**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31ST DECEMBER 2014**

1. ACCOUNTING POLICIES**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced services, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 25% Straight line on cost

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Going concern

These financial statements have been prepared on the going concern basis, which presumes that the company is able to continue in operational existence for the foreseeable future. The company is reliant upon the continued support of its creditors. If this support was withdrawn, the company would be unable to continue in operational existence. Adjustments would then have to be made to reduce the balance sheet values of assets to their recoverable amounts and to provide for any further liabilities that may arise. The company is unable to quantify the effect of such adjustments on the financial statements. The directors believe that it is appropriate for the financial statements to be prepared on the going concern basis.
