**Coplan Estates Bedford Limited**  
**Notes to the Abbreviated Accounts**  
**for the year ended 30 June 2014**

**1 Accounting policies**

*Basis of preparation*

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

*Turnover*

Turnover represents rental income and the sale price of properties sold during the period stated net of value added tax.

*Stocks*

Stock comprises properties held by the company for development and sale. These are stated at the price of acquisition plus further development expenditure less any provision for diminution in value compared to net realisable value.

*Deferred taxation*

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.
