2 History of the Company and Events Leading Up to the Appointment of the Administrator

The Company was incorporated on 15 April 2009 to provide freight transport to its customers

The Company purchased vehicles on finance and arranged an invoice factoring agreement. In the first year the Company made a modest profit.

The down turn in global transportation and the general economic conditions resulted in a drastic reduction in sales in the latter half of 2010 and the first half of 2011. This included losing several key contracts and the Company also suffered some bad debts from customers entering insolvency procedures. The Company was also adversely affected by the severe weather conditions in winter 2010. A number of key costs increased in 2010 and 2011 including fuel, insurance and the utilities costs involved in operating the Company's leased premises.

Trade improved in late summer 2011 but the directors were concerned that it would not be sufficient in the short to medium term to recoup losses and pay the Company's creditors, before a creditor was likely to take enforcement action. The Company had problems making payments to HMRC on time and other suppliers put the Company on stop.

Upon a review of the business in November 2011, the directors sought advice from Parker Andrews and it became clear that the Company was insolvent as it was unable to pay its debts when they fell due, and its liabilities exceeded its assets. After advice being given regarding the obligations of the directors on the insolvency of the Company, the directors decided to instruct Parker Andrews to assist them to place the Company into Administration.

I was subsequently appointed Administrator by the Directors on 23 November 2011.

I was subsequently appointed Administrator by the Directors on 23 November 2011

3 Reasons for Failure

The directors attribute the failure of the Company to the following

- Increasing costs, including particularly utilities, fuel and insurance
- Unhelpful weather conditions over the winter 2010
- Downturn in sales figures
- Pressure from creditors

4 Administrator's Actions to Date

An Administrator has three statutory hierarchical objectives

- (a) To rescue the Company as a going concern, or
- (b) To achieve a better realisation for Company's creditors as a whole than would be likely if the Company was to be placed into liquidation without first being in Administration, or
- (c) To realise property in order to distribute funds to one or more preferential or secured creditors

I consider that the third purpose of the Administration will be achieved.

Notice of my appointment has been filed in the Norwich County Court, advertised in the London Gazette, provided to the Company and circulated to directors, shareholders and creditors

In the period leading up to my appointment, I considered whether the Company was able to trade during Administration. The Company's business was based on its provision of services to distribute freight for its clients. It traded from a purpose built industrial suite with a small fleet of vehicles to provide smaller distribution services. Prior to my appointment, I had commissioned an independent valuation on the assets. The Company did not have a large enough order book to sustain cash flow for a period of trading during an Administration whilst a purchaser was sought. In addition, the vehicles were subject to finance charges that would have resulted in additional unsecured claims of approximately £4,500 if the Company were put into liquidation. For this reason, I considered the purpose of the Administration could be met.

The Company did maintain a customer list which was deemed of use to another freight company, Absolute Logistics Limited, which has common directors to the Company. I was able to sell the customer list, trading name, trade marks, the fixtures, fittings and office

There are number of book debts to collect during the Administration. The total sales ledger at the date of appointment was £157,889 which is subject to an invoice discounting agreement. The factoring company are due £128,000, leaving a surplus of £29,889 before deducting debt collection agents fees and taking into consideration bad debt provisions.

5 Estimated Statement of Affairs and List of Creditors

The estimated statement of affairs and list of creditors is enclosed. This has been prepared by me from the information that has come into my possession and knowledge both prior to and after my appointment as Administrator. Information has been provided by the directors and the Company's accounts.

I have not yet received the signed statement of affairs from the directors, however I expect to have received this to circulate a copy of it in the next few weeks.

The figures produced are estimated and have not been audited. The figures shown as being owed to creditors are the figures shown in the Company's books and records, however it should be noted that in the period leading up to the insolvency of a company, it is usual for the books and records not to be fully up to date, and so creditors' actual claims may differ from the figures stated here.

6 Dividend Prospects and Prescribed Part

There are three secured creditors which hold fixed and floating charges. This is in relation to invoice discounting facilities provided.

There are no preferential creditors as the work was undertaken by the directors so there are no employee claims.

The Prescribed Part is an amount of funds that would be due to the floating charge-holder, which is ring-fenced and made available to unsecured creditors in accordance with Section 176A of the Insolvency Act 1986. In this matter there are three Qualifying Floating Charge-holder (i.e. the holder of a floating charge created on or after 15 September 2003) who are likely to be paid in full under the fixed charge assignment of book debts.

At present, the directors have advised me of unsecured creditors owed approximately £426,740.88. On current information I expect there to be funds realised in the Administration of £36,389 and therefore it is possible that there will be a distribution to unsecured creditors.

Accordingly, I enclose a Proof of Debt form for creditors to complete and return to me to prove their claims

7 Administrator's Income and Expenditure

I enclose my Income and Expenditure Account from the date of my appointment to 16 January 2012

8 Administrator's Remuneration

Pre-Administration Costs

I have incurred costs prior to my appointment that relate to the following activities

- The overall review of the business and its ongoing viability;
- The preparation of the documentation that allowed for the Company to be placed into Administration,
- Arranging and reviewing the professional valuation of the Company's assets

These costs are as follows

Firm	Detail of work done	Cost £
Parker Andrews	Detailed above	15,000 00
Cuthbert & Kingsley	Valuation fees	600 00
TOTAL		15,600 00

The above costs are subject to disbursements and VAT. To date, none of the above costs have been paid.

In accordance with Insolvency Rule 2.33(2B), the fee for Parker Andrews in respect of the above costs was agreed with the directors of the Company on 20 November 2011 at £15,000. The above costs are subject to approval under Insolvency Rule 2.67A and not part of the proposals subject to approval under Paragraph 53 of Schedule B1 of the Insolvency Act 1986.

Post-Administration Costs

The best practice guidelines relating to the approval of Administrator's remuneration are set out in Statement of Insolvency Practice 9, which is available from this office on request or by viewing <http://www.parkerandrews.co.uk/wp-content/uploads/2011/09/SIP9from01112011.pdf>

One of my Administrator's proposals is that the basis of my fees for acting as Administrator be approved by reference to the time properly spent by me and my staff in attending to matters arising in the Administration

If, at the meeting of creditors, a Creditors' Committee is appointed, it will be a matter for the Committee to approve the basis of my Administrator's fees

9 Creditors' Meeting and Administrator's Proposals

I have summoned a meeting of the Company's creditors under Paragraph 51 of Schedule B1 of the Insolvency Act 1986, in order to consider the approval of my Administrator's proposals. Formal notice of the meeting and a proxy form to enable creditors to vote at the meeting if they do not wish to attend in person are enclosed

The following Administrator's proposals are to be considered at the meeting

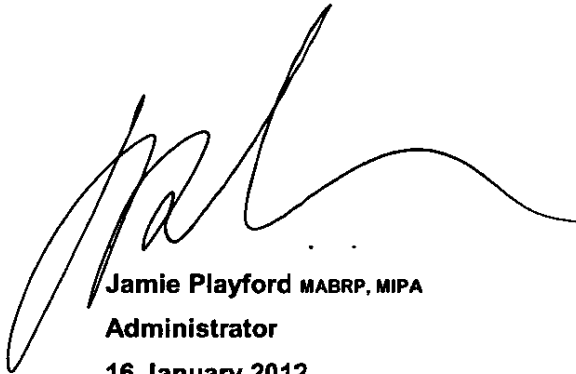

- (i) I, Jamie Playford MABRP, MIPA of Parker Andrews, 34-40 King Street, Norwich, NR1 1PD remain in office and that my actions, to date, be approved.
- (ii) That the purpose of the Administration be achieved by the collection of the book debts in order to repay the secured creditor.
- (iii) The Administrator's remuneration be fixed on the basis of time properly spent by him and his staff in attending to matters arising in the Administration of the Company, and that remuneration may be drawn as and when the Administrator deems it appropriate and when funds allow
- (iv) The Administrator be authorised to draw any out-of-pocket disbursements incurred in relation to the Administration
- (v) That the Administrator be authorised to draw his fees and disbursements that relate to the period prior to his appointment, as set out in section 8.
- (vi) The Administrator be authorised to make distributions to preferential creditors at his discretion
- (vii) If there are sufficient funds available for distribution to unsecured creditors, the Administrator be authorised to arrange for the Administration exit route to be via a Creditors' Voluntary Liquidation in accordance with Paragraph 83 of Schedule B1 of the Insolvency Act 1986, and that Jamie Playford MABRP MIPA shall be appointed Liquidator
- (viii) The Administrator be authorised to arrange for the Administration exit route to be via a Company Voluntary Arrangement and, if such a proposal is approved by creditors, Jamie Playford MABRP MIPA shall be appointed Supervisor

- (vii) If there are sufficient funds available for distribution to unsecured creditors, the Administrator be authorised to arrange for the Administration exit route to be via a Creditors' Voluntary Liquidation in accordance with Paragraph 83 of Schedule B1 of the Insolvency Act 1986, and that Jamie Playford MABRP MIPA shall be appointed Liquidator
- (viii) The Administrator be authorised to arrange for the Administration exit route to be via a Company Voluntary Arrangement and, if such a proposal is approved by creditors, Jamie Playford MABRP MIPA shall be appointed Supervisor
- (ix) The Administrator be authorised to arrange for the Administration exit route to be via a Compulsory Liquidation, and that on the making of a winding-up order, Jamie Playford MABRP MIPA shall be appointed Liquidator
- (x) If there are insufficient funds available for distribution to unsecured creditors, the Administrator be authorised to arrange for the Administration exit route to be via a dissolution and strike off of the Company in accordance with Paragraph 84 of Schedule B1 of the Insolvency Act 1986
- (xi) The Administrator be authorised to terminate the Administration in accordance with Paragraph 80 of Schedule B1 of the Insolvency Act 1986 where the Administrator considered the objective of the Administration to have been achieved
- (xii) The Administrator will be discharged from liability under Paragraph 98 of Schedule B1 immediately upon his appointment as Administrator ceasing to have effect

10 Other Matters

It is one of my duties as Administrator to review the Company's books and records and the conduct of the directors (including any previous directors that held office in the three years prior to the date of Administration) I shall report my findings to the Insolvency Service, who shall consider whether it is appropriate to take action against the directors and seek to have the directors disqualified from acting as director in the future. In order to assist me to prepare this report, I enclose a Creditors' Questionnaire for your completion and return Any information provided to me in respect of my investigations and my report to the Insolvency Service is treated in the strictest confidence.

If you have any questions regarding the Administration, please do not hesitate to contact me at this office

Jamie Playford MABRP, MIPA
Administrator
16 January 2012

Jamie Playford MABRP, MIPA is an Insolvency Practitioner authorised and licensed by the Insolvency Practitioners Association and, when acting as Administrator or Receiver, acts as agent of the company and contracts without personal liability
