1 INTRODUCTION

- 1.1 This report has been produced in accordance with Rules 3.53 and 18.3 of the Insolvency (England and Wales) Rules 2016 (“the Rules”) to provide creditors with an update on the progress of the Administration of Better Energy Supply Ltd (“the Company”) for the period from 13 September 2020 to 5 March 2021. This is the Joint Administrators’ final progress report to creditors.
- 1.2 The Administration of the Company is now for practical purposes complete. Section 10 of this report deals with how the Joint Administrators intend to bring the Administration to an end.
- 1.3 Much of the information contained in this report encompasses the whole period of the Administration. Please be aware, however, that where reference is made to “the period of this report”, this specifically means 13 September 2020 to 5 March 2021, being the period since the end of the period covered by the last progress report.

2 STATUTORY INFORMATION

- 2.1 Richard Pinder and Sean Williams were appointed as Joint Administrators of the Company in the jurisdiction of the High Court of Justice Business and Property Courts in Leeds - Company & Insolvency List (CHD), number CR-2020-LDS-000293 on 13 March 2020. The Administration appointment was made by the Director. The Joint Administrators can confirm that there has been no change in office-holder since the date of Administration.
- 2.2 The Administration is being handled by the Barlborough office of Leonard Curtis, which is situated at 22 Gander Lane, Barlborough, Chesterfield S43 4PZ.
- 2.3 The principal trading address of the Company was 10 Castle Quay Castle Boulevard, Nottingham NG7 1FW. The business traded under its registered name.
- 2.4 The registered office address of the Company at the date of the appointment of the Joint Administrators was 10 Castle Quay Castle Boulevard, Nottingham, NG7 1FW. Following the appointment, this was changed to 22 Gander Lane, Barlborough, Chesterfield S43 4PZ. The registered number of the Company is 07176401.
- 2.5 For the purposes of paragraph 100(2) of Schedule B1 to the Insolvency Act 1986 (as amended), it should be noted that during the period in which the Administration Order is in force, any act or function required or authorised under any enactment to be done by the Joint Administrators may be exercised by all or any of the persons holding that office.
- 2.6 The Company’s main centre of operations is based in the UK. The EC Regulation on Insolvency Proceedings applies and the proceedings are main proceedings under the Regulation.

3 JOINT ADMINISTRATORS’ PROPOSALS

- 3.1 Attached at Appendix A is a summary of the Joint Administrators’ approved proposals for achieving one of the three statutory purposes of Administration.

- 3.2 The Proposals were approved by the general body of creditors on 21 May 2020.
- 3.3 There have been no major amendments to, or deviations from, the proposals during the course of the Administration to date.
- 3.4 The objective of the Administration is to achieve a better result for the Company's creditors as a whole than would be likely if the Company were to be wound up (without first being in administration).
- 3.5 In the opinion of the Joint Administrators, this objective will be achieved as there will be a dividend available to unsecured creditors within the subsequent liquidation of the Company, which we anticipate would have been at a lower level if the Company had been wound up without first being in administration.
- 3.6 In addition, it is considered that the objective with regards to the realisation of property in order to make a distribution to one or more secured or preferential creditors will also be achieved as there will be sufficient funds to enable a dividend to be made to the preferential creditor.

4 PROGRESS OF THE ADMINISTRATION

- 4.1 Attached at Appendix B is the Joint Administrators' receipts and payments account for the period from 13 September 2020 to 5 March 2021. Cumulative figures have also been provided to reflect transactions for the whole of the Administration period to date.

Cash at Bank

- 4.2 As discussed in our previous reports, the Company operated banking facilities with Lloyds Bank Plc ("Lloyds") and the Royal Bank of Scotland ("RBS"). These accounts were frozen upon appointment and the funds were transferred to the Administration bank account.
- 4.3 Initially the sum of £136,044.15 was transferred to the Administration bank account from RBS with a further sum of £39,450.50 received from the Company's Lloyds account thereafter. It is not anticipated that any further realisations will be made under this category of asset as any further sums that are received into the accounts will relate to the outstanding debtors discussed below.
- 4.4 Total realisations in regard to Cash at Bank is £175,494.65, no further realisations are due under this category of asset.

Debtors and Prepayments

- 4.5 As discussed in our previous reports, on the date of appointment, the Company's records reported outstanding sums due relating to debtors and prepayments totalling £39,438.00.
- 4.6 Upon appointment of the Joint Administrators, the Director advised that the aforementioned balance related in part to the consideration due from the Purchaser, PFP Energy Limited ("PFP"), for the sum of £30,000 plus VAT in accordance with the Sale and Purchase Agreement dated 9 December 2019.
- 4.7 After appointment the Joint Administrators approached the Director for information relating to the sale and it was explained that there were several contra invoices that reduced the amount owed. The Director provided our offices with a reconciliation against the accounts showing that the remaining balance due to the Company is approximately £2,448.06. We have been in contact with PFP in order to realise the outstanding funds however payment is yet to be received despite repeated requests. As PFP have failed to pay the outstanding sum due the Joint Administrators have issued a demand for the funds due. The Joint Administrators will continue to pursue this matter within the subsequent liquidation.

- 4.8 The Director advised that there were a number of prepayments due to the Company from National Grid due to their billing practices on estimated charges for the period November 2019 to March 2020. National Grid have reverted to us providing a proof of debt form within the estate explaining that the prepayments made operate on an 18 month billing system and did not cover the energy used during these periods, as well as their charges, which are continuing to be received under their billing system for the pre-appointment period. To date we continue to receive their revised charges under their billing system. There were therefore no returns to be received in relation to this asset.
- 4.9 The Director also provided a reconciliation of a further debtor, Smart DCC (“DCC”), regarding service user deposits. The total funds owed under the reconciliation was £2,848.51. After discussions with DCC the funds were transferred to the estate and the full amount of £2,848.51 has been received.

Rates Refund

- 4.10 The Joint Administrators have been in discussions with their appointed agents CAPA regarding a potential rates refund due to the estate. As yet they are awaiting additional information from the local authority before they can assess if funds are due to the estate.
- 4.11 Any refund due will be realised in the subsequent liquidation.

Chattel Assets

- 4.12 As discussed in our previous reports, the Company owned a nominal amount of Chattel Assets, which was mostly made up of office equipment.
- 4.13 Our instructed agents, Cerberus Asset Management (“CAM”) provided a breakdown of the potential value of these assets based on an in-situ basis, at approximately £3,700.00, and a forced-sale basis, at approximately £1,080.00.
- 4.14 As discussed in our previous report, one of the Director's, Martin Thomas, offered the sum of £2,000.00 plus VAT to purchase the assets. This offer was recommended to be accepted by CAM and the funds were received into the estate on 24 April 2020.
- 4.15 No further realisations will be due under this category of asset.

Antecedent Transactions - Preference Payments

- 4.16 Our initial investigations into the Company's financial information and activity prior to the Administration showed that a number of transactions were conducted between the Company and two creditors, both providers of credit facilities, being Iwoca Ltd (“Iwoca”) and Funding Circle Limited (“FCL”). The total funds paid by the Company to the lenders was £230,831.41, with an amount of £132,300.60 having been attributed to Iwoca, and the balance of £98,530.81 having been paid to FCL.
- 4.17 Further investigations showed that the Directors had provided personal guarantees in regards to these facilities, and as the transactions were made within the relevant time under Section 241 of the Insolvency Act 1986 (“IA86”) they were classified as a preference payment under Section 239 IA86.
- 4.18 The Joint Administrators instructed Clarion Legal (“Clarion”) to assist in pursuing the Directors for the repayment of these funds into the estate. The Directors disputed that these transactions constituted a preference as per Section 239. Clarion advised that the Joint Administrators could bring an action through the Courts to recover the outstanding sums, but a settlement offer would be preferable as it would remove the risk of Court proceedings. The Directors agreed to negotiate the sum repayable on the basis that they believed that their actions were for the good of the estate by reducing the overall creditors of the Company and avoiding further charges being incurred by Iwoca and FCL.

- 4.19 During discussions with the Directors it was calculated that the value to put the creditors back into the position they would have been if the transaction had never taken place would be approximately £158,138.00, taking into account the full amounts owed to Iwoca and FCL including future charges. This sum was posed to the Directors by Clarion in full and final settlement of this matter.
- 4.20 The Directors returned to Clarion with a counter offer of £100,000.00 on the basis that the funds be received into the estate by 13 November 2020. This offer was accepted on the basis that it will avoid incurring additional significant costs by both the Joint Administrators and their legal representative by pursuing the full outstanding amount which may result in a reduced return to the overall body of creditors.
- 4.21 The full sum of £100,000.00 was received and no further realisations are due under this category of asset.

Solar Panel System

- 4.22 As detailed in our previous report, one of the Directors advised that there is a solar panel system installed at the Company's former trading premises that also holds a feed in tariff. The Joint Administrators have investigated the nature of this feed in tariff and its potential future value so that this asset may be assessed by a qualified agent to ascertain its market value.
- 4.23 The Director made an offer for the purchase of this asset for the sum of £2,750.00 plus VAT. This offer was considered by our appointed agents, CAM, who advised that this offer be accepted.
- 4.24 The sum of £2,750.00 plus VAT was received on 6 November 2020 and no further realisations are due under this category of asset.

Sundry Refunds

- 4.25 During the previous period the Joint Administrators received the sum of £3.94 from Lloyds Bank Plc based on a refund received into the closed account for the Company's previous Microsoft Office subscription.
- 4.26 A further refund of £81.06 has been received during the period from Lloyds Bank Plc. It has been noted that this relates to funds issued to the bank in relation to the feed in tariff from the Solar Panels as detailed in 4.22 to 4.24 above. It is not anticipated that any further refunds are due to the estate.

5 INVESTIGATIONS

- 5.1 Following their appointment, the Joint Administrators considered the information acquired in the course of appraising and realising the business and assets of the Company, together with information provided by the Company's directors and its creditors, to identify any further possible realisations for the estate and what further investigations, if any, might be appropriate.
- 5.2 As discussed in paragraphs 4.16 to 4.21 our investigations have yielded a return to the estate under Section 239 IA86. If any creditor is aware of any particular matters which they consider require investigation, they should please send full details to this office at the address given at the front of this report.
- 5.3 Regardless of the above, the Joint Administrators have complied with their statutory obligations under the Company Directors Disqualification Act 1986 and the appropriate report has been submitted to the relevant authority.

6 JOINT ADMINISTRATORS' REMUNERATION AND DISBURSEMENTS**Pre-Administration Costs**

- 6.1 On 21 May 2020, the general body of creditors consented to the following pre-Administration costs and expenses being paid as an expense of the Administration:

Charged by	Services provided	Total amount charged £	Total amount paid £	Total amount unpaid £
Leonard Curtis	Providing insolvency advice to the Directors and the Company on the available options, attending meetings with the Company's legal advisors and Ofgem and reviewing appointment documentation.	16,224.00	16,224.00	Nil
Clarion	Liaising with the Directors and regulatory authorities to assess the most appropriate Administration process for the Company and other action necessary to comply with the Company's other special regulatory obligations. Drafting and filing the Administration appointment documents and circulating to the necessary parties.	6,975.00	6,975.00	Nil
TOTAL		23,199.00	23,199.00	Nil

These costs have now been paid and are detailed in the receipts and payments account attached at Appendix B.

Joint Administrators' Remuneration

- 6.2 On 21 May 2020, the general body of creditors agreed that the basis of the Joint Administrators' remuneration be fixed by reference to time properly spent by them and their staff in attending to matters arising from the Administration for an amount not exceeding £80,154.00, as set out in a Fees Estimate. On 9 February 2021 the general body of creditors agreed that the basis of the Joint Administrators' remuneration be increased to £139,725.50 as set out in the Revised Fees Estimate.
- 6.3 The Joint Administrators' time costs are summarised below:

	Hours No.	Rate / hr £	Total value of time £
Time previously reported	244.1	377.79	92,219.50
Time incurred in the period of this report	120.0	374.94	44,993.00
Total Administrators' time costs	364.1	376.85	137,212.50

- 6.4 It has been noted that 0.2 hours at a cost of £105.00 was not included in our previous reports total costs, this omission has not prejudiced the interest of the creditors and has been included in this report.
- 6.5 The time charged by the Joint Administrators for the period of this report amounts to £44,993.00. This represents 120.0 hours at an average rate of £374.94 per hour. A summary of time costs incurred in the period is attached at Appendix C. A detailed description of work undertaken attributable to each category of time costs and an explanation of why it was necessary for that work to be performed is also provided at Appendix C.

- 6.6 In addition, a summary of the Joint Administrators' time costs encompassing the whole of the Administration incorporating a comparison with time costs as set out in the Joint Administrators' Revised Fees Estimate, is attached at Appendix D.
- 6.7 You will note that time costs incurred do not exceed the time as set out in the Revised Fees Estimate. As demonstrated at Appendix D, costs attributable to each category of time generally fall within those anticipated.
- 6.8 We estimate that final costs to bring the Administration to a close will be in the region of £3,000.00. This has not been posted during the period of this report and therefore is not included within the summary attached at Appendix D, however, will be incurred in the immediate period following this report until the form converting the Company to liquidation has been filed at Companies House. Any costs that are incurred up to £2,546.00, which have been approved in line with the Revised Fees Estimate, will be drawn in the subsequent liquidation. The balance of time costs incurred will be written off.
- 6.9 Further guidance may be found in "A Creditors' Guide to Administrators' Fees" (Version 4 – April 2017) which may be downloaded from:
- <https://www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/>
- 6.10 If you would prefer this to be sent to you in hard copy please contact James Smith of this office on 01246 385 775.
- 6.11 To date, the remuneration drawn by the Joint Administrators totals £128,654.00 plus VAT.
- 6.12 The balance of the Joint Administrators' fees, estimated to amount to £11,071.50 will be drawn in the subsequent Liquidation in priority to the Liquidators' fees.

Joint Administrators' Statement of Likely Expenses

- 6.13 Creditors will recall that the Joint Administrators have previously circulated a 'Statement of Likely Expenses' in this matter.

Expenses are separated into the following categories:

- (i) Standard Expenses: this category includes expenses payable by virtue of the nature of the Administration process and / or payable in order to comply with legal or regulatory requirements.
- (ii) Case Specific Expenses: this category includes expenses likely to be payable by the Joint Administrators in carrying out their duties in dealing with issues arising in a particular case. Also included within this category are costs that are directly referable to the Administration but are not paid to an independent third party (and which may include an element of allocated costs).

These are known as "Category 2 disbursements" and are subject to the approval of the secured creditors. On 21 May 2020, the general body of creditors also approved that category 2 disbursements could be drawn by the Joint Administrators, as detailed at Appendix G.

- 6.14 A copy of the Joint Administrators' statement of likely expenses, together with comparative details of expenses incurred during the current reporting period and confirmation as to whether those amounts are paid or unpaid is set out at Appendix E.
- 6.15 You will note that, in general, the nature and value of expenses incurred to date fall within those anticipated within the original statement of expenses.
- 6.16 The expenses that have exceeded the original statement of likely expenses issued in the Joint Administrators' Report and Proposals relates to the solicitors costs for the pursuit of the preference payment. As this matter was identified within our initial investigations it was not included within the Report and Proposals issued to creditors at the onset of the Administration.

- 6.17 Since our last report, no additional professional advisors and / or subcontractors have been instructed.
- 6.18 Attached at Appendix G is additional information in relation to the firm's policy on staffing, the use of subcontractors, disbursements and details of our current charge-out rates by staff grade.
- 6.19 Under Rule 18.9 of the Rules, within 21 days of receipt of this report, a secured creditor, or an unsecured creditor with either the concurrence of at least 5% in value of the unsecured creditors (including the creditor in question), or with the permission of the court, may make a written request to the Joint Administrators for further information about remuneration or expenses set out in this report.
- 6.20 Under Rule 18.34 of the Rules, any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the unsecured creditors (including that creditor) or the permission of the court, may apply to the court, on the grounds that the basis fixed for the Joint Administrators' remuneration is inappropriate, or the remuneration or expenses charged by the Joint Administrators are, in all the circumstances, excessive.
- 6.21 The application must be made no later than eight weeks after receipt of the progress report that first reports the fee basis, the charging of the remuneration or the incurring of the expenses in question.
- 6.22 Unless the court orders otherwise, the costs of the application shall be paid by the applicant and are not payable as an expense of the Administration.

7 OUTCOME FOR CREDITORS

Secured Creditors

- 7.1 There are no secured creditors in this instance.

Preferential Claims

- 7.2 The only categories of claims which have preferential status are those of employees in respect of wages and accrued holiday pay and certain pension contributions.
- 7.3 It is understood that all employees other than the director, Martin Thomas, left the Company prior to the Administration. Following the Joint Administrators' appointment, Mr Thomas was made redundant effective from the date of the Administration.
- 7.4 During the period of this report the preferential claims have been calculated at £2,335.78 relating to outstanding holiday pay and arrears of pay. We have received the Redundancy Payments Service ("RPS") subrogated claim in this matter and it has been reviewed by our appointed agents.
- 7.5 Notice of intention to pay a dividend to preferential creditors was issued on 5 March 2021 with a final date for proving of 1 April 2021. The payment of this dividend will be made during the subsequent liquidation.

Prescribed Part

- 7.6 As the Company has no unsatisfied post-Enterprise Act charges, there will be no requirement to set aside a prescribed part in this case.

Unsecured Non-Preferential Claims

- 7.7 Based upon information currently available, it is anticipated that there will be sufficient funds available to allow a dividend to be paid to unsecured creditors. This will be paid by the subsequently appointed Liquidator as liquidation will be the appropriate exit route from the administration process.

7.8 From April 2017, the Joint Administrators have had the discretion to admit claims from creditors with claims under £1,000 without receiving a proof of debt. The Joint Administrators confirm that, to date, no claims have been admitted under the small claims provisions.

7.9 If you have not already done so, please submit details of your claim to my office. A proof of debt form is attached at Appendix H for your ease of use.

8 MATTERS STILL TO BE DEALT WITH

8.1 The following matters are still to be dealt with in the subsequent Liquidation:

- Finalise any asset realisations as detailed in Section 4
- Payment of the preferential dividend to creditors
- Review of the unsecured creditors' claims within the estate
- Payment of the unsecured dividend to creditors
- Defray the final costs of the Liquidation

9 EXTENSIONS TO THE ADMINISTRATION

9.1 The appointment of administrators ordinarily ceases to have effect at the end of the period of one year from the date of their appointment.

9.2 In certain circumstances it may be necessary to extend the administrators' term of office.

9.3 No extensions were required within this Administration.

10 ENDING THE ADMINISTRATION

10.1 The Administration has now been completed. There is likely to be a dividend to unsecured creditors in this case and therefore the appropriate exit route from the Administration is to enter into Creditors' Voluntary Liquidation. Attached at Appendix I is Notice of Move from Administration to Creditors' Voluntary Liquidation. This Notice was sent to Companies House on 5 March 2021. Upon registration of this Notice by Companies House, the appointment of the Joint Administrators ceases to have effect and the appointment of the Joint Liquidators becomes effective as if a winding up resolution had been passed on that date.

10.2 The Proposals provided that the Joint Administrators in office at the date of conversion to CVL will become the Joint Liquidators of the Company unless any other nominations for the role of Liquidator were received following receipt of the Proposals but before they were approved. No such nominations were received in this respect and therefore Sean Williams and I will act as Joint Liquidators.

10.3 The Joint Administrators are discharged from liability in respect of any action(s) of theirs as Joint Administrators immediately upon their appointment ceasing to have effect.

11 DATA PROTECTION

11.1 Finally, when submitting details of your claim in the administration, you may disclose personal data to the Joint Administrators. The processing of personal data is regulated in the UK by the General Data Protection Regulation EU 2016/679 as supplemented by the Data Protection Act 2018, together with other laws which relate to privacy and electronic communications. The Joint Administrators act as Data Controllers in respect of personal data they obtain in relation to this administration and are therefore responsible for complying with Data Protection Law in respect of any personal data they process. The Joint Administrators' privacy notice, which is attached to this report at Appendix

RICHARD PINDER
JOINT ADMINISTRATOR

Richard Pinder and Sean Williams are authorised to act as insolvency practitioners in the UK by the Institute of Chartered Accountants in England and Wales under office holder numbers 19470 and 11270, respectively

The affairs, business and property of the Company are being managed by the Joint Administrators, who act as agents of the Company without personal liability.

SUMMARY OF JOINT ADMINISTRATORS' PROPOSALS

1. The Joint Administrators continue to manage the business, affairs and property of the Company in such a manner as they consider expedient with a view to achieving the statutory purposes of the Administration.
2. If appropriate, the Joint Administrators take any action they consider necessary with a view to the approval of a Company Voluntary Arrangement ("CVA") or Scheme of Arrangement in relation to the Company.
3. If appropriate, the Joint Administrators file a notice with the Registrar of Companies in order that the Administration will cease and the Company will move automatically into Creditors' Voluntary Liquidation ("CVL"). It is further proposed that the Joint Administrators in office at the date of conversion to CVL will become the Joint Liquidators of the Company, and that where Joint Liquidators are proposed any act required or authorised to be done by the Joint Liquidators may be exercised by both or either of them. 4. Alternatively, if appropriate, the Joint Administrators apply to Court under Para 65(3) of Schedule B1 to the Insolvency Act 1986 (as amended) for permission to make a distribution to the unsecured creditors within the Administration.
5. In the event that there are no monies remaining to be distributed to creditors and as soon as all matters relating to the Administration have been completed, the Joint Administrators file a Notice with the Registrar of Companies that the Company should be dissolved.

DESCRIPTION OF TIME SPENT BY CATEGORY

Statutory and Review

This category of activity encompasses work undertaken for both statutory and case management purposes. Whilst this work will not directly result in any monetary value for creditors, it ensures that the case is managed efficiently and resourced appropriately, which is of benefit to all creditors. The work that was carried out under this category has comprised of the following:

- Case management reviews. These were carried out periodically throughout the life of the case. A full review was undertaken by the firm's Compliance team to ensure that all statutory and best practice matters have been dealt with appropriately. As the case progressed we as a minimum carried out three monthly and six monthly reviews to ensure that the case was progressing as planned;
- Review of time costs data to ensure accurate posting of time and to ensure compliance with Statement of Insolvency Practice 9; and
- Completion of case conversion procedures at the end of the administration.

Receipts and Payments

This category of work will not result in a direct financial benefit for creditors. However, close monitoring of case bank accounts is essential to ensure that bank interest is maximised where possible, estate expenses are properly managed and kept to a minimum and amounts payable to creditors are identified and distributed promptly.

- Management of case bank account(s) to ensure compliance with relevant risk management procedures;
- Regular review of case bank account by senior member of staff to ensure that fixed and floating charge assets have been properly identified;
- Regular review of the Estimated Outcome Statement to ensure case is progressing as required;
- Timely completion of all post appointment tax and VAT returns; and
- Managing estate expenses.

Insurance, Bonding and Pensions

Insolvency Practitioners are obliged to comply with certain statutory requirements when conducting their cases. Some of these requirements are in place to protect company assets (see bonding matters below), whilst requirements in respect of company pension schemes are there to protect the pension funds of Company employees. Whilst there is no direct financial benefit to Company creditors in dealing with these, close control of case expenditure is crucial to delivering maximum returns to the appropriate class of creditor.

- Periodic review of bonding requirements to ensure that creditors are appropriately protected. The bond is reviewed upon each large receipt of monies into the case and also at three month intervals in accordance with best practice; and
- Liaising with pension agents regarding pension schemes

Assets

- Meetings and discussions with appointed solicitors in relation to pursuing preference payment from directors;
- Reviewing settlement offers provided for antecedent transaction;
- Discussions with appointed agents regarding potential rates refunds due to the estate;
- Discussing sale of solar panels with appointed agents to verify that offer received is for market value;
- Discussions with purchaser of solar panel system; and

- Chasing debtors on outstanding sum due.

Liabilities

This category of time includes both statutory and non-statutory matters.

Statutory

- Processing of claims from the Company's creditors
- Processing of claims from the Company's employees with appointed ERA agents UKELC;
- Preparation and submission of both the first and the final periodic progress reports to creditors; and
- Preparation of the Joint Administrators' fee increase report to creditors.

Non-statutory

- Dealing with enquiries from the Company's creditors including discussions with creditors in relation to their billing schemes

General Administration

- Maintaining the Joint Administrators' records; and
- Dealing with general correspondence and communicating with directors and shareholders.

Post Appointment Creditors' Meetings

- Preparation of Revised Fees Estimate and Statement of Expenses in accordance with Insolvency (Amendment) Rules 2015;
- Convening a decision procedure by correspondence to agree Revised Fees Estimate with appropriate body of creditors; and
- Reporting on outcome of voting.

Planning and Strategy

- Review of potential conversion of case to Creditors' Voluntary Liquidation.

LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

6 Jan 2014 onwards	Standard	Complex	1 Aug 2019 onwards	Standard	Complex
	£	£		£	£
Director	450	562	Director	525	656
Senior Manager	410	512	Senior Manager	445	556
Manager 1	365	456	Manager 1	395	494
Manager 2	320	400	Manager 2	345	431
Administrator 1	260	325	Administrator 1	280	350
Administrator 2	230	287	Administrator 2	250	313
Administrator 3	210	262	Administrator 3	230	288
Administrator 4	150	187	Administrator 4	165	206
Support	0	0	Support	0	0

Office holders' remuneration may include costs incurred by the firm's in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

- a) Standard Expenses – this category includes expenses which are payable in order to comply with legal or regulatory requirements and therefore will generally be incurred on every case. They will include:

- a) Category 1 disbursements: These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, external room hire, storage, postage, telephone charges, travel expenses (excl. mileage), and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements may be drawn without prior approval.
- b) Category 2 disbursements: These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. In the event of charging for category 2 disbursements the following items of expenditure are recharged on this basis and are believed to be in line with the cost of external provision:
