Notes to the abbreviated accounts

For the year ending 31 December 2010

1 Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

2 Transactions with directors

Other creditors includes a balance due from the Director in respect of a short term advance from the Company which was repaid shortly after the year end.

3 Related party disclosures

None.

4 Deferred Taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.
