Enable Aid Ltd**Notes to the financial statements****Year ended 31 March 2019****1. General information**

The company is a private company limited by shares, registered in England & Wales. The address of the registered office is Unit 1 Hanchett Hall, Haverhill, Suffolk, CB9 7RP. The company designs and manufactures mobility equipment.

2. Statement of compliance

These financial statements have been prepared in compliance with the provisions of FRS 102, Section 1A, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

3. Accounting policies**Basis of preparation**

The financial statements have been prepared on the historical cost basis. The financial statements are prepared in sterling, which is the functional currency of the entity.

Turnover

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer, usually on despatch of the goods; the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Taxation

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Deferred tax is recognised in respect of all timing differences at the reporting date. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Goodwill

Goodwill arises on business acquisitions and represents the excess of the cost of the acquisition over the company's interest in the net amount of the identifiable assets, liabilities and contingent liabilities of the acquired business. Goodwill is measured at cost less accumulated amortisation and accumulated impairment losses. It is amortised on a straight line basis over its useful life. Where a reliable estimate of the useful life of goodwill or intangible assets cannot be made, the life is presumed not to exceed ten years.

Amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful life of that asset as follows:

Goodwill	-	20 % straight line
----------	---	--------------------

Research and development

Research and Development expenditure is written off in the year in which it is incurred.

Tangible assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant and machinery	-	25 % reducing balance
Fittings fixtures and equipment	-	25 % reducing balance

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stocks to their present location and condition.

Defined contribution plans

Contributions to defined contribution pension plans are recognised as an expense in the period in which the related service is provided.

4. Employee numbers

The average number of persons employed by the company during the year amounted to 7 (2018: 7).
