### **Charity Aims**

Longfield Hall Trust manages the historic grade 2 listed Hall on behalf of the local community. In October 2019 it signed a 39 year lease on Longfield Hall with the London Borough of Lambeth. It achieves its charitable objectives by looking after the building and providing an affordable space for education, performance, rehearsals, recreation, meetings and other activities.

### **Activities**

Longfield Hall first opened in 1889 and has been serving the area around Myatt's Fields, Camberwell ever since. In 1992, Lambeth handed the Hall over to the Friends of Longfield Hall (FoLH). In 2010 Lambeth offered this group a 15 year lease on the hall. The Friends accepted the offer and became a company limited by guarantee. In 2014, the Friends renamed themselves as Longfield Hall Trust (LHT) and became a new charity (registration number 1133679). The change of name was to emphasise that making the hall sustainable was now the charity's principal business objective. As part of this drive towards sustainability, LHT was invited by Lambeth to apply for a community asset transfer of the building from Lambeth to LHT: this resulted in Lambeth granting LHT a 39 year lease.

In November 2019 LHT started work to upgrade and improve the hall, and in particular to make it fully accessible. This work continued throughout 2020 and into 2021, and is now essentially finished. The public response to the enhancement has been encouraging. LHT would like to thank the organisations which funded the enhancement. Alphabetically they are: Biffa Award, Big Issue Invest, City Bridge Trust, Garfield Weston Foundation, Power to Change, Swire Charitable Trust, Veolia Environmental Trust, Viridor Environmental Credits.

LHT's business is managing the hall as community space in an area which is extraordinarily diverse, in terms of income, race and age. Although the area immediately adjacent to the hall is apparently affluent, around it are some of the most deprived communities not only in south London but also in the country. Three areas within the Vassall ward (where the hall is located) and Coldharbour ward (100 metres away, where three of the trustees live) fall into the 10% most deprived areas in the country (Lambeth: State of the Borough, 2014).

LHT's social purpose is to meet the needs of its local community. We operate as a 'village hall', providing space for recreation, education & training, voting and worship. We also provide space for rites of passage such as weddings, wakes and birthday parties. We are also developing the hall as a small-scale performance venue, building on its historic role as the home to the first publicly funded Black Theatre company in the UK. We have a Blue plaque celebrating Dark & Light Theatre which was at the hall from 1979 to 1984.

Currently about 1,500 people use the hall each week. The hall is available for hire seven days a week, usually from 8am to 10pm.

LHT has three revenue streams. The first is space hire. The second is putting on ticketed events and performances. The third is community development – enabling our local community to participate in activities which improve health & wellbeing, combat isolation, improve confidence, and learn new skills. LHT is part of the Ecosystem Coldharbour which was awarded £750,000 in 2021 by the Greater London Authority's Violence Reduction Unit to reduce violent crime in Coldharbour ward. As part of our contribution to this project we are launching a series of projects aimed at young people to help them develop their skills and to channel their energy and life experiences creatively.

LHT has demonstrated its resilience by coming through the Covid crisis. We had to close during the first wave and only reopened partially before closing again before Christmas 2020. The reduction in hire revenues hit us hard and we are grateful to our funders, particularly Power to Change, the London Borough of Lambeth, Charities Aid Foundation and UnLtd which all provided us with emergency support grants.

**Report on the Year**

Total Income for the year was £457,645 (2020 £316,390), outgoing Resources £156,679 (2020 £110,449), resulting in a surplus for the year of £300,966 (2020 surplus £205,941).

The main event of the year from October 2020 to September 2021 has been the completion of the enhancement and the reopening of the hall to a host of new users. The enhancement is largely funded by grants and we are very grateful to the funders listed here.

Biffa Award  
City Bridge Trust  
Garfield Weston Foundation  
Power to Change  
Swire Charitable Trust  
Viridor Environmental Credits  
Veolia Environmental Trust  
Big Issue Invest

The grants have been supplemented by loans from Big Issue Invest and Barclays.

At the end of the financial year we had 115 people who are, formally, members of the company, LHT, and a further 350 who have asked to be on our email list. Anyone can be a member (and it costs nothing) but almost all the current members are local people who use the hall. The 350 people on our email list are all hall users.

The trustee board answers to the members formally at the Annual General Meeting but also informally at any time. We expect more local people to become members as we develop, particularly as a performance venue. Naturally we will consult with the local community at every stage of our development.

**Independent Examiner's Report to the Trustees of the Charity**

I report to the trustees on the accounts of the Company for the year ended 30 September 2020.

**Respective responsibilities of Trustees and Examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of Independent Examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent Examiner's Statement**

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
