Dear Sirs

ABBY RECRUITMENT AND TRAINING LIMITED ("THE COMPANY") - IN LIQUIDATION

Further to my appointment as Liquidator on 17 July 2012, I report on the progress of the Liquidation for the period 17 July 2015 to 16 July 2016 ("the period") in accordance with the Insolvency Rules 1986.

I attach: -

- Appendix A – Statutory Information.
- Appendix B – Receipts and Payments Account.
- Appendix C – Schedule of Work.
- Appendix D – Details of my firm's time costs and disbursements including charge out rates.
- Appendix E – Statement of Expenses.

1. Receipts and Payments

I attach, at Appendix B, my Receipts and Payments Account detailing both transactions for the period, and also since my appointment as Liquidator.

Receipts

Goodwill, Plant & Machinery and Fixtures & Fittings

As previously reported, goodwill was purchased by a connected company, Abby Recruitment Limited ("ARL"), prior to the Company entering Liquidation. It is now understood that the sale also included certain plant & machinery and fixtures & fittings. The sale was, therefore, subsequently reviewed by independent chattel agents, ITC Valuers (South East) Ltd ("ITC"), who confirmed that the consideration paid was fair and reasonable.

Book Debts

As previously reported, Gener8 Finance Ltd ("G8") collected the book debts, subject to their invoice discounting facility, with surplus funds of c. £4,562 recovered for the Liquidation estate. No further recoveries are expected.

Director's Loan Account

In my last report, I advised that a full and final settlement of £10,000 had been agreed with the director, Mr Harris, in respect of his Director's Loan Account of c. £38,237. Following discussions with Mr Harris last year, repayments were increased from £270 to £400 pm with the balance to be settled by the beginning of October 2016.

During the period we have received £4,750 from the director, bringing total repayments to £8,800.

Bank Interest

The only other receipt during the period was c. £4 in respect of gross bank interest

Receipts for the period therefore totalled c. £4,754.

Payments

Office Holders' Fees & Disbursements

Joint Liquidators' fees of £5,000 were paid in the period, as detailed in section 6 of this report.

No disbursements have been paid in the period

Total payments during the period were therefore £5,000, leaving a balance in hand of c. £2,994, including VAT recoverable of £1,000.

2. Progress of the Liquidation

I also attach, at Appendix C, a Schedule of Work undertaken during the Liquidation, together with a summary of work still to be completed.

3. Investigations

Part of my duties included carrying out proportionate investigations into what assets the Company had, including any potential claims against directors or other parties, and what recoveries could be made. I have reviewed the Company's books and records and accounting information, requested further information from the directors, and invited creditors to provide information on any concerns they had concerning the way in which the Company's business has been conducted.

I previously confirmed that having considered the information no further investigations or actions were required and that I had discharged my duties, by submitting my report to the Department for Business, Innovation and Skills.

4. Dividend to Creditors

Secured Creditors

As notified in my last report, the liability to the secured creditor, Gener8 Finance Ltd, was discharged in full under its fixed charge from the realisation of book debts.

Preferential Creditors

No preferential claims in respect of arrears of wages and holiday pay were expected to arise at the date of Liquidation, as all employees were transferred to ARL in accordance with The Transfer of Undertakings (Protection of Employment) Regulations 2006 I confirm that no such claims have been received or are expected.

Unsecured Creditors

I have received claims totalling c £80,227 from unsecured creditors who have proved their debts in these proceedings

Pursuant to Rule 11.7 of the Insolvency Rules 1986, there is no prospect of any dividend being declared or paid to this class of creditor as the funds realised were distributed, used or allocated for defraying the costs of the Liquidation

5. Prescribed Part

In accordance with the Enterprise Act 2002, the prescribed part is an element of net realisations due to the floating charge holder which is made available for unsecured creditors (subject to the floating charge post-dating 15 September 2003).

In this circumstance, the prescribed part does not apply as G8 was paid in full under its fixed charge.

6. Liquidator's Remuneration, Disbursements and Expenses

Turning to my own costs in this matter, my remuneration as Liquidator is based on computerised records of all time spent on the administration of this case. Matters dealt with during the assignment are dealt with by different members of staff depending on the level of complexity and experience required. Time is charged to the case in maximum of 6 minute units. Charge-out rates are based on individual expertise, qualification and grade. The costs of the firm's support staff are not directly charged to the estate unless dealing with directly identifiable case specific matters. Charge out rates are reviewed at least annually, details of FRP Advisory LLP charge out rates together with a breakdown of the time costs and disbursements incurred during the period of this report and cumulatively, in accordance with Statement of Insolvency Practice 9 are attached at Appendix D.

At the creditors meeting held on 17 July 2012, I was authorised to draw fees on a time cost basis. During the period I have drawn fees of £5,000 plus VAT. The Liquidators' remuneration to date totals c. £9,237 plus VAT.

The Liquidators' disbursements are a recharge of actual costs incurred by the Liquidators on behalf of the Company. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the period of this report are attached at Appendix D.

I attach, at Appendix E, a Statement of Expenses that have been incurred during the period.

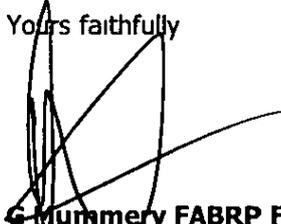

Creditors have a right to request further information from the Liquidator and further have a right to challenge the Liquidator's remuneration and other expenses which are first disclosed in this report, under the Insolvency Rules 1986 (For ease of reference these are the expenses incurred in the reporting period as set out in Appendix D only). Further details of these rights can be found in the Creditors' Guide to Fees which you can access using the following link <http://creditors.frapadvisory.com/feesguide.htm> and selecting the one for Liquidations. Alternatively, a hard copy of the relevant guide will be sent to you on request. Please note there is a time limit for requesting information being 21 days following the receipt of this progress report. There is a time limit of 8 weeks following the receipt of this report for a Court application that the remuneration or expenses are excessive.

7. Other matters

Following receipt of the final repayment in respect of Mr Harris' Director's Loan Account, steps will be taken to conclude the Liquidation

If you have any queries about this report or the progress of the Liquidation, please do not hesitate to contact Jack Druce of this office

Yours faithfully
