4.01 Change of Name; Location of Collateral; Records; Place of Business.

(a) Each Grantor agrees not to effect or permit any change (i) in its corporate or limited liability company name, (ii) in the location of its chief executive office, registered office, principal place of business, any office in which it maintains books or records relating to the Collateral owned by it, (iii) in its identity or corporate structure, (iv) in its jurisdiction of

organization or incorporation or its organizational identification number or company number in such jurisdiction of organization or incorporation, and (v) in its federal taxpayer identification number, in each case, unless within thirty (30) days thereof all filings, publications and registrations have been made under the UCC or other applicable law that are required in order for Lender to continue at all times following such change to have a valid, legal and perfected first priority security interest in all the Collateral (subject only to Permitted Security and other Liens permitted under the Facility Agreement).

(b) Each Grantor agrees (i) to maintain, at its own cost and expense, records with respect to the Collateral owned by it which are complete and accurate in all material respects and which are consistent with its current practices, but in any event to include accounting records which are complete in all material respects indicating all payments and proceeds received with respect to any part of the Collateral, and (ii) at such time or times as Lender may reasonably request, promptly to prepare and deliver to Lender a duly certified schedule or schedules in form and detail reasonably satisfactory to Lender showing the identity, amount and location of any and all Collateral.

4.02 Protection of Security. Each Grantor shall, at its own cost and expense, take any and all actions reasonably necessary to defend title to the Collateral against all Persons and to defend the Security Interest of Lender in the Collateral and the priority thereof against any Lien (other than any Permitted Security or other Lien permitted under the Facility Agreement).

4.03 Further Assurances. Each Grantor agrees, at its own expense, to execute, acknowledge, promptly deliver and cause to be duly filed all such further documents, Financing Statements, agreements and instruments and take all such further actions, in each case, as Lender may from time to time reasonably request for the purpose of perfecting or protecting the assignments and Security Interest granted hereunder and obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, (i) executing and filing any financing or continuation statements under the UCC (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby, and (ii) subject to Section 4.13(b) hereof, in the case of Investment Property, Deposit Accounts, Electronic Chattel Paper and Letter-of-Credit Rights and any other relevant Collateral, taking any actions reasonably necessary to enable Lender to obtain "control" (within the meaning of the applicable UCC) with respect thereto, in each case pursuant to documents in form and substance reasonably satisfactory to Lender.

4.04 Inspection and Verification. Each Grantor shall, and shall cause each Subsidiary to, permit representatives and independent contractors of Lender to visit its properties and inspect the Collateral and all records related thereto (and to make extracts and copies from such records), to discuss its affairs, finances and accounts with its managers, directors, officers and independent public accountants, and to conduct appraisals, commercial finance examinations and other evaluations, in each case, in accordance with the Facility Agreement. Subject to the terms and conditions of the Facility Agreement, during the occurrence and continuance of an Event of Default, Lender and such Persons as Lender may reasonably designate shall have the right to verify the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Collateral, including, in the case of Accounts or Collateral in the possession of any third Person, by contacting Account Debtors or the third Person possessing such Collateral for the

purpose of making such a verification. The Grantors shall pay the reasonable and documented out-of-pocket fees and expenses of Lender or such other Persons with respect to such inspections and verifications.

4.05 Taxes; Encumbrances. At its option, during the occurrence and continuance of an Event of Default, Lender may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Collateral, and may take any other action which Lender may reasonably deem necessary or desirable to repair, maintain or preserve any of the Collateral to the extent any Grantor fails to do so as required by the Facility Agreement or this Agreement, and each Grantor jointly and severally agrees to reimburse Lender on demand for any payment made or any expense incurred by Lender pursuant to the foregoing authorization; provided, however, that Lender shall not have any obligation to undertake any of the foregoing and shall have no liability on account of any action so undertaken except where a court of competent jurisdiction determines by final and nonappealable judgment that Lender's actions constitute gross negligence or willful misconduct; provided further that the making of any such payments or the taking of any such action by Lender shall not be deemed to constitute a waiver of any Default or Event of Default arising from any Grantor's failure to have made such payments or taken such action. Nothing in this Section 4.05 shall be interpreted as excusing any Grantor from the performance of any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Finance Documents.

4.06 Assignment of Security Interest. If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person to secure payment and performance of an Account with a value in excess of \$100,000 (or, with respect to all such property, an aggregate value in excess of \$250,000), such Grantor shall promptly assign such security interest to Lender. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of, and transferees from, the Account Debtor or other Person granting the security interest.

4.07 Continuing Obligations of the Grantors. Each Grantor shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Collateral, all in accordance with and subject to the terms and conditions thereof.

4.08 Use and Disposition of Collateral. None of the Grantors shall make or permit to be made a collateral assignment, pledge or hypothecation of the Collateral or shall grant any other Lien in respect of the Collateral or shall grant control (within the meaning of the UCC) of any Collateral to any Person, in each case except for any Permitted Security or other Liens permitted under the Facility Agreement. None of the Grantors shall make or permit to be made any disposition of the Collateral, except as permitted in the Facility Agreement.

4.09 Limitation on Modification of Accounts. No Grantor will, nor will it permit any Subsidiary to discount or sell (with or without recourse) any of its Accounts except to the extent permitted under the Facility Agreement.

4.10 Insurance.

(a) Each Grantor shall maintain or shall cause to be maintained such insurance (i) as may be required by applicable law and (ii) as may be required by Lender in its reasonable discretion.

(b) Each Grantor hereby irrevocably makes, constitutes and appoints Lender (and all officers, employees or agents designated by Lender) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose of making, settling and adjusting claims in respect of Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto, in each case, to be exercised by Lender only upon the occurrence and continuance of an Event of Default. In the event that any Grantor at any time or times during the occurrence and continuance of an Event of Default shall fail to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or in part relating thereto, Lender may, without waiving or releasing any obligation or liability of the Grantors hereunder or any Default or Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as Lender deems advisable. All sums disbursed by Lender in connection with this Section 4.10, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to Lender and shall be additional Obligations secured hereby.

4.11 Commercial Tort Claims. If any Grantor shall at any time hold or acquire a Commercial Tort Claim having a value in excess of \$100,000, such Grantor shall promptly (but, in any event, within five (5) Business Days) notify Lender in writing of the details thereof, and such Grantor shall take such actions as Lender shall reasonably request in order to grant to Lender a perfected security interest therein and in the Proceeds thereof.

4.12 Legend. Upon the occurrence and during the continuance of an Event of Default and acceleration of the Obligations under the Facility Agreement, and promptly following the request of Lender, each Grantor shall legend, in form and manner reasonably satisfactory to Lender, its Accounts and its books, records and documents evidencing or pertaining thereto with an appropriate reference to the fact that such Accounts have been assigned to Lender, and that Lender has a security interest therein.

4.13 Other Actions. In order to further ensure the attachment, perfection and priority of, and the ability of Lender to enforce, Lender's Security Interest in the Collateral, each Grantor covenants and agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Collateral:

(a) If any amount then payable under or in connection with any of the Collateral shall become evidenced by any Instrument or Chattel Paper with an individual face value in excess of \$100,000 (or, with respect to all such Instruments or Chattel Paper, an aggregate face value in excess of \$250,000), other than such Instruments and Chattel Paper listed in Schedule 3.06 hereto, the Grantor acquiring such Instrument or Chattel Paper shall promptly (but, in any event, within five (5) Business Days after receipt thereof) endorse, assign and deliver the same to Lender,

accompanied by such instruments of transfer or assignment duly executed in blank as Lender may from time to time reasonably request.

(b) Within 30 days after execution of the Facility Agreement, each Grantor shall cause each financial institution, Securities Intermediary and Commodity Intermediary at which such Grantor maintains as of the Effective Date a Deposit Account, Securities Account or Commodity Account (other than an Excluded Account), as the case may be, to enter into a control agreement or other similar agreement with Lender and such Grantor, in form and substance reasonably satisfactory to Lender, in order to give Lender control (within the meaning set forth in Section 9-104 or 9-106 of the UCC, as applicable) of such account. No Grantor shall establish and maintain after the Effective Date any Deposit Account, Securities Account or Commodity Account (other than any Excluded Account) with any financial institution, Securities Intermediary or Commodity Intermediary, as applicable, unless such financial institution, Securities Intermediary or Commodity Intermediary, as the case may be, and such Grantor shall have duly executed and delivered a control agreement with respect to such Deposit Account, Securities Account or Commodity Account, as the case may be, in order to give Lender control (within the meaning set forth in Section 9-104 or 9-106 of the UCC, as applicable) of such account within thirty (30) days following the opening of such account. Upon the occurrence and during the continuance of an Event of Default and acceleration of the Obligations under the Facility Agreement, and promptly following Lender's written request, each Grantor shall accept any cash and Investment Property in trust for the benefit of Lender and within one (1) Business Day of actual receipt thereof, deposit any and all cash and Investment Property received by it into a Deposit Account or Securities Account subject to Lender control (within the meaning set forth in Section 9-104 or 9-106 of the UCC, as applicable). No Grantor shall grant control (within the meaning set forth in Section 9-106 of the UCC) over any Investment Property to any person other than BB Agent and Lender.

(c) As between Lender and the Grantors, the Grantors shall bear the investment risk with respect to the Investment Property and Pledged Securities, and the risk of loss of, damage to, or the destruction of, the Investment Property and Pledged Securities (except where a court of competent jurisdiction determines by final and non-appealable judgment that such loss, damage or destruction has resulted from the gross negligence or willful misconduct of Lender or any of its Affiliates), whether in the possession of, or maintained as a Security Entitlement or deposit by, or subject to the control of, Lender, a Securities Intermediary, a Commodity Intermediary, any Grantor or any other Person.

(d) If any amount payable under or in connection with any of the Collateral shall become evidenced by any Electronic Chattel Paper or any transferable record with an individual face value in excess of \$100,000 (or, with respect to all such Electronic Chattel Paper or transferable records, an aggregate face value in excess of \$250,000), other than such Electronic Chattel Paper and transferable records listed in Schedule 3.08 hereto, the Grantor acquiring such Electronic Chattel Paper or transferable record shall promptly notify Lender thereof and shall take such action as Lender may reasonably request to vest Lender control of such Electronic Chattel Paper under Section 9-105 of the UCC or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as in effect in such jurisdiction, of such transferable record.

(e) If any Grantor is at any time a beneficiary under a Letter of Credit now or hereafter issued having a face value in an amount in excess of \$100,000 (or with respect to all such Letters of Credit, having an aggregate face value in an amount in excess of \$250,000), such Grantor shall promptly notify Lender thereof and such Grantor shall, at the request of Lender, pursuant to an agreement in form and substance reasonably satisfactory to Lender, either (i) arrange for the issuer and any confirmer of such Letter of Credit to consent to an assignment to Lender of the proceeds of any drawing under the Letter of Credit and to cause the proceeds of any drawing under such Letter of Credit to be paid directly to Lender after the occurrence and during the continuance of any Event of Default, or (ii) arrange for BB Agent (until the BB Facility Agreement is terminated) or Lender to become the transferee beneficiary of such Letter of Credit, with BB Agent or Lender (as applicable) agreeing, in each case, that the proceeds of any drawing under the Letter of Credit are to be paid directly to BB Agent or Lender (as applicable) after the occurrence and during the continuance of any Event of Default and applied as provided in the Facility Agreement.

4.14 Intellectual Property.

(a) Each Grantor (either itself or through licensees) will (i) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, (ii) maintain as in the past the quality of products and services offered under such Trademark, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, (iii) use such Trademark with the appropriate notice of registration and all other notices and legends required by applicable law, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, (iv) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless Lender shall obtain a perfected security interest in such mark pursuant to this Agreement, and (v) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such Trademark may become invalidated or impaired in any way, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(b) Each Grantor (either itself or through licensees) will not do any act, or omit to do any act, whereby any Intellectual Property may lapse or become forfeited, abandoned or dedicated to the public, or unenforceable, except, in each case, where the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(c) Each Grantor (either itself or through licensees) will not (and will use commercially reasonable efforts to not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any portion of such Copyrights may become invalidated or otherwise impaired, except, in each case, where the failure to do so would not reasonably be expected to have a Material Adverse Effect. Each Grantor will not (either itself or through licensees) do any act whereby any portion of the Copyrights may fall into the public domain, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(d) Each Grantor (either itself or through licensees) will not use or permit any Intellectual Property to infringe the intellectual property rights of any other Person, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(e) Each Grantor will notify Lender immediately if it knows, or has reason to know, that any application or registration relating to any Intellectual Property may become forfeited, abandoned or dedicated to the public, invalid or unenforceable, or of any material adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court or tribunal in any country) regarding, such Grantor's ownership of, or the validity or enforceability of, any material Intellectual Property or such Grantor's right to register the same or to own and maintain the same, in each case, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(f) Whenever any Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall report such filing to Lender concurrently with the next delivery of financial statements of the Borrowers pursuant to Section 17 (Undertakings) of the Facility Agreement. Upon the request of Lender, each Grantor shall execute and deliver, and have recorded, any and all agreements, instruments, documents, and papers as Lender may request to evidence Lender's security interest in any Copyright, Patent or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(g) Each Grantor will take all reasonable and necessary steps to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of all material Intellectual Property owned by it, except, in each case, where the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(h) In the event that any material Intellectual Property is infringed upon or misappropriated or diluted by a third party, each Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect and (ii) if such Intellectual Property is of material economic value, promptly notify Lender after it learns thereof and, to the extent, in its reasonable judgment, such Grantor determines it appropriate under the circumstances, sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution.

4.15 Delivery of the Pledged Securities; Voting Rights; Dividends and Interest, Etc..

(a) On or after the Effective Date, each Grantor shall deliver or cause to be delivered to BB Agent (until the BB Facility Agreement is terminated) or Lender (i) any and all certificated Pledged Securities pledged hereunder by such Grantor as of the Effective Date, (ii) any and all certificated Investment Property pledged hereunder by such Grantor as of the Effective Date, and (iii) any and all original certificates or other instruments or documents representing any

Collateral pledged hereunder by such Grantor as of the Effective Date. After the Effective Date, promptly upon any Grantor's acquiring any certificated Pledged Securities, and any original certificates or other instruments or documents representing such Pledged Securities, such Grantor shall deliver or cause to be delivered to BB Agent (until the BB Facility Agreement is terminated) or Lender such Pledged Securities. Each Grantor agrees that no Equity Interests in a limited liability company or a limited partnership which are included within the Collateral owned by such Grantor shall at any time constitute a certificated Security, unless such Grantor shall have complied with this Section 4.15 substantially concurrently with the issuance of such certificated Security.

(b) Unless and until an Event of Default has occurred and is continuing, each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of the Pledged Securities or any part thereof to the extent, and only to the extent, that such rights are exercised for any purpose consistent with, or not otherwise in violation of, the terms and conditions of this Agreement, the Facility Agreement, the other Finance Documents and applicable law; provided, however, that such Grantor will not be entitled to exercise any such right if the result thereof could reasonably be expected to materially and adversely affect the rights inuring to a holder of the Pledged Securities or the rights and remedies of Lender under this Agreement, the Facility Agreement or any other Finance Document or the ability of Lender to exercise the same.

(c) Unless and until an Event of Default has occurred and is continuing, each Grantor shall be entitled to receive and retain any and all cash dividends or other cash distributions paid on the Pledged Securities to the extent, and only to the extent, that such cash dividends or other cash distributions are permitted by, and otherwise paid in accordance with, the terms and conditions of this Agreement, the Facility Agreement, the other Finance Documents and applicable law. All noncash dividends, and all dividends paid or payable in cash or otherwise in connection with a partial or total liquidation or dissolution, return of capital, capital surplus or paid-in surplus, and all other distributions (other than dividends and distributions referred to in the preceding sentence) made on or in respect of the Pledged Securities, whether paid or payable in cash or otherwise, whether resulting from a subdivision, combination or reclassification of the outstanding capital stock, membership interests or other Equity Interests of the Issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, amalgamation, arrangement, consolidation, acquisition or other exchange of assets to which such Issuer may be a party or otherwise, shall be and become part of the Pledged Securities, and, if received by such Grantor, to the extent required to be paid to Lender pursuant to the terms of the Facility Agreement or the other Finance Documents, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of Lender and shall be forthwith delivered to Lender, in the same form as so received (with any necessary endorsement).

(d) Upon the occurrence and during the continuance of an Event of Default and acceleration of the Obligations under the Facility Agreement, all rights of any Grantor to dividends or other cash distributions that such Grantor is authorized to receive pursuant to Section 4.15(c) above shall cease, and all such rights shall thereupon become vested in Lender, which shall have the sole and exclusive right and authority to receive and retain such dividends or other cash distributions. All dividends or other cash distributions received by any Grantor contrary to the provisions of this Section 4.15(d) shall be held in trust for the benefit of Lender, shall be segregated

from other property or funds of such Grantor and shall be forthwith delivered to Lender in the same form as so received (with any necessary endorsement). Any and all money and other property paid over to or received by Lender pursuant to the provisions of this Section 4.15(d) shall be applied in accordance with the provisions of Section 6.02. After all Events of Default have been waived in writing by Lender or any other applicable Persons, each Grantor will have the right to receive the dividends or other cash distributions that it would otherwise be entitled to receive pursuant to the terms of Section 4.15(c) above.

(e) Upon the occurrence and during the continuance of an Event of Default and acceleration of the Obligations under the Facility Agreement, all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to Section 4.15(b) shall cease, and all such rights shall thereupon become vested in Lender, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; provided that Lender shall have the right from time to time following and during the continuance of an Event of Default to permit such Grantor to exercise such rights. After all Events of Default have been waived in writing by Lender or any other applicable Person, each Grantor will have the right to exercise the voting and consensual rights and powers that it would otherwise be entitled to exercise pursuant to the terms of Section 4.15(b).

4.16 Additional Grantors. Each Subsidiary that is required to become a party to this Agreement pursuant to Section 21 (Changes to the Obligors) of the Facility Agreement shall become obligated as a Grantor for all purposes of this Agreement (as though an original signatory hereto) upon the execution and delivery to Lender by such Subsidiary of a supplement to this Agreement, in form and substance reasonably satisfactory to Lender. The execution and delivery of such supplement shall not require the consent of any Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

ARTICLE 5 POWER OF ATTORNEY

5.01 Power of Attorney. Until the termination of this Agreement, each Grantor irrevocably makes, constitutes and appoints Lender (and all officers, employees or agents designated by Lender) as such Grantor's true and lawful agent and attorney-in-fact, and in such capacity Lender shall have the right, with power of substitution for each Grantor and in each Grantor's name or otherwise, for the use and benefit of Lender, (a) at any time, whether or not a Default or Event of Default has occurred, to take actions required to be taken by the Grantors under Section 2.01 of this Agreement, (b) in the case of any Intellectual Property, at any time, whether or not a Default or Event of Default has occurred, to execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as Lender may reasonably request to evidence Lender's security interest in the Intellectual Property of the Grantors and the goodwill and General Intangibles of the Grantors relating thereto or represented thereby; (c) upon the occurrence and during the continuance of an Event of Default and acceleration of the Obligations under the Facility Agreement, to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof, and (d) upon the occurrence and during the continuance of an Event of Default and acceleration of the Obligations under the Facility Agreement, (i) to demand, collect, receive

payment of, give receipt for and give discharges and releases of all or any of the Collateral; (ii) to sign the name of any Grantor on any invoices, schedules of Collateral, freight or express receipts, or bills of lading storage receipts, warehouse receipts or other documents of title relating to any of the Collateral; (iii) to sign the name of any Grantor on any notice to such Grantor's Account Debtors; (iv) to sign the name of any Grantor on any proof of claim in bankruptcy against Account Debtors, and on notices of lien, claims of mechanic's liens, or assignments or releases of mechanic's liens securing the Accounts; (v) to sign change of address forms to change the address to which each Grantor's mail is to be sent to such address as Lender shall designate; (vi) to receive and open each Grantor's mail, remove any Proceeds of Collateral therefrom and turn over the balance of such mail either to the Borrower or to any trustee in bankruptcy or receiver of a Grantor, or other legal representative of a Grantor whom Lender reasonably determines to be the appropriate person to whom to so turn over such mail; (vii) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (viii) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (ix) to take all such action as may be reasonably necessary to obtain the payment of any letter of credit and/or banker's acceptance of which any Grantor is a beneficiary; (x) to repair, manufacture, assemble, complete, package, deliver, alter or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any customer of any Grantor; (xi) to use, license or transfer any or all General Intangibles of any Grantor, subject to those restrictions to which such Grantor is subject under applicable law and by contract; (xii) to cause all Documents (including, without limitation, freight or express receipts, or bills of lading storage receipts, warehouse receipts or other documents of title) to name Lender as consignee and to obtain control over the Documents; (xiii) to receive, indorse and collect all instruments made payable to any Grantor representing any dividend or other distribution in respect of the Pledged Securities or any part thereof and to give full discharge for the same; (xiv) to contact and enter into one or more agreements with the Issuers of Pledged Securities to ensure that Lender has control of the Pledged Securities consisting of Investment Property as provided in Section 9-106 of the UCC and (xv) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things reasonably necessary to carry out the purposes of this Agreement, as fully and completely as though Lender was the absolute owner of the Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating Lender to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by Lender, or to present or file any claim or notice. Each Grantor agrees to reimburse Lender on demand for any payment made or any reasonable and documented out-of-pocket expense incurred by Lender in connection with any actions taken by Lender pursuant to clauses (a) through (d) above. It is understood and agreed that the appointment of Lender as the agent and attorney-in-fact of each Grantor for the purposes set forth above is coupled with an interest and is irrevocable, until the termination of this Agreement.

5.02 No Obligation to Act. Lender shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 5.01, but if Lender elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Grantor for any act or omission to act, except where a court of competent jurisdiction determines by final and non-appealable judgment that the subject act or omission to act has resulted from the gross negligence or willful misconduct of Lender or any of its Affiliates. The provisions of Section 5.01 shall in no event

relieve any Grantor of any of its obligations hereunder or under any other Finance Document with respect to the Collateral or any part thereof or impose any obligation on Lender to proceed in any particular manner with respect to the Collateral or any part thereof, or in any way limit the exercise by Lender of any other or further right which it may have on the date of this Agreement or hereafter, whether hereunder, under any other Finance Document, by applicable law or otherwise.

ARTICLE 6 REMEDIES

6.01 Remedies upon Default. Upon the occurrence and during the continuance of a Declared Default, it is agreed that Lender shall have in any jurisdiction in which enforcement hereof is sought, in addition to all other rights and remedies, the rights and remedies of a secured party under the UCC or other applicable law or in equity. Upon the occurrence and during the continuance of a Declared Default, the rights and remedies of Lender shall include, without limitation, the right to take any or all of the following actions at the same or different times:

(a) With respect to any Collateral consisting of Accounts, General Intangibles (including Payment Intangibles), Letter-of-Credit Rights, Instruments, Chattel Paper, Documents, and Investment Property, Lender may collect the Collateral with or without the taking of possession of any of the Collateral.

(b) With respect to any Collateral consisting of Accounts, Lender may: (i) demand, collect and receive any amounts relating thereto, as Lender may determine; (ii) commence and prosecute any actions in any court for the purposes of collecting any such Accounts and enforcing any other rights in respect thereof; (iii) defend, settle or compromise any action brought and, in connection therewith, give such discharges or releases as Lender may reasonably deem appropriate; (iv) without limiting Lender's rights set forth in Section 5.01 hereof, receive, open and dispose of mail addressed to any Grantor and endorse checks, notes, drafts, acceptances, money orders, bills of lading, warehouse receipts or other instruments or documents evidencing payment, shipment or storage of the goods giving rise to such Accounts or securing or relating to such Accounts, on behalf of and in the name of such Grantor; and (v) sell, assign, transfer, make any agreement in respect of, or otherwise deal with or exercise rights in respect of, any such Accounts or the goods or services which have given rise thereto, as fully and completely as though Lender was the absolute owner thereof for all purposes.

(c) With respect to any Collateral consisting of Investment Property, Lender may: (i) exercise all rights of any Grantor with respect thereto, including without limitation, the right to exercise all voting and corporate rights at any meeting of the shareholders of the issuer of any Investment Property and to exercise any and all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining to any Investment Property as if Lender was the absolute owner thereof, including the right to exchange, at its discretion, any and all of any Investment Property upon the merger, consolidation, reorganization, recapitalization or other readjustment of the issuer thereof, all without liability except to account for property actually received as provided in Section 5.02 hereof; (ii) transfer such Collateral at any time to itself, or to its nominee, and receive the income thereon and hold the same as Collateral hereunder or apply it to the Obligations; and (iii) demand, sue for, collect or make any compromise or settlement it deems desirable. The Grantors recognize that (a) Lender may be unable to effect a public sale of

all or a part of the Investment Property by reason of certain prohibitions contained in the Securities Act of 1933, 15 U.S.C. §77 (as amended and in effect, the "Securities Act") or the Securities laws of various states (the "Blue Sky Laws"), but may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obliged to agree, among other things, to acquire the Investment Property for their own account, for investment and not with a view to the distribution or resale thereof, (b) private sales so made may be at prices and upon other terms less favorable to the seller than if the Investment Property were sold at public sales, (c) Lender has no obligation to delay sale of any of the Investment Property for the period of time necessary to permit the Investment Property to be registered for public sale under the Securities Act or the Blue Sky Laws, and (d) private sales made under the foregoing circumstances shall be deemed to have been made in a commercially reasonable manner.

(d) With respect to any Collateral consisting of Inventory, Goods, and Equipment, Lender may conduct one or more going out of business sales, in Lender's own right or by one or more agents and contractors. Such sale(s) may be conducted upon any premises owned, leased, or occupied by any Grantor. Lender and any such agent or contractor, in conjunction with any such sale, may augment the Inventory with other goods (all of which other goods shall remain the sole property of Lender or such agent or contractor). Any amounts realized from the sale of such goods which constitute augmentations to the Inventory (net of an allocable share of the costs and expenses incurred in their disposition) shall be the sole property of Lender or such agent or contractor and neither any Grantor nor any Person claiming under or in right of any Grantor shall have any interest therein. Each purchaser at any such going out of business sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor.

(e) With or without legal process and with or without prior notice or demand for performance, Lender may enter upon, occupy, and use any premises owned or occupied by each Grantor and may exclude the Grantors from such premises or portion thereof as may have been so entered upon, occupied, or used by Lender. Lender shall not be required to remove any of the Collateral from any such premises upon Lender's taking possession thereof and may render any Collateral unusable to the Grantors. In no event shall Lender be liable to any Grantor for use or occupancy by Lender of any premises pursuant to this Section 6.01, nor for any charge (such as wages for the Grantors' employees and utilities) incurred in connection with Lender's exercise of Lender's Rights and Remedies (as defined herein) hereunder, other than for direct or actual damages resulting from the gross negligence or willful misconduct of Lender as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(f) Lender may require any Grantor to assemble the Collateral and make it available to Lender at such Grantor's sole risk and expense at a place or places which are reasonably convenient to both Lender and such Grantor.

(g) Lender may require any Grantor to name Lender as consignee on any Documents and to furnish Lender with control over any such Documents.

(h) Each Grantor agrees that Lender shall have the right, subject to applicable law, to sell or otherwise dispose of all or any part of the Collateral, at public or private sale, for cash, upon credit or for future delivery as Lender shall deem appropriate. Each purchaser at any

such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor.

(i) Unless the Collateral is perishable or threatens to decline speedily in value, or is of a type customarily sold on a recognized market (in which event Lender shall provide the Grantors such advance notice as may be practicable under the circumstances), Lender shall give the Grantors at least ten (10) days' prior written notice, by authenticated record, of the date, time and place of any proposed public sale, and of the date after which any private sale or other disposition of the Collateral may be made. Each Grantor agrees that such written notice shall satisfy all requirements for notice to such Grantor which are imposed under the UCC or other applicable law with respect to the exercise of Lender's Rights and Remedies upon the occurrence and during the continuance of a Declared Default. Lender shall not be obligated to make any sale or other disposition of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale or other disposition of such Collateral shall have been given. Lender may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned.

(j) Any public sale shall be held at such time or times within ordinary business hours and at such place or places as Lender may fix and state in the notice of such sale. At any sale or other disposition, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as Lender may (in its sole and absolute discretion) determine. If any of the Collateral is sold, leased, or otherwise disposed of by Lender on credit, the Obligations shall not be deemed to have been reduced as a result thereof unless and until payment in full is received thereon by Lender. In the event that the purchaser fails to pay for the Collateral, Lender may resell the Collateral and apply the proceeds from such resale in accordance with the terms of Section 6.02 of this Agreement.

(k) At any public (or, to the extent permitted by applicable law, private) sale made pursuant to this Section 6.01, Lender may bid for or purchase, free (to the extent permitted by applicable law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor, the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to Lender from any Grantor on account of the Obligations as a credit against the purchase price, and Lender may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor.

(l) For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof. Lender shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after Lender shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full.

(m) As an alternative to exercising the power of sale herein conferred upon it, Lender may proceed by a suit or suits at law or in equity to foreclose upon the Collateral and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver.

(n) Each Grantor recognizes that (i) Lender may be unable to effect a public sale of all or a part of the Pledged Securities by reason of certain prohibitions contained in the Securities Act or the Blue Sky Laws, but may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obliged to agree, among other things, to acquire the Pledged Securities for their own account, for investment and not with a view to the distribution or resale thereof, (ii) private sales so made may be at prices and upon other terms less favorable to the seller than if the Pledged Securities were sold at public sales, (iii) Lender has no obligation to delay sale of any of the Pledged Securities for the period of time necessary to permit the Pledged Securities to be registered for public sale under the Securities Act or the Blue Sky Laws, and (iv) private sales made under the foregoing circumstances shall be deemed to have been made in a commercially reasonable manner.

(o) Lender shall have the right (in its sole discretion) to hold the Pledged Securities in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of Lender. Each Grantor will promptly give to Lender copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor.

(p) If Lender reasonably determines that it is necessary to sell any of the Pledged Securities at a public sale, each Grantor agrees that it will, at any time and from time to time, upon the written request of Lender, use commercially reasonable efforts to take or to cause the issuer of such Pledged Securities to take such action and prepare, distribute and/or file such documents, as are required or advisable in the reasonable opinion of counsel for Lender to permit the public sale of such Pledged Securities. Without limiting or duplicating any of its other indemnification obligations under the Facility Agreement or the other Finance Documents, each Grantor agrees to indemnify, defend and hold harmless Lender, any underwriter, and their respective officers, directors, Affiliates and controlling Persons from and against all loss, liability, expenses, costs of counsel (including the reasonable fees and expenses of legal counsel to Lender), and claims (including the reasonable costs of investigation) that any of them may incur insofar as such loss, liability, expense or claim arises out of, or is based upon, any alleged untrue statement of a material fact contained in any prospectus (or any amendment or supplement thereto) or in any notification or offering circular, or arises out of or is based upon any alleged omission to state a material fact required to be stated therein or necessary to make the statements in any thereof not misleading, except insofar as the same may have been caused by any untrue statement or omission based upon information furnished in writing to such Grantor or the issuer of such Pledged Securities by Lender expressly for use therein. Each Grantor further agrees, upon such written request referred to above, to use commercially reasonable efforts to qualify, file or register, or cause the issuer of any Pledged Securities to qualify, file or register, any of the Pledged Securities under the Securities Act, Blue Sky Laws or other securities laws of such states as may be requested by Lender and keep effective, or cause to be kept effective, all such qualifications, filings or registrations. Each Grantor will bear all costs and expenses of carrying out its obligations under this Section 6.01(p). Each Grantor acknowledges that there is no adequate remedy at law for failure by it to comply with the provisions of this Section 6.01(p) and that such failure would not be adequately compensable in damages, and therefore agrees that its agreements contained in this Section 6.01(p) may be specifically enforced.

(q) To the extent permitted by applicable law, each Grantor hereby waives all rights of redemption, stay, valuation and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

6.02 Application of Proceeds. After the occurrence and during the continuance of an Event of Default, Lender shall apply the proceeds of any collection or sale of the Collateral, as well as any Collateral consisting of cash, or any Collateral granted under any other of the Finance Documents, in accordance with the Facility Agreement.

Lender shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with the immediately preceding paragraph. Upon any sale or other disposition of the Collateral by Lender (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by Lender or by the officer making the sale or other disposition shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold or otherwise disposed of and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication thereof.

ARTICLE 7

PERFECTION OF SECURITY INTEREST

7.01 Perfection by Filing. This Agreement constitutes an authenticated record, and each Grantor hereby authorizes Lender, pursuant to the provisions of Section 2.01 and Section 5.01, to file one or more Financing Statements or continuation statements, and amendments thereto, relative to all or any part of the Collateral, in such filing offices as Lender shall reasonably deem appropriate, and the Grantors shall pay Lender's reasonable and documented out-of-pocket costs and expenses incurred in connection therewith.

7.02 Other Perfection, Etc. Each Grantor shall at any time and from time to time take such steps as Lender may reasonably request in writing for Lender (a) to obtain an acknowledgment, in form and substance reasonably satisfactory to Lender, of any bailee having possession of any of the Collateral that the bailee holds such Collateral for Lender, (b) to obtain control (within the meaning of the UCC) of any Investment Property, Deposit Accounts, Letter-of-Credit Rights, Electronic Chattel Paper or any other relevant Collateral, with any agreements establishing control to be in form and substance reasonably satisfactory to Lender, in each case, to the extent required by Article 4 of this Agreement, and (c) to otherwise insure the continued perfection of Lender's security interest in any of the Collateral and of the preservation of its rights therein, in each case, to the extent expressly required by this Agreement.

7.03 Savings Clause. Nothing contained in this Article 7 shall be construed to narrow the scope of Lender's Security Interest in any of the Collateral or the perfection or priority thereof or to impair or otherwise limit any of Lender's Rights and Remedies hereunder except (and then only to the extent) as mandated by the UCC.

ARTICLE 8 MISCELLANEOUS

8.01 Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 26 (Notice) of the Facility Agreement.

8.02 Grant of Non-Exclusive License. Without limiting the provisions of Section 6.01 hereof or any other rights of Lender as the holder of a Lien on any Intellectual Property, each Grantor hereby grants to Lender, and the representatives and independent contractors of Lender, a royalty free, non-exclusive, irrevocable license (exercisable without payment of royalty or other compensation to such Grantor), to use, license or sublicense any Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, such license to be effective only upon the occurrence and during the continuance of any Event of Default and acceleration of the Obligations under the Facility Agreement, in connection with the exercise of Lender's Rights and Remedies hereunder including, without limitation, in connection with any completion of the manufacture of Inventory or any sale or other disposition of Inventory. The license granted in this Section 8.02 shall remain in full force and effect throughout the term of this Agreement, notwithstanding the release of any Grantor hereunder.

8.03 Security Interest Absolute. All rights of Lender hereunder, the Security Interest and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Facility Agreement, any other Finance Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Facility Agreement, any other Finance Document, or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or this Agreement.

8.04 Survival of Agreement. All covenants, agreements, representations and warranties made by each Grantor herein and in any other Finance Document and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Finance Document shall be considered to have been relied upon by Lender and shall survive the execution and delivery of this Agreement and the other Finance Documents and the making of any Advances under the Facility Agreement, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Facility Agreement, and shall continue in full force and effect unless terminated in accordance with Section 8.14 hereof.

8.05 Binding Effect; Several Agreement; Assignments. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of each Grantor that are contained in this Agreement shall bind and inure to the benefit of each Grantor and its respective successors and assigns. This Agreement shall be binding upon each Grantor and Lender and their respective successors and permitted assigns, and shall inure to the benefit of each Grantor, Lender and their respective successors and permitted assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such attempted assignment or transfer shall be void) except as expressly permitted by this Agreement or the Facility Agreement. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

8.06 Lender's Fees and Expenses; Indemnification.

(a) Without limiting or duplicating any of their obligations under the Facility Agreement or the other Finance Documents, the Grantors jointly and severally agree to pay all reasonable and documented out-of-pocket expenses incurred by Lender, including the reasonable and documented fees, charges and disbursements of any external counsel and any outside consultants for Lender, in connection with (i) the negotiation, preparation and administration of this Agreement, (ii) the custody or preservation of, or the sale of, collection from or other realization upon any of the Collateral, (iii) the exercise, enforcement or protection of any of Lender's Rights and Remedies hereunder or (iv) the failure of any Grantor to perform or observe any of the provisions hereof.

(b) Section 15 (Guarantee and Indemnity) of the Facility Agreement is hereby incorporated by reference mutatis mutandis, as if stated verbatim herein as agreements and obligations of each Grantor.

(c) To the fullest extent permitted by applicable law, no Grantor shall assert, and each Grantor hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, the Facility Agreement, any other Finance Document or any agreement or instrument contemplated hereby, or the transactions contemplated hereby or thereby.

(d) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Finance Documents. All amounts due under this Section 8.06 shall be payable not later than ten (10) days after written demand therefor.

(e) The agreements in this Section 8.06 shall survive the resignation of Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations.

8.07 Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS (AND NOT THE LAW OF

CONFLICTS WHICH WOULD HAVE THE EFFECT OF APPLYING THE LAWS OF ANY OTHER JURISDICTION) OF THE STATE OF NEW YORK.

8.08 Waivers; Amendment.

(a) The rights, remedies, powers, privileges, and discretions of Lender hereunder (herein, "Lender's Rights and Remedies") shall be cumulative and not exclusive of any rights or remedies which it would otherwise have. No delay or omission by Lender in exercising or enforcing any of Lender's Rights and Remedies shall operate as, or constitute, a waiver thereof. No waiver by Lender of any Event of Default or Default under any other agreement shall operate as a waiver of any Event of Default or Default arising from any Grantor's failure to perform or observe any covenant or agreement contained in this Agreement on its part to be performed or observed hereunder. No single or partial exercise of any of Lender's Rights or Remedies, and no express or implied agreement or transaction of whatever nature entered into between Lender and any Person, at any time, shall preclude the other or further exercise of Lender's Rights and Remedies. No waiver by Lender of any of Lender's Rights and Remedies on any one occasion shall be deemed a waiver on any subsequent occasion, nor shall it be deemed a continuing waiver. Lender's Rights and Remedies may be exercised at such time or times and in such order of preference as Lender may determine. Lender's Rights and Remedies may be exercised without resort or regard to any other source of satisfaction of the Obligations. No waiver of any provisions of this Agreement or any other Finance Document or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Grantor in any case shall entitle such Grantor or any other Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to a written agreement entered into between Lender and the Grantor or Grantors with respect to whom such waiver, amendment or modification is to apply, subject to any consent required in accordance with the Facility Agreement.

8.09 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER FINANCE DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER FINANCE DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.09.

8.10 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

8.11 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

8.12 Headings. Article and Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

8.13 JURISDICTION; WAIVER OF VENUE; CONSENT TO SERVICE OF PROCESS. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL COURT SITTING IN THE SOUTHERN DISTRICT OF NEW YORK OR NEW YORK STATE COURT, IN EITHER CASE, LOCATED IN NEW YORK COUNTY, NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH NEW YORK STATE COURT OR, TO THE EXTENT PERMITTED BY LAW, IN ANY SUCH FEDERAL COURT. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO HEREIN. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT. EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 8.01. NOTHING HEREIN SHALL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

8.14 Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 26 (Notice) of the Facility Agreement. As an alternative method for the service of process, each Grantor (other than any Grantor organised, incorporated or formed under the laws of a State of the United States (including the District of Columbia)) hereby designates, appoints and empowers SuperGroup USA Inc (the "Process Agent"), with offices as of the date of this Agreement at 160 Greentree Drive, Suite 101, Dover, DE 19904, as its authorized agent to receive for and on its behalf service of summons or other legal process in

any such action, litigation or proceeding in the State of New York. Such service may be made by mailing or delivering a copy of such process to each Grantor in care of the Process Agent at the Process Agent's above address, and each Grantor hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

8.15 Termination. Except for those provisions which expressly survive the termination thereof, this Agreement and the Security Interest granted herein shall terminate when (i) the Commitments have expired or been terminated and (ii) all of the Obligations have been paid in full in cash or otherwise satisfied, at which time Lender shall execute and deliver to the Grantors, at the Grantors' expense, all UCC termination statements, releases and similar documents, instruments or agreements that the Grantors shall reasonably request to evidence such termination; provided, however, that the Facility Agreement, this Agreement, and the Security Interest granted herein shall be reinstated if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored upon the bankruptcy or reorganization of any Grantor. Any execution and delivery of termination statements, releases or other documents, instruments or agreements pursuant to this Section 8.15 shall be **WITHOUT RECOURSE TO, OR WARRANTY BY**, Lender.

8.16 Release. If any of the Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction permitted by the Facility Agreement, then Lender, at the request and sole expense of such Grantor, shall promptly execute and deliver to such Grantor all release or other documents, instruments or agreements reasonably necessary or desirable for the release of the Liens created hereby on such Collateral.

8.17 ENTIRE AGREEMENT. THIS AGREEMENT AND THE OTHER FINANCE DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.
