element of allocated costs). These are known as 'category 2 expenses' and they may not be drawn without creditor approval.

- 6.6 With effect from 1 April 2021, the Joint Liquidators are also required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to associates of Leonard Curtis. Payments to associates are subject to the same level of approval as the office holder's fees and category 2 expenses.
- 6.7 No resolution was proposed to creditors with regard to either payments to associates or the Joint Liquidators' category 2 expenses.
- 6.8 Attached at Appendix C is additional information in relation to the firm's policy on staffing, the use of subcontractors, disbursements and details of current charge-out rates by staff grade. Please be aware that the firm's charge out rates have been amended with effect from 1 March 2021.
- 6.9 No new professional advisors, including subcontractors, have been used during the final period of the liquidation.

7 OTHER MATTERS

Release from office

- 7.1 The Joint Liquidators will have their release from office when they have sent to the Registrar of Companies a copy of the final account and a statement of whether any of the Company's creditors objected to the Joint Liquidators' release. Such an objection to the Joint Liquidators' release must be received within eight weeks from the date of receipt of the notice attached at Appendix D. Please note, all objections should be made in writing and sent to Alison McLauchlan at Leonard Curtis, 6th Floor, Walker House, Exchange Flags, Liverpool, L2 3YL.
- 7.2 In the event that such an objection is received, the Joint Liquidators will apply to the Secretary of State for their release and their release date will be as determined by the Secretary of State.

The processing of personal data is regulated in the UK by the General Data Protection Regulation EU 2016/679 as supplemented by the Data Protection Act 2018, together with other laws which relate to privacy and electronic communications. The Joint Liquidators act as Data Controllers in respect of personal data they obtain in relation to this liquidation and are therefore responsible for complying with Data Protection Law in respect of any personal data they process. LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to request and obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

	6 Jan 2014 onwards		1 Aug 2019 onwards		1 March 2021 onwards	
	Standard	Complex	Standard	Complex	Standard	Complex
	£	£	£	£	£	£

Administrator 4	150	187	165	206	175	219
Support	0	0	0	0	0	0

Office holders' remuneration may include costs incurred by the firm's in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

Use of Associates

We are required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to Associates of Leonard Curtis. The term "Associate" is defined in s435 of the Insolvency Act 1986 but we are also required to consider the substance or likely perception of any association between the appointed insolvency practitioner, their firm (LC) or an individual within the firm and the recipient of a payment. Payments to Associates are subject to the same level of approval as the office holder's fees and category 2 expenses (see table below).

Whilst we are not aware of any third parties who meet the legal definition of "Associate" we are aware that there is a perceived association between LC and Pelstar Limited. Pelstar Limited provides insolvency case management software and document hosting facilities to LC. LC employs an individual who is married to a director of Pelstar Limited. Pelstar Limited's costs are set out in the tables below.

Use of Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

A Pave Limited – In Creditors’ Voluntary Liquidation

Use of Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Categorisation of Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

- a) Standard Expenses – this category includes expenses which are payable in order to comply with legal or regulatory requirements and therefore will generally be incurred on every case. They will include:

These may include, for example, advertising, external room hire, storage costs, postage costs, telephone charges, travel expenses (excl. mileage), and equivalent costs reimbursed to the office holder or his or her staff. Category 1 expenses may be paid without prior approval.
- b) Category 2 expenses: These are costs that are directly referable to the appointment in question, but not paid to an independent third party. Payments to Associates (as defined above) are categorised by LC in the same way as Category 2 expenses. Category 2 expenses and payments to Associates may only be drawn if they have been approved in the same manner as an office holder's remuneration.
