#### **FOR THE YEAR ENDED 30<sup>th</sup> SEPTEMBER 2014**

##### **1. ACCOUNTING POLICIES**

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the following statements.

##### **Accounting Conventions**

The financial statements have been prepared under the historical cost accounting rules and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) (FRSSE).

##### **Turnover**

Turnover attributable to licence fees is taken to the profit and loss account over the term of the respective licence, all other turnover is recognised on invoicing and is recognised net of value added tax and trade discounts. In the period to 30<sup>th</sup> September 2014 29.46% (2013 – 34.38%) of the company's turnover was to markets outside the United Kingdom.

##### **Research and Development**

Ongoing software development costs incurred within the company are not capitalised but are transferred to the profit and loss account as incurred.

##### **Fixed Assets and Depreciation**

Depreciation is provided by the company to write off the cost or valuation less the estimated residual value of its tangible fixed assets over their expected useful economic lives, as follows:

Plant and Machinery	25% Reducing Balance
---------------------	----------------------

##### **Leasing**

Rentals payable under operating leases are charged against income on a straight line basis over the term of the lease.

##### **Foreign Currency Translation**

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the profit and loss account.
