A & M INTERIOR PROJECTS LIMITED NOTES TO THE ABBREVIATED ACCOUNTS YEAR ENDED 31ST MARCH 2013

1. Accounting Policies

a) Convention

The accounts have been prepared in accordance with the historical cost convention. The principal accounting policies which the Directors have adopted within that convention are set out below.

b) Taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for accounting and taxation purposes. However, no provision is made for taxation deferred by reliefs where there is reasonable evidence that no liability will arise in the foreseeable future. In assessing the likelihood of continuing deferment the Directors have regard for past investment levels and the extent to which tax allowances will be available on expected future capital expenditure.

c) Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost of each asset over its expected useful life as follows -

Motor Vehicles

25% Reducing Balance

Tools and Equipment - 15% Reducing Balance
