The declaration of solvency, sworn by the directors prior to the commencement of the liquidation, showed a debt totalling £200 due from Interserve FS (UK) Limited ("Interserve"), the Company's immediate parent. The debt has been distributed by set off (see "Distributions" below).

The Company also held an investment in another group entity, Perception UK LLP also in Members' Voluntary Liquidation ("Perception"), amounting to £200, with a corresponding inter-company payable of £200 due to Perception. This debt has been set off against the distribution made by Perception on 24 April 2020 and the liquidation of Perception has now also been concluded.

The Company had no other known creditors. A notice to creditors to prove their claims in the liquidation was advertised in the London Gazette on 13 June 2019. No creditors were forthcoming as a result of this advertisement.

Tax

All pre-liquidation corporation tax matters were handled by the Company's in-house tax advisors, who advised that the Company had dormant corporation tax status. Following their appointment, the Joint Liquidators sought and received confirmation from HM Revenue and Customs ("HMRC") that the Company had no outstanding corporation tax returns or liabilities, that it would not raise enquiries into any pre or post liquidation periods and that it had no objection to the Liquidators proceeding to finalise the liquidation.

A similar assurance was sought and received from HMRC in respect of PAYE and VAT matters.

Distributions

On 24 April 2020, the Joint Liquidators declared a first and final distribution of the assets of the Company to Interserve, as the sole beneficial shareholder of the Company.

The distribution was at the rate of £1 per £1 Ordinary share and was effected by set off against the debt of £200 due to the Company by Interserve.

Joint Liquidators' remuneration and expenses

A written resolution was passed on 30 May 2019 that the remuneration of the Joint Liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company.

In the event, the Joint Liquidators' remuneration and expenses totalling £2,895.68 has been paid by another group company, Interserve. As such, no detailed analysis is included in this report.
