## Notes to the financial statements

For the year ended 31 March 2018

### 1. Company information

Finance East Limited is a company incorporated in England and Wales. Its registered office is Riverside House, 4 Meadows Business Park, Station Approach, Blackwater, Surrey, GU17 9AB.

### 2. Accounting policies

#### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland ('FRS 102') and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 3).

#### 2.2 Consolidation

The financial statements present information about the company as an individual undertaking and not about its group. The company has not prepared group accounts as it is exempt from the requirement to do so by section 400 of the Companies Act 2006 as it is a member of the group headed by FSE C.I.C, a company incorporated in England and Wales, and is included in the consolidated accounts of that company.

#### 2.3 FRS 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102:

- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement of Presentation paragraph 3.17 (d);
- the requirements of certain paragraphs of Section 11 Financial Instruments;
- the requirements of certain paragraphs of Section 12 Other Financial Instruments; and
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.a

This information is included in the consolidated financial statements of FSE C.I.C as at 31 March 2018 and these financial statements may be obtained from The Registrar of Companies.

#### 2.4 Valuation of investments

Investments in subsidiaries are measured at cost less accumulated impairment.

#### 2.5 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

### 3. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the year-end date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

The directors do not consider that there were any significant areas of estimation uncertainty or application of judgement.
