SECTION B: Community Interest Statement – Activities & Related Benefit

Please indicate how it is proposed that the company's activities will benefit the community, or a section of the community. Please provide as much detail as possible to enable the CIC Regulator to make an informed decision about whether your proposed company is eligible to become a community interest company. It would be useful if you were to explain how you think your company will be different from a commercial company providing similar services or products for individual or personal gain.

Activities (Tell us here what the company is being set up to do)	How will the activity benefit the community? (The community will benefit by)
General Provide consultancy and training support to a range of voluntary, community and public organisations, focused on improving and/or establishing communications and working relationships between more institutional public benefit organisations, and the less-formal communities they serve, across the country	Through greater mutual understanding, between small community organisations and larger public and voluntary sector support providers, of the ways the other works, the effectiveness of local services will be improved, and there will be greater opportunity for people from local areas to influence the decisions which affect their lives Mutual capacity building will help ensure that misunderstanding and conflict, based-on different (more, or less formal) methods of working, can be prevented in the future
Developing outreach and engagement strategies with larger organisational clients, looking at how they might connect with and involve a wider range of beneficiaries, in more meaningful ways	Larger client organisations will be more effective at connecting their services with the people and communities who are most in need of them, rather than primarily reaching those who are already accessing them.
If the company makes any surplus it will be used for. We aim to generate surpluses from trading with larger public and voluntary organisations With minimal overheads, most costs beyond staff salaries will be reinvested in subsidising the delivery of pro-bono services to small community organisations (usually under £500,000 annual turnover)

Please provide as much detail as possible to enable the Regulator to make a properly informed decision about whether your company is eligible to be a community interest company. We would find it useful if you brought out how you think your company will be different from a commercial company providing similar services or products for individual, personal gain.

Delivering capacity building support for organisations looking to improve the effectiveness of their (non party-political) advocacy strategies, to understand how to effectively involve people and raise their concerns with the decision-makers relevant to their communities	Smaller clients will a) increase their chances of getting their issues raised with relevant decision makers, and b) develop a better understanding of how decisions which affect their community are made, and the steps required to affect them independently themselves, in the future

Activities (Tell us here what the company is being set up to do)	How will the activity benefit the community? <i>(The community will benefit by)</i>
Joint-fundraising support for smaller clients, working to understand how to write for a particular audience, in order to improve the chances of attracting investment in their work	Smaller clients will a) increase their chances of securing necessary funding to deliver their programmes, and b) develop a better understanding of the steps needed to secure future funding, unassisted

(b) the transfer of assets made for the benefit of the community other than by way of a transfer of assets into an asset-locked body

3 3 The conditions are that the transfer of assets must comply with any restrictions on the transfer of assets for less than full consideration which may be set out elsewhere in the memorandum and Articles of the Company

3 4 If

3 6 Name

3 7 Registered Office

4. Not for profit

4.1 The Company is not established or conducted for private gain any profits or assets are used principally for the benefit of the community

OBJECTS, POWERS AND LIMITATION OF LIABILITY

5. Objects

The objects of the Company are to carry on activities which benefit the community and in particular (without limitation) to establish, expand and improve working relationships between larger voluntary or public service delivery institutions, and small community organisations within England, to the mutual benefit of all parties

The Company aims to do so through the delivery of a range of related services These services may include

- Support for understanding and influencing local/ national public institutions
- Development and delivery of training or broader learning courses
- Fundraising support

Services delivered to larger client organisations (public or voluntary, with an annual turn-over of greater than £500,000, in most situations) will be charged at market consultancy rates (determined and adapted by a majority vote of the Directors)

A fixed day-rate (again, determined and adapted by a majority vote of the Directors) will be paid to each member involved in delivery of each piece of work for a client

The remaining surpluses will be held by the Company, first to cover any outstanding organisational overhead expenses (such as premises or stationary), and secondarily, to be re-invested to pay members, at the same pre-determined day-rate, to provide services for community groups deemed unable to pay for them (generally with annual turnover of less than £500,000)

There will be some flexibility about the rates clients are charged, based on their annual turnover and their level of need (as determined by the Directors)

The Company may also apply to receive grant funding to carry-out particular projects

6. Powers

6.1 To further its objects the Company may do all such lawful things as may further the Company's objects and, in particular, but, without limitation, may borrow or raise and secure the payment of money for any purpose including for the purposes of investment or of raising funds

7. Liability of members

The liability of each member is limited to £1, being the amount that each member undertakes to contribute to the assets of the Company in the event of its being wound up while he or she is a member or within one year after he or she ceases to be a member, for

19 4 When a Director has a Conflict of Interest which he or she has declared to the Directors, he or she shall not be in breach of his or her duties to the Company by withholding confidential information from the Company if to disclose it would result in a breach of any other duty or obligation of confidence owed by him or her
