## **Statement of accounting policies**

The following accounting policies have been applied consistently in the company's financial statements.

### **Basis of preparation**

The company is a private limited company, incorporated and domiciled in the United Kingdom.

The financial statements are presented in sterling, rounded to the nearest thousand. They are prepared on a going concern basis and under the historical cost convention. The principal accounting policies applied in the preparation of these financial statements are set out below, and, unless otherwise stated, these policies have been consistently applied to all the periods presented.

The intermediate parent company, Priory Group UK 1 Limited, has confirmed that it will continue to provide financial support to the company for the foreseeable future and for at least 12 months from the date of approval of these financial statements. Accordingly the financial statements have been prepared on the going concern basis.

These financial statements have been prepared in accordance with United Kingdom Accounting Standards, in particular, Financial Reporting Standard 101 "Reduced Disclosure Framework (FRS 101)" and, the Companies Act 2006 (the Act) as applicable to companies using FRS 101. FRS 101 sets out a reduced disclosure framework for a "qualifying entity" as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted IFRS.

The company is a qualifying entity for the purposes of FRS 101. Note 4 gives details of the company's ultimate parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained.

The principle disclosure exemptions adopted by the company in accordance with FRS 101 are as follows:

- Statement of cash flows;
- IFRS 7 financial instrument disclosures;
- IAS 1 information on management of capital;
- IAS 8 disclosures in respect of new standards and interpretations that have been issued but which are not yet effective;
- IAS 24 disclosure of key management personnel compensation;
- IAS 24 disclosures in respect of related party transactions entered into between fellow group companies (the company had no other related party transactions); and
- Roll-forward reconciliations in respect of share capital (IAS 1).

The preparation of financial statements in conformity with FRS 101 requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.
