LIQUIDATOR'S ACTIONS SINCE LAST REPORT

This is the seventh Annual Progress Report and should be read in conjunction with the previous Annual Progress Reports.

I have spent time in the reporting period as follows:-

Preparing and issuing the last Annual Progress Report.

Carrying out periodic reviews of the case.

Completing statutory matters.

Carrying out ongoing cashiering work.

Quarterly Bond reviews.

Due Diligence requirements.

In addition to the statutory requirements above I have also undertaken work in this period as follows:-

I have been in correspondence with my solicitor regarding the claim against one of the former directors. Payments of £200 per month were being received, subject to review and a potential future settlement. The last payment was received in July 2020. The Former Director advised that he was unable to make payments during the pandemic as he had insufficient income and in December 2020 it was agreed to suspend collection for 6 months. My solicitor has recently written to the Former Director for an update on his financial situation but has not received a response. As the Former Director is failing to cooperate with my solicitor, further action is being considered.

A cheque was received from the Company's former bank in respect of a refund of bank charges.

RECEIPTS AND PAYMENTS ACCOUNT

My Receipts & Payments Account for the period from 13th August 2020 to 12th August 2021 is attached. All amounts in the Receipts & Payments Account are shown net of VAT.

The account attached to this Report has been reconciled with that which is held by the Secretary of State in respect of the winding up.

The balance of funds are held in an interest bearing account operated by the Insolvency Service.

ASSETS

Claims Against the Former Director

No payments have been received in this period. My solicitor is holding £8,000 in respect of payments previously received from the Former Director. The balance of £100,498 is being pursued.

Refund of Bank Charges

A payment of £133.72 was received in respect of a refund of bank charges.

LIABILITIES

Secured Creditors

According to Companies House there is a Debenture registered in favour of Barclays Bank plc dated 18th January 2012.

There are provisions of the insolvency legislation that require a Liquidator to set aside a percentage of a Company's assets for the benefit of the unsecured creditors in cases where the Company gave a "Floating Charge" over its assets to a lender on or after 15th September 2003. This is known as the "prescribed part of the net property" ("prescribed part"). A Company's net property is that left after paying the preferential creditors, but before paying the lender who holds a Floating Charge. Any costs of the Liquidation that are payable before the Liquidator has reached a position to make a distribution to the Floating Charge Holder have to be deducted from Floating Charge realisations before arriving at an amount for the "net property" of the Company. As a result, the costs associated with realising Floating Charge assets, paying preferential claims in full, the general costs of winding-up and the costs of confirming the validity of the Floating Charge will have to be deducted before the "net property" is calculated. The prescribed part that the Liquidator then has to set aside for unsecured creditors is:

- 50% of the first £10,000 of the net property; and
- 20% of the remaining net property;

up to a maximum of £800,000.

As the Floating Charge was registered after 15th September 2003, the Liquidator will be required to make a prescribed part of the Company's net property available to the unsecured creditors. I do not yet know the full extent of the Company's assets and so therefore cannot comment any further on whether there will be a prescribed part of the Company's net property available to unsecured creditors. I will provide further information to creditors when I am able to.

Unsecured Creditors

The Official Receiver's Report to Creditors included unsecured creditors with an estimated total liability of £149,478.00. To date I have received claims from three creditors in the total sum of £211,184.22. I have not received claims from six creditors of an unknown amount.

The claims submitted by three creditors were significantly greater than the original estimated amounts.

DIVIDEND PROSPECTS

The payment of a dividend in this matter will be largely dependent upon the extent of realisations and the costs of realisation. I am unable at this stage to comment any further on the prospects of a dividend.

LIQUIDATORS' REMUNERATION

The Liquidators' remuneration was previously authorised by creditors at a Creditors' Meeting held on 29th October 2014. The remuneration has been fixed by reference to the time properly given in attending to matters arising in the Liquidation, such remuneration to be drawn as and when required. The resolution covers the remuneration of both Mr Upton and myself.

The total time costs to 12th August 2021 amount to £23,087.37 representing 170 hours 30 minutes of work at a blended charge out rate of £135 per hour, of which £1,262.50 representing 8 hours 35 minutes of work, was charged in the period since 13th August 2020 at a blended charge out rate of £147 per hour.

I have drawn £11,023.29 to date, none of which was drawn in this period.

Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at http://www.creditorinsolvencyguide.co.uk/. A copy of 'A Creditor's Guide to Liquidator's Fees' can be viewed online at https://www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/. There are different versions of these Guidance Notes and in this case please refer to the November 2011 version.

A description of the routine work undertaken in this period is as follows:-

Administration:

This represents the work involved in the routine administrative functions of the case by me and my staff, together with the control and supervision of the work done on the case by me and my managers. - Maintaining the physical and electronic case files.
- Dealing with all routine correspondence and emails relating to the case.
- Cashiering maintaining and managing the office holder's cashbook.

- Undertaking regular reconciliations of the bank account containing estate funds.
- Reviewing the adequacy of the specific penalty bond on a quarterly basis.
- Undertaking periodic reviews of the progress of the case.
- Overseeing and controlling the work done on the case by case administrators.
- Preparing, reviewing and issuing Annual Progress Reports to Creditors and Members.
- Preparing and filing Corporation Tax Returns.
- Filing reports at Companies House.
- Ongoing Due Diligence and consideration of threats to fundamental principles.

Realisation of Assets:

- Corresponding with solicitors regarding the recovery and collection of the agreed settlement monies.
- Receipt of refunded bank charges from Company's bank.

LIQUIDATORS' EXPENSES

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- category 1 expenses, which are payments to persons providing the service to which the expense relates who are no an associate of the office holder; and
- category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

The following professional advisors have been utilised in this matter:

Professional Advisor	Nature of Work	Fee Arrangement
Clarke Mairs LLP	Solicitors	Time costs on Informal Conditional Fee Arrangement

The choice of professionals was based on Mr Upton's perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of his fee arrangement with them. Clarke Mairs LLP were instructed to advise on and assist in recoveries against the former directors. They estimated their time costs up to issuing proceedings would be in the region of £15,000. If proceedings were required a further estimate would be provided. The fees incurred amounted to £6,477.70 plus disbursements of £3.00, of which £253.60 and disbursements of £3.00 was incurred in this period.
