1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008).

Going concern

The company has not yet commenced trading and therefore has no turnover. Expenditure incurred in the preliminary development of the company's business is carried forward in debtors to be written off as soon as trading commences. Meanwhile, the directors consider the going concern basis of accounting to be appropriate, as the company is expected to trade profitably in the future.

Amortisation

Amortisation is provided on intangible assets so as to write off the cost of the valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Amortisation method and rate
Domain name	Over three years from commencement of trading

2 Fixed assets

	Intangible assets £	Total £
