Directors' report

The directors present their directors' report and financial statements for the period from 14 May 2009 (date of incorporation) to 31 March 2010

Principal activities

The principal activity of the company is the development and operation of care homes together with the provision of specialist services for the elderly

Business review

The results for the period and financial position at the period end are presented on pages 5 and 6

Proposed dividend

The directors do not recommend the payment of a dividend

Directors

The directors who held office during the period were as follows

DP Burke (appointed 8 June 2009)
I Matthews (appointed 8 June 2009)
JMB Strowbridge (appointed 8 June 2009)

CA Mackie (appointed 14 May 2009, resigned 8 June 2009)
Olswang Directors 1 Limited (appointed 14 May 2009, resigned 8 June 2009)
Olswang Directors 2 Limited (appointed 14 May 2009, resigned 8 June 2009)

Political and charitable contributions

The company made no political or charitable donations or incurred any political expenditure during the period

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware, and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information

Auditors

KPMG LLP were appointed as the first auditors of the company

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and KPMG LLP will therefore continue in office

By order of the board

DP Burke Director 1B Basset Court Loake Close, Grange Park Northampton NN4 5EZ

15 September 2010

Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent auditors' report to the members of Avery Homes Kirkstall Limited (formerly Newincco 932 Limited)

We have audited the financial statements of Avery Homes Kirkstall Limited (formerly Newincco 932 Limited) for the period from 14 May 2009 (date of incorporation) to 31 March 2010 set out on pages 5 to 15 The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As explained more fully in the directors' responsibilities statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's web-site at www frc org uk/apb/scope/UKNP.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2010 and of its loss for the period then ended,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements

Independent auditors' report to the members of Avery Homes Kirkstall Limited (formerly Newincco 932 Limited) (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- · certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

Under FRS 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements

As 100% of the company's voting rights are controlled within the group headed by Willowbrook Healthcare Limited, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group. The consolidated financial statements of Willowbrook Healthcare Limited, within which this company is included, can be obtained from the address given in note 19.

Going concern

The immediate parent company, Willowbrook Healthcare Debtco Limited, has agreed to continue to provide the company with the necessary financial support and working capital for at least one year from the date of approval of these financial statements to allow the company to meet its liabilities as they fall due. The company is also subject to cross guaranteed banking arrangements with other group undertakings. Detailed information regarding the financial position of the group headed by Willowbrook Healthcare Limited, its cash flows, liquidity position and borrowing facilities are included in the financial statements of Willowbrook Healthcare Limited, which can be obtained from Companies House

The financial performance of the Group is in line with expectations and the Group meets its day-to-day working capital requirements through operating cash flows, bank loan and overdraft facilities and preference share capital Although the current economic conditions create an element of uncertainty over demand for the Group's services, the Group's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the Group is expected to have a sufficient level of financial resources available through current and committed facilities. The directors believe that the Group is well placed to manage its business risks successfully despite the economic uncertainty

The Group's shareholders have indicated their continuing financial support for the Group for the foreseeable future. In particular the Group's preference share capital (which is classified as debt under FRS 25 Financial Instruments disclosure and presentation) is only redeemable upon either a sale or flotation of the Group and such redemption is not considered to be foreseeable.

Notwithstanding net current liabilities of £6,163,750 at the balance sheet date (of which a net £6,088,913 relates to amounts owed to group undertakings at the balance sheet date), after making enquiries the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to prepare the financial statements on a going concern basis

Tangible fixed assets and depreciation

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows

Freehold buildings

- 2% straight line

Fixtures and fittings

- 15-20% straight line

Motor vehicles

- 25% straight line

No depreciation is provided on freehold land

1 Accounting policies (continued)

Stocks

Stocks are stated at the lower of cost and net realisable value

Taxation

The charge for taxation is based on the loss for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19

Classification of financial instruments issued by the company

Financial instruments issued by the company are treated as equity (i.e. forming part of shareholders' funds) only to the extent that they meet the following two conditions

- a) they include no contractual obligations upon the company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the company, and
- b) where the instrument will or may be settled in the company's own equity instruments, it is either a nonderivative that includes no obligation to deliver a variable number of the company's own equity instruments or is a derivative that will be settled by the company's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the company's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares.

Finance payments associated with financial liabilities are dealt with as part of interest payable and similar charges Finance payments associated with financial instruments that are classified as part of shareholders' funds (see dividends policy), are dealt with as appropriations in the reconciliation of movements in shareholders' funds

Financial instruments

Where the company enters into financial guarantee contracts to guarantee the indebtedness of other companies within its group, the company considers these to be insurance arrangements and accounts for them as such. In this respect, the company treats the guarantee contract as a contingent liability until such time as it becomes probable that the company will be required to make a payment under the guarantee.

Turnover

Turnover represents fee income relating to the provision of care services net of value added tax. Fee income comprises care home fees which are recognised when the delivery of the service is completed. Fees invoiced in advance are included as deferred income until the service is completed.

Turnover is recognised when it can be measured reliably and it is probable that future economic benefits will accrue to the company

Dividends on shares presented within shareholders' funds

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements

Notes (continued)

2 Turnover

Turnover is derived entirely in the UK from the principal activities of the company

3 Notes to the profit and loss account

Loss on ordinary activities before taxation is stated after charging:

Period ended 31 March 2010 £

Depreciation on owned tangible fixed assets

31,235

Period ended 31 March 2010 £

Auditors' remuneration
Audit of these financial statements

6,250

Amounts receivable by the company's auditor in respect of services to the company and its associates, other than the audit of the company's financial statements, have not been disclosed as the information is required instead to be disclosed on a consolidated basis, in the consolidated financial statements of the company's ultimate parent, Willowbrook Healthcare Limited

4 Administrative expenses – exceptional

Period ended 31 March 2010 £

Pre opening costs

77,636

Exceptional administrative expenses relate to pre-opening costs incurred on a care home, where operating costs are incurred without being able to bring the home into operation
