DENIBOND LIMITED
REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 DECEMBER 2019

The directors present their report with the financial statements of the company for the year ended 31 December 2019.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of wholesale food distribution.

DIRECTORS

The directors who have held office during the period from 1 January 2019 to the date of this report are as follows:

D P Hamada - resigned 3 June 2019
C J Norton - resigned 3 June 2019
C Calaway - appointed 3 June 2019
S Gibbs - appointed 3 June 2019
R F Pereira - resigned 3 June 2019

M B Elser was appointed as a director after 31 December 2019 but prior to the date of this report.

S Gibbs ceased to be a director after 31 December 2019 but prior to the date of this report.

GOING CONCERN

The directors have prepared the accounts on a going concern basis taking into account the expected results of the business and because Tyson Foods Inc, a member of the same group providing treasury support and finance to all companies in the group, has confirmed its intent to provide all necessary financial support for at least 12 months from the date of approval of these accounts. Additionally, in their assessment of going concern the directors have considered the current and developing impact on the business as a result of the COVID-19 virus. This has not had a significant, immediate impact on the company's operations but the Directors are aware that if the current situation becomes prolonged then this may change. Having regard to the above, the directors believe it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

.....
M B Elser - Director
