**for the 52 weeks to 10 March 2018**

**Principal activities and review of business**

The principal activity of Flint Castle Limited (the 'Company') is to act as a Limited Partner in Sainsbury's Property Scottish Limited Partnership (the 'Partnership'). The role of Limited Partner as laid out by the Limited Partnership Agreement (dated 12 May 2010) gives the Company no part in the management or control of the business and affairs of the Partnership.

The Company's profit for the financial year is £41 (2017: £41). The financial position as at 10 March 2018 is shown in the balance sheet set out on page 8.

All material operations are carried out in the United Kingdom.

**Principal risks and uncertainties**

From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of J Sainsbury plc and its subsidiaries (the 'Group') and are not managed separately. Accordingly, the principal risks and uncertainties of the Group, which include those of the Company, are discussed on pages 30 to 34 of the Group's Annual Report and financial statements 2018, which does not form part of this report.

**Future developments**

No change is planned in the activities of the Company in the next financial year.

**Key performance indicators (KPIs)**

The Directors of J Sainsbury plc manage the Group's operations on a divisional basis. For this reason, the Company's Directors believe that analysis using KPIs for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business of the Company. The development, performance and position of the Group, which includes the Company, are discussed on pages 3 to 27 and 28 to 29 of the Group's Annual Report, which does not form part of this report.

**Financial risk management**

The financial risk management and policies of the Company are disclosed in note 12 of the financial statements.

**Statement of Directors' responsibilities**  
**for the 52 weeks to 10 March 2018**

The Directors are responsible for preparing the Strategic report, the Directors' report, and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with International Financial Reporting Standards ('IFRSs') as adopted by the European Union. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable IFRSs as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent Auditor's Report to the members of Flint Castle Limited**

### **Opinion**

We have audited the financial statements of Flint Castle Limited for the 52 week period ended 10 March 2018 which comprise of the Statement of comprehensive income, the Balance sheet, the Cash flow statement, and the Statement of changes in equity and the related notes 1 to 13, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union.

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 10 March 2018 and of its profit for the period then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

## **Independent Auditor's Report to the members of Flint Castle Limited (continued)**

We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and Directors' report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit

### **Responsibilities of directors**

As explained more fully in the Statement of Directors' responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## **Independent Auditor's Report to the members of Flint Castle Limited (continued)**

### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Flint Castle Limited**  
**Notes to the financial statements**  
**for the 52 weeks to 10 March 2018**

**1 General information**

Flint Castle Limited (the 'Company') is a private limited company incorporated and domiciled in England and Wales. The Company's registered address is 33 Holborn, London EC1N 2HT. The Company is part of J Sainsbury plc (the 'Group').

The Company's financial year represents the 52 weeks to 10 March 2018 (prior financial year: 52 weeks to 11 March 2017).

**2 Accounting policies**

**(a) Statement of compliance**

The Company's financial statements have been prepared in accordance with International Financial Reporting Standards ('IFRS') as adopted by the European Union and International Financial Reporting Interpretations Committee ('IFRIC') and with those parts of the Companies Act 2006 applicable to companies reporting under IFRS.

**(b) Basis of preparation**

The financial statements are presented in sterling, rounded to the nearest pound (£) unless otherwise stated. They have been prepared on a going concern basis under the historical cost convention.

The preparation of financial statements in conformity with IFRS requires the use of judgements, estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2c.

The Company is a wholly-owned subsidiary of J Sainsbury plc and is included in the consolidated financial statements of J Sainsbury plc which are publicly available. Consequently, the company has taken advantage of the exemption from preparing consolidated financial statements under the terms of section 400 of the Companies Act 2006.

**Going concern**

The Directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

**Amendments to published standards**

**Effective for the Group and Company in these financial statements:**

The Group considered the following amendments to published standards that are effective for the Group for the financial year beginning 12 March 2017 and concluded that they are either not relevant to the Group or that they do not have a significant impact on the Group's financial statements other than disclosures. These standards and interpretations have been endorsed by the European Union.

- Amendments to IAS 7 'Statement of Cash Flows' on the disclosures in financial statements
- Annual Improvements Cycle - 2014-2016
- Amendments to IFRS 12 'Disclosure of Interests in Other Entities': Clarification of the scope of disclosure requirements in IFRS 12

**Flint Castle Limited**  
**Notes to the financial statements (continued)**  
**for the 52 weeks to 10 March 2018**

**2. Accounting policies (continued)**

**Standards and revisions effective for future periods:**

- IFRS 9, 'Financial instruments'
- IFRS 15, 'Revenue from contracts with customers'
- IFRS 16, 'Leases'

The Company has considered the impact of the above standards and revisions and have concluded that they will not have a significant impact on the Company's financial statements, apart from additional disclosures.

The accounting policies set out below have been applied consistently to all periods presented in the financial statements.

**Revenue**

Revenue is earned by means of a distribution of profits from the Company's investment in Sainsbury's Property Scottish Limited Partnership, of which the Company is a Limited Partner.

**Finance income**

Finance income is recognised in the income statement for financial assets and liabilities measured at amortised cost using the effective interest method.

**Current tax**

Current tax is accounted for on the basis of tax laws enacted or substantively enacted at the balance sheet date. Current tax is charged or credited to the income statement, except when it relates to items charged to equity or other comprehensive income, in which case the current tax is also dealt with in equity, or other comprehensive income, respectively.

**Investments**

Investments in partnerships are held at cost, less any recognised impairment loss.

**Financial instruments**

*Financial assets*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. The company has no intention of trading these loans and receivables. Subsequent to initial recognition at fair value plus transaction costs these assets are carried at amortised cost less impairment using the effective interest method. Income from these financial assets is calculated on an effective yield basis and is recognised in the income statement.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or where the company has substantially transferred all risks and rewards of ownership.

*Financial liabilities*

Bank loans and payables are recorded initially at fair value, which is generally the proceeds received, net of direct issue costs. Subsequently, these liabilities are held at amortised cost using the effective interest method.

*Fair value estimation*

The fair values of receivables, payables and loans of a maturity of less than one year are approximate to their book values.

*Impairment of financial assets*

The Company assesses at the end of each reporting period whether there is objective evidence that a financial asset or group of financial assets is impaired. The carrying amount of the asset is reduced for any impairment loss and the amount of the loss is recognised in the income statement.

**Flint Castle Limited**  
**Notes to the financial statements (continued)**  
**for the 52 weeks to 10 March 2018**

**2. Accounting policies (continued)**

**Called up share capital**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.

**(c) Significant accounting judgements, estimates and assumptions**

The preparation of financial statements in conformity with IFRSs requires the use of judgements, estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Those which are significant to the Company are discussed separately below:

***Estimates and assumptions***

The areas where assumptions and estimates are significant to the financial statements are as described below. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

***Impairment of assets***

Financial and non-financial assets are subject to impairment reviews based on whether current or future events and circumstances suggest that their recoverable amount may be less than their carrying value. Recoverable amount is based on the higher of the value in use and fair value less costs to dispose. Value in use is calculated from expected future cash flows using suitable discount rates and includes management assumptions and estimates of future performance.

***Income taxes***

The Company recognises expected liabilities for tax based on an estimation of the likely taxes due, which requires significant judgement as to the ultimate tax determination of certain items. Where the actual liability arising from these issues differs from these estimates, such differences will have an impact on income tax and deferred tax provisions in the year when such determination is made. Detail of the tax charge is set out in note 6.

**3 Operating profit**

The auditors' remuneration, in the current and prior financial year, has been borne by Sainsbury's Supermarkets Ltd, a Group company that makes no recharge to the Company.

**4 Employee Costs**

The average monthly number of persons (including Directors) employed by the Company during the financial year was nil (2017: nil).

All of the Directors are also employees of the ultimate parent company, J Sainsbury plc, or other Group companies. The Directors' emoluments are borne by Sainsbury's Supermarkets Ltd, a Group company that makes no recharge to the Company. It is not possible to make an accurate apportionment of the Directors' emoluments as they serve as Directors to a number of Group companies. Accordingly, the income statement does not include emoluments in respect of the Directors.

**Flint Castle Limited**  
**Notes to the financial statements (continued)**  
**for the 52 weeks to 10 March 2018**

**6 Income tax expense**

The income tax expense for the financial year was £nil (2017: £nil).

The effective tax rate of nil per cent (2017: nil per cent) is lower than (2017: lower than) the standard rate of corporation tax in the UK. The differences are explained below:

	2018 £	2017 £
Profit before tax	41	41
Income tax at UK corporation tax rate of 19.06% (2017: 20.00%)	8	8
Effects of:		
Non-taxable dividends received	(1)	(1)
Group relief claimed for £nil consideration	(7)	(7)
Total income tax expense in income statement	-	-

The main rate of UK corporation tax reduced from 20 per cent to 19 per cent from 1 April 2017. A further reduction in the UK corporation tax rate from 19 per cent to 17 per cent, rather than 18 per cent, effective from 1 April 2020 was substantively enacted in the prior year. Deferred tax on temporary differences and tax losses as at the balance sheet date is calculated at the substantively enacted rates at which the temporary differences and tax losses are expected to reverse.

**7 Investments**

	2018 £	2017 £
At start of financial year	100	100
At end of financial year	100	100

On 6 January 2010, the Company became the General Partner of a newly formed partnership, Sainsbury's Property Scottish Limited Partnership (the 'Partnership'). The Partnership is registered in Scotland and limited under the Limited Partnerships Act 1907. The Company has taken advantage of the exemption conferred by Regulation 7 of the Partnerships (Accounts) Regulations 2008 and has therefore not appended the financial statements of this qualifying partnership to these financial statements.

The Group operates a central treasury function which is responsible for managing the Company's liquid resources, funding requirements and interest rate and currency exposures.

**Interest rate risk**

The Company has no exposure to interest rate risk fluctuations as amounts due to and from the parent and group companies carry fixed rates of interest or are non-interest bearing.

**Liquidity risk**

The Company's exposure to liquidity risk is managed by funding cash flow requirements from the parent company.

**Credit risk**

The Company's exposure to credit risk is limited to amounts receivable from the parent and Group companies. These are existing related party receivables with no history of default and none of the amounts are past due nor impaired.

**Capital risk management**

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide services to the Group and to maintain an optimal capital structure.
