23.17 Except to the extent provided by law, none of the powers described in this clause 23 will be affected by an insolvency event in relation to any Chargor.

24. APPLICATION OF PROCEEDS

24.1 All monies received by the Security Trustee or any Receiver or Delegate appointed under this deed shall (subject to the rights and claims of any person having a security ranking in priority to the security constituted by this deed) be applied in accordance with the terms of the Intercreditor Deed.

24.2 The provisions of clause 24.1 shall take effect as and by way of variation and extension to the provisions of section 109 LPA, which provisions as so varied and extended shall be deemed incorporated in this deed.

25. PROTECTION OF THIRD PARTIES

No purchaser from or other person dealing with the Security Trustee or with any Receiver or Delegate (a **Third Party**) shall be obliged or concerned:

25.1 to enquire whether the right of the Security Trustee to appoint a Receiver or Delegate or the right of the Security Trustee or any Receiver or Delegate to exercise any of the powers conferred by this deed in relation to the Charged Assets or any part of the Charged Assets have arisen or become exercisable by the Security Trustee or by any such Receiver or Delegate; nor

25.2 with notice to the contrary, nor with the propriety of the exercise or purported exercise of any such powers.

The title of a Third Party shall not be impeachable by reference to any of the matters referred to in clauses 25.1 or 25.2.

26. NOTICE OF SUBSEQUENT SECURITY – NEW ACCOUNTS

26.1 If the Security Trustee receives notice (whether actual or otherwise) of any subsequent Security affecting any part of the Charged Assets and/or the proceeds of sale of the Charged Assets, or the guarantee and indemnity or Security contained in this deed ceases to be continuing for any reason whatsoever it may open a new account or accounts for any Chargor in its books.

26.2 If the Security Trustee does not open a new account immediately on receipt of notice under clause 26.1, then (unless the Security Trustee gives express written notice to the contrary to the relevant Chargor) all payments made by that Chargor to the Security Trustee shall be treated as having been credited to a new account of that Chargor and not as having been applied in reduction of the Secured Liabilities, as from the time of receipt of the relevant notice by the Security Trustee.

27. CURRENCY AND SET-OFF

27.1 All monies received or held by the Security Trustee or any Receiver or Delegate under this deed may be converted from their existing currency into such other currency as the Security Trustee considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Liabilities in that other currency at the Spot Rate of Exchange.

27.2 No payment to the Security Trustee (whether under any judgment or court order or in the liquidation or dissolution of a Chargor or otherwise) shall discharge the obligation or liability of the Chargor in respect of which it was made, unless and until the Security Trustee shall have received payment in full in the currency in which the obligation or liability was incurred. To the extent that the amount of any such payment shall on actual conversion into such currency fall short of such obligation or liability expressed in that currency, the Security

Trustee shall have a further separate cause of action against that Chargor and shall be entitled to enforce the security constituted by this deed to recover the amount of the shortfall.

27.3 If a change in any currency of a country occurs, this deed will, to the extent the Security Trustee (acting reasonably and after consultation with the Parent) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice and otherwise to reflect the change in currency.

27.4 The Security Trustee may set-off any obligation due from a Chargor under this deed against any obligation owed by the Security Trustee (in its capacity as agent and trustee of the Secured Parties) to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Security Trustee may exercise all such rights and is authorised to effect any necessary conversions at the Spot Rate of Exchange.

27.5 The liabilities referred to in this clause 27 may be actual, contingent, primary, collateral, several or joint liabilities. The accounts, sums and liabilities referred to in this clause 27 may be denominated in any currency.

27.6 If the relevant obligation or liability is unliquidated or unascertained, the Security Trustee may set-off the amount it estimates (in good faith) will be the final amount of such obligation or liability once it becomes liquidated or ascertained.

28. APPROPRIATION AND SUSPENSE ACCOUNT

28.1 Subject to clause 24 and clause 28.2 and to the terms of the Instruments and the Intercreditor Deed, the Security Trustee may apply all payments received for the Secured Liabilities to reduce any part of those liabilities as it thinks fit.

28.2 All monies received, recovered or realised by the Security Trustee under this deed may at the discretion of the Security Trustee be credited to any suspense account for so long as the Security Trustee determines (with interest accruing thereon at such rate, if any, as the Security Trustee may determine for the account of the Chargors) without the Security Trustee having any obligation to apply such monies or any part of them in or towards the discharge of any of the Secured Liabilities.

29. PAYMENTS

29.1 Subject to clause 29.2, all payments to be made by a Chargor in respect of this deed, shall be made in immediately available funds to the credit of such account as the Security Trustee may designate. All such payments shall be made free and clear of, and without any deduction for, or on account of, any set-off or counterclaim or, except to the extent compelled by law, any deduction on account of any Taxes.

29.2 If a Chargor is compelled by law to withhold or deduct any Taxes from any sum payable hereunder to the Security Trustee, the sum so payable by that Chargor shall be increased so as to result in the receipt by the Security Trustee of a net amount equal to the full amount expressed to be payable hereunder.

29.3 Any demand, notification or certificate given by the Security Trustee specifying amounts due and payable under or in connection with any of the provisions of this deed shall, in the absence of manifest error, be conclusive and binding on the Chargors.

30. COSTS AND EXPENSES

30.1 Each Chargor shall reimburse the Security Trustee, any Receiver, any Delegate and any Administrator in respect of all reasonable expenses, including reasonable legal, valuation, accountancy and consultancy fees (and any value added or similar tax thereon) incurred by the Security Trustee, any Receiver, any Delegate or any Administrator in connection with:

30.1.1 the negotiation, preparation, execution and completion of this deed, or any of the documents referred to herein; and

30.1.2 any actual or proposed amendment, replacement, restatement or extension of, or any waiver or consent under, this deed.

30.2 Each Chargor shall reimburse the Security Trustee, any Receiver, any Delegate and any Administrator for all costs and expenses, including legal fees (and any value added or similar tax thereon) incurred in connection with the enforcement, attempted enforcement or preservation of any of their respective rights under this deed, or any of the documents referred to herein.

30.3 Each Chargor shall pay all present and future stamp, registration and similar taxes or charges which may be payable, or determined to be payable, in connection with the execution, delivery, performance or enforcement of this deed or any judgment given in connection therewith and shall indemnify the Security Trustee, any Receiver and any Delegate against any and all liabilities, including penalties with respect to, or resulting from, its delay or omission to pay any such stamp, registration and similar taxes or charges.

31. **ASSIGNMENT AND TRANSFER**

31.1 The Security Trustee may assign or transfer all or any part of its rights under this deed in accordance with and subject to the provisions of the Trust Deed and the Intercreditor Deed. No Chargor may assign, transfer, charge, make the subject of a trust or deal in any other manner with this deed or any of its rights under this deed or purport to do any of the same without the prior written consent of the Security Trustee.

31.2 Each Chargor:

31.2.1 consents to new Subsidiaries of the Parent becoming Chargors; and

31.2.2 irrevocably authorises the Parent to agree to and sign any duly completed Accession Deed as agent and attorney for and on behalf of such Chargor.

32. **THIRD PARTY RIGHTS**

32.1 Subject to clauses 32.2, 32.3 and 32.4, a person who is not a party to this deed shall have no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce or rely upon a provision of this deed. No party to this deed may hold itself out as trustee of any rights under this deed for the benefit of any third party unless specifically provided for in this deed. This clause 32.1 does not affect any right or remedy of any person which exists, or is available, otherwise than pursuant to the Contracts (Rights of Third Parties) Act 1999.

32.2 Subject to the terms of the Instruments, the Secured Parties are entitled with the prior written consent of the Security Trustee to enforce any term of this deed which confers (expressly or impliedly) any benefit on any such Secured Party.

32.3 Any person to whom the benefit of any provision of this deed is assigned in accordance with the terms of the Transaction Documents is entitled to enforce any term of this deed which confers (expressly or impliedly) any benefit on any such person.

32.4 Any Receiver or Delegate may, subject to the Contracts (Rights of Third Parties) Act 1999 rely on any clause of this deed which expressly confers rights on it.

32.5 Notwithstanding any other provision of this deed the consent of any person who is not a Party is not required to rescind or vary this deed at any time.

33. **NOTICES**

The provisions of clause 14 of the Trust Deed shall be deemed to be incorporated into this deed, with all appropriate changes as if the same were set out in full in this deed.

34. **GENERAL**

34.1 No variation to this deed shall be effective unless made in writing and signed by or on behalf of all the parties to this deed. A waiver given or consent granted by the Security Trustee under this deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

34.2 Each provision of this deed is severable and distinct from the others. If at any time any provision of this deed is or becomes unlawful, invalid or unenforceable to any extent or in any circumstances for any reason, it shall to that extent or in those circumstances be deemed not to form part of this deed but (except to that extent or in those circumstances in

the case of that provision) the legality, validity and enforceability of that and all other provisions of this deed shall not be affected in any way.

- 34.3 If any provision of this deed is found to be illegal, invalid or unenforceable in accordance with clause 34.2 but would be legal, valid or enforceable if some part of the provision were deleted, the provision in question shall apply with such modification(s) as may be necessary to make it legal, valid or enforceable.
- 34.4 The failure or delay in exercising a right or remedy provided by this deed or by law does not constitute a waiver of that (or any other) right or remedy. No single or partial exercise, or non-exercise or non-enforcement of any right or remedy provided by this deed or by law prevents or restricts any further or other exercise or enforcement of that (or any other) right or remedy.
- 34.5 The Security Trustee's rights and remedies contained in this deed are cumulative and not exclusive of any rights or remedies provided by law.
- 34.6 This deed may be executed in any number of counterparts each of which when executed and delivered shall be an original. All the counterparts together shall constitute one and the same document.

35. **GOVERNING LAW AND JURISDICTION**

- 35.1 This deed and any non-contractual obligations arising out of or in connection with it are governed by English law.
- 35.2 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute relating to the existence, validity or termination of this deed or any non-contractual obligation arising out of or in connection with this deed) (a **Dispute**).
- 35.3 The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- 35.4 Clauses 35.2 to 35.4 are for the benefit of the Security Trustee only. As a result, the Security Trustee shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Trustee may take concurrent proceedings in any number of jurisdictions.

IN WITNESS whereof each Chargor has duly executed this deed as a deed and it is delivered on the date first set out above.
