1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared on a going concern basis. The company has net liabilities; however the directors, having made appropriate enquiries, and with the continued support of the shareholders the directors believe the company has the ability to meet its liabilities as they fall due. For this reason the accounts have been prepared on a going concern basis.

Turnover policy

Turnover represents amounts chargeable in respect of the sale of goods and services to customers.

Tangible assets depreciation policy

Depreciation is charged across the expected economic life of the assets with reference to the residual values
