## **The Tavistock Trust for Aphasia**

### **Trustees' report (continued) For the year ended 31 March 2022**

---

#### **Summary of achievements and activities**

The Trust has continued its programme of providing support for projects researching into the condition of Aphasia. During the year ended 31 March 2022 total grants funded by The Trust amounted to £48,549 (2021: £149,792).

#### **Organisation**

The Trust is controlled by a board of Trustees which meets formally at regular intervals. The Board is responsible for strategy and for financial controls, and delegates day to day management to the Trust's Administrator. Administration is carried out from the Trust's Registered Address.

#### **Method of recruitment and appointment of Trustees**

Henrietta, Duchess of Bedford has the power to appoint Trustees during her lifetime. New Trustees may be appointed when the need arises based on an assessment of the skills they can bring to the body of Trustees.

#### **Results for the year and financial review**

At the year end the charity held net assets of £937,066 (2021: £933,154), underpinned by an investment portfolio totalling £958,268 (2021: £982,806).

Donations, income tax recoverable, investment distributions and bank interest receivable for the year amounted to £52,581 (2021: £71,682). The Trust made grants totalling £48,549 this year (2021: £149,792) to charitable causes.

After deduction of expenses, the year resulted in a surplus of £3,912 (2021: £50,678). The surplus has increased available funds to £937,066 (2021: £933,154) at the year end.

#### **Risk Management**

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### **Reserves policy**

At the year end unrestricted reserves totalled £887,722 (2021: £879,242) and restricted reserves totalled £49,344 (2021: £53,912). The Trustees' policy is to maintain a level of reserves which will provide a stable base for its continuing activities, and this is reviewed regularly.

Substantially all of the Charity's funds are unrestricted, can be used for the general purposes of the Trust and can be turned into cash at short notice if necessary. Accordingly, the Trustees do not consider that it is necessary to allocate a specific sum to be held as a short term reserve.

#### **Investment policy**

The Trustees continue to keep their investment policy under review. Their investments are currently managed by Cazenove on the basis that the Trustees are risk averse whilst wishing to optimise their income from the investments.

#### **Trustees' expenses**

It is the policy of the Trust to reimburse Trustees for legitimate expenses where requested. Expenses claimed during the year totalled £nil (2021: £nil).

## **The Tavistock Trust for Aphasia**

### **Statement of Trustees' responsibilities For the year ended 31 March 2022**

---

The Trustees (who are also directors of The Tavistock Trust for Aphasia for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose the reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

## **The Tavistock Trust for Aphasia**

### **Independent examiner's report to the Trustees For the year ended 31 March 2022**

---

#### **Independent examiner's report to the trustees of The Tavistock Trust for Aphasia**

I report to the trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

#### **Responsibilities and basis of report**

As the charity trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act'). You are satisfied that an audit is not required for this year under charity or company law and that an independent examination is needed.

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by The Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the accounts present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

#### **Independent examiner's statement**

I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

**The Tavistock Trust for Aphasia**

**Independent examiner's report to the Trustees (continued)**  
**For the year ended 31 March 2022**

---

I have no concerns and have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

These financial statements were approved by the Trustees on 14 October 2022.

**Company Registration No. 06988361**

**Charity information**

The Tavistock Trust for Aphasia is a private company limited by guarantee registered in England and Wales. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity. The registered office is Bedford House, 15 George Street, Woburn, MK17 9PX.

**1. Accounting policies**

**1.1 Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice; Accounting and Reporting by Charities, effective from January 2019.

The Tavistock Trust for Aphasia meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

At the time of approving the financial statements, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.2 Incoming resources**

All incoming resources are included in the statement of financial activities when the charity becomes entitled to the income, it is probable that the economic benefits will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Incoming resources from grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when it is probable the economic benefits will flow to the charity.
- Incoming resources from grants, where entitlement is related to performance, are accounted for as the charity earns the right to consideration by its performance.
- Donated services and facilities are included at the value to the charity where these can be quantified.

Annual donations are included within the income of the year of receipt. Dividend income is included in the year that it is received. Expenditure is charged on an accruals basis.

Donated fixed assets and investments are capitalised at market value at the time of receipt.

Income relating to fundraising events is recognised in the year in which the event takes place, however, any donations relating to the fundraising event are recognised on a receipts basis.

**1.3 Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred.

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

**Notes to the financial statements (continued)**  
**For the year ended 31 March 2022**

---

**1.4 Cost allocation**

The Trust allocates support costs on a direct basis where applicable, otherwise it allocates support costs on a time taken basis across the charitable activities, within the statement of financial activities (see note 7).

**1.5 Fixed assets**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer equipment	- 33% per annum
Office equipment	- 20% per annum

**1.6 Investments**

Investments are included in the financial statements at fair value, as determined by the Trustees based on professional advice, at the balance sheet date. Realised and unrealised gains and losses are included in the statement of financial activities in the year in which they arise.

**1.7 Financial instruments**

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**1.8 Corporation tax**

The Charity has charitable status and is exempt from corporation tax on the income it has received.

**1.9 Cash flow statement**

The company has taken the exemption in the Charities SORP (FRS 102) (effective 1 January 2016) from preparing a cash flow statement on the grounds that the company is small.

**1.10 Fund accounting**

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general activities of the charity.
- Designated funds are unrestricted funds earmarked by the trustees for particular purposes (see note 12).
- Where specific provisions imposed by the donor would restrict the use of unspent funds, the income is taken directly to the relevant restricted fund (see note 12).

**1.11 Grants payable**

Grants payable are payments made to third parties in furtherance of the charitable objectives.

Grants which are free from specific conditions are recognised in full as soon as there is a legal or constructive obligation committing the charity.

Multiyear grants are conditional on an annual review of progress which will determine if future funding is provided. Due to this condition only one year's funding commitment is recognised.
