- (b) The floating charge created under this Deed will automatically (without notice, and in addition to the circumstances in which the same will occur by operation of law) and immediately be converted into a fixed charge over all the assets of a Supplemental Chargor which are subject to the floating charge created under this Deed, if:

- (c) Upon the conversion of any floating charge pursuant to this Clause 3.3, each relevant Supplemental Chargor shall, at its own expense, immediately upon request by the Security Agent execute a fixed charge or legal assignment in such form as the Security Agent may require.

- (c) dispose of the equity of redemption in respect of all or any part of the Charged Property under this Deed,

except as permitted by the Secured Debt Documents or with the prior consent of the Security Agent.

consent to the Security Agent or its solicitors promptly following receipt from the relevant third party.

- (b) For the avoidance of doubt, the fact that such third party consent as referred to in Clause 6(a) above may not have been received by the date of this Deed shall not affect the grant of a first ranking legal mortgage over any Property pursuant to Clause 3.1(a) of this Deed.
