Notes to the abbreviated accounts

Year ended 28 February 2015

1. Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents the value of work completed during the period, exclusive of Value Added Tax.

Financial instruments

Financial assets such as cash and debtors are measured at the present value of the amounts receivable, less an allowance for the expected level of doubtful receivables. Financial liabilities such as trade creditors, loans and finance leases are measured at the present value of the obligation. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

2. Share capital

Allotted, called up and fully paid:

	2015		2014	
	No	£	No	£
Ordinary shares of £1 each	100	100	100	100
