| Prescribed particulars | <p>3 On a Liquidation Event, the rights attaching to the Series A Preferred Shares are subject to the rights attaching to the Series C Preferred Shares, equal to the rights of the holders of the Series B Preferred Shares and take priority over the rights of the holders of the Ordinary Shares.</p> <p>4. Each Series A Preferred Share shall be convertible, at the option of the holder thereof, at any time after the date of issue of such share by service of written notice on the Company, into that number of fully paid Ordinary Shares determined by dividing the Original Purchase Price by the Conversion Price. (The number of Ordinary Shares into which each Series A Preferred Share may be converted is hereinafter referred to as the "Conversion Rate".) Upon any decrease or increase in the Conversion Price, as described below, the Conversion Rate for such shares shall be appropriately adjusted</p> <p>5 Each Series A Preferred Share shall automatically be converted into fully paid Ordinary Shares at the then effective Conversion Rate for such share:</p> <ul style="list-style-type: none"> <li>(i) Immediately prior to completion of a Qualified IPO of the Company; or</li> <li>(ii) Immediately prior to the completion of a Liquidation Event and upon the receipt by the Company of a written request for such conversion from the holders of a majority of the Preferred Shares then in issue.</li> </ul> <p>6. In the event that the Company issues Additional Ordinary Shares (including Additional Ordinary Shares deemed to be issued as set out at paragraph 7 below) without consideration or for a consideration per share less than the Conversion Price in effect on the date of and immediately prior to such issue, then, the Conversion Price shall be reduced, concurrently with such issue, to a price (calculated to the nearest £0.0001) determined by multiplying the Conversion Price by a fraction, the numerator of which shall be the number of Ordinary Shares in issue immediately prior to such issue plus the number of Ordinary Shares for which the aggregate consideration received by the Company for the total number of Additional Ordinary Shares so issued would subscribe at such Conversion Price, and the denominator of which shall be the number of Ordinary Shares in issue immediately prior to such issue plus the number of such Additional Ordinary Shares so issued. Notwithstanding the foregoing, the Conversion Price shall not be reduced at such time if the amount of such reduction would be less than £0.01, but any such amount shall be carried forward, and a reduction will be made with respect to such amount at the time of, and together with, any subsequent reduction which, together with such amount and any other amounts so carried forward, equal £0.01 or more in the aggregate.
