- C Tasks undertaken by the Liquidators

#### 1 Introduction and Statutory Information

- 1.1 Gordon Johnston of HJS Recovery (UK) Ltd, was appointed as Joint Liquidator of Coral Medical Services Limited (the Company) on 18 January 2017, together with Stephen Powell. This progress report covers the period from 18 January 2019 to 17 January 2020 (the Period) and should be read in conjunction with any previous progress reports which have been issued.
- 1.2 Please note that a block transfer of cases of which Stephen Powell was liquidator was sought and obtained by Court Order on 8 October 2018. Shane Biddlecombe of this office subsequently replaced Stephen Powell as Joint Liquidator in accordance with the Court Order.
- 1.3 Information about the way that we will use and store personal data on insolvency appointments can be found in the attached Privacy Notice.
- 1.4 The principal trading address of the Company was Readon House, 2A Gatley Road, Cheadle, Cheshire, SK8 1PY.
- 1.5 The registered office of the Company has been changed to HJS Recovery, 12-14 Carlton Place, Southampton, SO15 2EA and its registered number is 06955237.

#### 2 Receipts and Payments

2.1 At Appendix A is a Receipts and Payments Account for the Period together with a cumulative Receipts and Payments Account for the period from the date of appointment as Liquidators to the end of the Period.

#### 3 Progress of the Liquidation

3.1 This section of the report provides creditors with an update on the progress made in the liquidation during the Period and an explanation of the work done by the Liquidators and their staff.

#### Administration (including statutory compliance & reporting)

- 3.2 An office holder must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation. Details about the work we anticipated would need to be done in this area was outlined to creditors in our initial fees estimate/information.
- 3.3 Where the costs of statutory compliance work or reporting to creditors exceeds the initial estimate, it will usually be because the duration of the case has taken longer than anticipated, possibly due to protracted asset realisations, which have in turn placed a further statutory reporting requirement on the Liquidators.
- 3.4 As noted in our initial fees estimate/information, this work will not necessarily bring any financial benefit to creditors but is required on every case by statute.

#### **Realisation of Assets**

3.5 There have been no assets realised, or funds received, in the period of this report. If you require information regarding the assets of the company and their disposal, please consult my previous reports.

#### **Book Debts**

3.6 Creditors will recall that the book debts, which held an estimated to realise figure of £108,863, are being pursued by our agents, Husband Collection Services.

- 3.7 Creditors will recall that one of the Company's debtors is also in liquidation and there is a prospect that further dividends may be received for the benefit of the liquidation. This matter is ongoing, and an update will be provided in my next progress report.
- 3.8 As the director has failed to cooperate with our agent or supply copy invoices to evidence the remaining book debts, it is anticipated that no further recoveries will be made.
- 3.9 It is not considered that the work the Liquidators and their staff have undertaken to date will bring a financial benefit to creditors.
- 3.10 Based on the above, I currently anticipate the total expenses that may be incurred in dealing with the remainder of the Company's asset realisations to be £1,000.

#### Creditors (claims and distributions)

- 3.11 Further information on the anticipated outcome for creditors in this case can be found at section 4 of this report. Liquidators are not only required to deal with correspondence and claims from unsecured creditors (which may include retention of title claims), but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture.
- 3.12 Claims from preferential creditors typically involve employee claims and payments made on behalf of the Company by the Redundancy Payments Service following dismissal.
- 3.13 The above work will not necessarily bring any financial benefit to creditors generally, however Liquidators are required by statute to undertake this work. Similarly, if a distribution is to be paid to any class of creditor, work will be required to agree those claims and process the dividend payments to each relevant class of creditor. The more creditors a company has, the more time and cost will be involved by the Liquidators in dealing with those claims.
- 3.14 I consider the following matters worth noting in my report to creditors at this stage:
  - There are approximately 11 unsecured creditor claims in this case with a value per the director's statement of affairs of £142,965.40
  - There are no secured or preferential creditors in this matter.

#### Investigations

- 3.15 You may recall from the first progress report to creditors that some of the work the Liquidators are required to undertake is to comply with legislation such as the Company Directors' Disqualification Act 1986 (CDDA 1986) and Statement of Insolvency Practice 2 Investigations by Office Holders in Administration and Insolvent Liquidations and may not necessarily bring any financial benefit to creditors, unless these investigations reveal potential asset recoveries that the Liquidators can pursue for the benefit of creditors.
- 3.16 Our report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy under the CDDA 1986 was submitted during the first year of the liquidation and is confidential.
- 3.17 Since the last progress report, I would advise that no further asset realisations have come to light that may be pursued by us for the benefit of creditors.

#### Matters still to be dealt with

3.18 The collection of the book debt owed by the Company that is in liquidation remains ongoing.

#### 4 Creditors

#### 4.1 Unsecured Creditors

- We have received claims totalling £49,552.40 from 5 creditors. We have yet to receive claims from 6 creditors whose debts total £93,413 as per the Company's statement of affairs.
- 4.3 We would confirm that it is anticipated there will be insufficient funds realised after defraying the expenses of the liquidation to pay a dividend to unsecured creditors.

#### 5 Liquidators' Remuneration

- 5.1 The Creditors approved that the basis of the Liquidators' remuneration be fixed as a set fee of £30,000 plus VAT for the statutory compliance work and 40% of gross assets realised. My fees estimate/information was originally provided to creditors when the basis of remuneration was approved and was based on information available at that time.
- 5.2 Creditors also approved the sum of £3,000 plus disbursements and VAT, in respect of the preparation of the Statement of Affairs and the convening of the meetings. This fee has been drawn in full.
- 5.3 The Liquidators have drawn £1,390 against the total set fee agreed of £30,000 plus VAT approved by creditors.
- 5.4 There have been insufficient realisations thus far to enable payment of our agreed upon percentage based remuneration.
- 5.5 At the date of this report, we would confirm that the fees estimate for the liquidation remains unchanged. This is because we consider our estimate to be sufficient.
- 5.6 A copy of 'A Creditors' Guide to Liquidators' Fees' is available on request or can be downloaded from <a href="http://www.hjsrecovery.co.uk/publications/">http://www.hjsrecovery.co.uk/publications/</a>
- 5.7 Attached as Appendix B is additional information in relation to the Liquidators' fees, expenses and disbursements, including where relevant, information on the use of subcontractors and professional advisers.

#### 6 Creditors' Rights

- Within 21 days of the receipt of this report, a secured creditor, or an unsecured creditor (with the concurrence of at least 5% in value of the unsecured creditors) may request in writing that the Liquidator provide further information about his remuneration or expenses which have been itemised in this progress report.
- Any secured creditor, or an unsecured creditor (with the concurrence of at least 10% in value of the unsecured creditors) may within 8 weeks of receipt of this progress report make an application to court on the grounds that, in all the circumstances, the basis fixed for the Liquidators' remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Liquidators, as set out in this progress report, are excessive.

#### 7 Next Report

- 7.1 We are required to provide a further report on the progress of the liquidation within two months of the next anniversary of the liquidation, unless we have concluded matters prior to this, in which case I will write to all creditors with my final account.
- 7.2 If you have any queries in relation to the contents of this report, I can be contacted by telephone on 02380 234222 or by email at recovery@hjssolutions.co.uk.
