Abbreviated Balance Sheet - continued
30 September 2013

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the Board of Directors on 24 June 2014 and were signed on its behalf by:

Mr T Khawja - Director

**Notes to the Abbreviated Accounts
for the Year Ended 30 September 2013**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The directors are of the opinion that the company is a going concern as the directors and its bankers have confirmed that they will provide continuing support to the company for the foreseeable future. These financial statements have therefore been prepared on the going concern basis and do not include the adjustments would result if the company was unable to continue as a going concern.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Franchise cost

Franchise cost, being the amount paid in connection with the acquisition of a Franchise Licence in 2010 & 2011, is being amortised evenly over its estimated useful life of ten years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Short leasehold	- 10% on cost
Fixtures and fittings	- 25% on reducing balance
Computer equipment	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Financial instruments

Financial instruments are classified and accounted for according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
