NOTES TO THE ABBREVIATED ACCOUNTS for the Year Ended 31 July 2013

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Deferred tax

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation. A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax assets and liabilities are calculated at tax rates expected to be effective at the time the differences are expected to reverse. Deferred tax assets and liabilities are not discounted.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Going concern

The directors have prepared the financial statements on a going concern basis as they have reviewed the cash flow forecasts and working capital requirements of the company for the next 12 months. The directors are confident that the company will be able to meet its liabilities as they fall due for the foreseeable future.
