NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 31 JULY 2011

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities Financial liabilities are presented as such in the balance sheet Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account Finance costs are calculated so as to produce a constant rate of return on the outstanding liability

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument Dividends and distributions relating to equity instruments are debited direct to equity

2. SHARE CAPITAL
