#### Notes to the Abbreviated Accounts

For the year ending 28 February 2014

### Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standards for Small Entities (effective April 2008)

#### **Tangible Assets**

Fixed assets are shown at historical cost. Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life.

#### **Taxation**

Corporation tax payable is provided on taxable profits at the current rates. Provision is made for deferred taxation in so far as a liability or asset has arisen as a result of transactions that had occurred by the balance sheet date and have given rise to an obligation to pay more tax in the future, or the right to pay less tax in the future. An asset has not been recognised to the extent that the transfer of economic benefits in the future is uncertain. Deferred tax assets and liabilities recognised have not been discounted.

#### Turnover

Turnover represents the invoiced value of goods and services supplied by the company, net of value added tax and trade discounts.

### Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.
