That Chargor shall immediately on request by the Security Agent pay the costs and expenses of the Security Agent or its agents and contractors incurred in connection with any action taken by it under this Clause 10.6.

10.7 Existing Real Property

In the case of a Chargor's existing Real Property in England and Wales, it shall:

In the case of any Real Property which is leasehold in relation to which all or part of the foregoing obligations have not been performed on or after the date of this Debenture for any other reason, upon the request of the Security Agent the relevant Chargor shall carry out each of the foregoing obligations. The Chargor expressly acknowledges and agrees that any prior consent and/or waiver provided by the Security Agent in respect of the foregoing obligations which is withdrawn (in the Security Agent's sole discretion) or has expired, an election not to exercise or failure by the Security Agent to exercise, or a delay in exercising, its rights to cause the Chargor to perform the foregoing obligations, shall not in any way prejudice the requirement for the Chargor to comply with the foregoing obligations or any future exercise of such rights by the Security Agent.

10.8 Unregistered Real Property

In the case of a Chargor's Real Property in England and Wales, both present and future which is not registered at HM Land Registry and is not required to be so registered, that Chargor will promptly apply to register this Debenture and the Security at the Land Charges Department.

- (d) if applicable, ensure that the Security created by this Debenture is correctly noted in the Register of Title against that title at HM Land Registry (and the Chargor hereby consents to any application that the Security Agent may require to be made to HM Land Registry against the relevant title at HM Land Registry for the protection of the Security constituted by this Debenture), or, if applicable, in accordance with Clause 10.8 (*Unregistered Real Property*).

In the case of any Real Property which is leasehold in relation to which the consent of the landlord is required in order for the Chargor to perform any of the foregoing obligations, the Chargor shall use reasonable endeavours to obtain such consent promptly and shall notify the Security Agent in writing upon receipt of such consent.

In the case of any Real Property which is leasehold in relation to which all or part of the foregoing obligations have not been performed on or after the date of this Debenture for any other reason, upon the request of the Security Agent the relevant Chargor shall carry out each of the foregoing obligations. The Chargor expressly acknowledges and agrees that any prior consent and/or waiver provided by the Security Agent in respect of the foregoing obligations which is withdrawn (in the Security Agent's sole discretion) or has expired, an election not to exercise or failure by the Security Agent to exercise, or a delay in exercising, its rights to cause the Chargor to perform the foregoing obligations, shall not in any way prejudice the requirement for the Chargor to comply with the foregoing obligations or any future exercise of such rights by the Security Agent.

- (b) The obligation on the part of the Security Agent to make further advances to the Chargor is deemed to be incorporated in this Debenture and the Chargor will apply or consent to the Security Agent applying by way of Form CH2 to the Chief Land Registrar for a note of such obligation to be entered on the Register of Title relating to any Real Property registered at HM Land Registry.

- (b) Whether or not the title to the Real Property is registered at HM Land Registry, in the event that any caution against first registration or any notice (whether agreed or unilateral) is registered against the title to all or any part of the Real Property, the Chargor shall immediately provide the Security Agent with full particulars of the circumstances relating to such registration of notice and if such notice or caution shall have been registered in order to protect a purported interest, the creation of which is not permitted under this Debenture or the Finance Documents, the Chargor shall

immediately and at the Chargor's expense take such steps as the Security Agent may require to ensure that the caution or notice (as applicable) is withdrawn or cancelled.

10.15 Compensation Monies

Each Chargor shall hold on trust for the benefit of the Security Agent (and each Chargor hereby declares itself as a trustee accordingly) the amount of any statutory or other compensation (including the proceeds of any defective title, restrictive covenant or other indemnity policy or covenant relating to its Real Property) arising for its benefit from interference with the use and/or enjoyment of its Real Property or the curtailment of any easement, right or benefit relating thereto and all other compensation monies from time to time received by it in respect of its Real Property and (without prejudice to any rights, debts, claims and/or obligations having priority to the obligations imposed by this Debenture), apply the same in accordance with the terms of or as contemplated by the Intercreditor Agreement.

- (b) If the relevant Investments have been registered in the name of the Security Agent or its nominee, the Security Agent (or that nominee) must exercise the voting rights, powers and other rights in respect of the Investments in any manner which the relevant Chargor may direct in writing. The Security Agent (or that nominee) will execute any form of proxy or other document which the relevant Chargor may reasonably require for this purpose.
- (c) Until the occurrence of a Declared Default, all dividends or other income or distributions paid or payable in relation to any Investments must be paid to the relevant Chargor. To achieve this:

- (i) the Security Agent or its nominee will promptly execute any dividend mandate necessary to ensure that payment is made direct to the relevant Chargor; or
 - (ii) if payment is made directly to the Security Agent (or its nominee) before a Declared Default, the Security Agent (or that nominee) will promptly pay that amount to the relevant Chargor.
- (d) Until the occurrence of a Declared Default, the Security Agent shall use its reasonable endeavours to promptly forward to the relevant Chargor all material notices, correspondence and/or other communication it receives in relation to the Investments.

Neither the Security Agent nor any Receiver will be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any such delegate or sub-delegate. 22. Power of Attorney

22.1 Appointment

Each Chargor, by way of security, irrevocably and severally, appoints the Security Agent, each Receiver and each of their respective delegates and sub-delegates to be its attorney (with full power of substitution) to take any action which that Chargor is obliged to take under this Debenture (including under Clause 8 (*Further Assurances*)) but has failed to do so for three Business Days following notification by the Security Agent of the relevant failure to comply, or the Chargor becoming aware of its failure to comply.

22.2 Ratification

Each Chargor ratifies and confirms whatever any attorney does or purports to do under its appointment under this Clause 22.

23. Preservation of Security

23.1 Continuing Security

The Security created by this Debenture is continuing security and will extend to the ultimate balance of the Secured Obligations, regardless of any intermediate payment or discharge in whole or in part.

23.2 Immediate Recourse

Each Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other right or security or claim payment from any person or file any proof or claim in any insolvency, administration, winding-up or liquidation proceedings relative to any other Obligor or any other person before claiming from that Chargor under this Debenture. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

23.3 Waiver of Defences

Each Chargor shall be deemed to be a principal debtor, and not only a surety. The obligations of each Chargor under this Debenture shall not be affected by any act, omission or thing which, but for this provision, would reduce, release or prejudice any of its obligations under this Debenture (whether or not known to it or any Secured Party). This includes:

- (a) any time or waiver granted to, or composition with, any person;
- (b) any release of any person under the terms of any composition or arrangement;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person;
- (d) any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (f) any amendment of a Finance Document or any other document or security;
- (g) any unenforceability, illegality, invalidity or non-provability of any obligation of any person under any Finance Document or any other document or security or the failure by any member of the Group to enter into or be bound by any Finance Document; or
- (h) any insolvency or similar proceedings.

23.4 Appropriations

Until all amounts which may be or become payable by a Chargor under or in connection with the Finance Documents have been irrevocably paid in full, each Secured Party (or any trustee or agent on its behalf) may without affecting the liability of any Chargor under this Debenture:

- (a)
 - (i) refrain from applying or enforcing any other monies, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) against those amounts; or
 - (ii) apply and enforce them in such manner and order as it sees fit (whether against those amounts or otherwise); and
- (b) hold in an interest-bearing suspense account any moneys received from any Chargor or on account of that Chargor's liability under this Debenture.

23.5 Non-Competition

Unless:

- (a) the Security Agent is satisfied that all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full; or
- (b) the Security Agent otherwise directs,

no Chargor will, after a claim has been made or by virtue of any payment or performance by it under this Debenture:

- (i) be subrogated to any rights, security or monies held, received or receivable by any Secured Party (or any trustee or agent on its behalf);
- (ii) be entitled to any right of contribution or indemnity in respect of any payment made or monies received on account of that Chargor's liability under this Debenture;
- (iii) claim, rank, prove or vote as a creditor of any Obligor or its estate in competition with any Secured Party (or any trustee or agent on its behalf); or
- (iv) receive, claim or have the benefit of any payment, distribution or security from or on account of any Obligor, or exercise any right of set-off as against any Obligor.

Each Chargor shall hold in trust for and shall immediately pay or transfer to the Security Agent for the Secured Party any payment or distribution or benefit of security received by it contrary to this Clause or in accordance with any directions given by the Security Agent under this Clause.

23.6 Release of Chargor's Right of Contribution

If any Chargor ceases to be a Chargor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Chargor:

- (a) that Chargor will be released by each other Chargor from any liability whatsoever to make a contribution to any other Chargor arising by reason of the performance by any other Chargor of its obligations under the Finance Documents; and
- (b) each other Chargor will waive any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any right of any Secured Party under any Finance Document or of any other security taken under, or in connection with, any Finance Document where the rights or security are granted by or in relation to the aspects of the retiring Chargor.

23.7 Additional Security

- (a) This Debenture is in addition to and is not in any way prejudiced by any other security or guarantees now or subsequently held by any Secured Party.
- (b) No other security held by any Secured Party (in its capacity as such or otherwise) or right of set-off over any Security Asset shall merge into or otherwise prejudice the Security created by this Debenture or right of set-off contained herein.

23.8 Limitations

The obligations of any Additional Chargor are subject to the limitations (if any) set out in the Deed of Accession executed by that Additional Chargor.

23.9 Security held by Chargor

No Chargor may, without the prior consent of the Security Agent, hold any security from any other Obligor in respect of that Chargor's liability under this Debenture. Each Chargor shall hold any security held by it in breach of this provision on trust for the Security Agent.

24. Release of Security

24.1 Final Redemption

If the Security Agent is satisfied that all the Secured Obligations have been irrevocably paid in full and that the Secured Parties have no actual or contingent obligation under the Facilities Agreement, the Security Agent shall at the request and cost of a Chargor release, reassign or discharge (as appropriate) the Security Assets from the Security.

24.2 Avoidance of Payments

If the Security Agent (acting reasonably) considers that any amounts paid or credited to any Secured Party is capable of being avoided, reduced or otherwise set aside as a result of insolvency or any similar event, the liability of the Chargor under this Debenture and the

Security constituted by this Debenture shall continue as if the avoidance, reduction or setting-aside had not occurred.

25. Enforcement Expenses

25.1 Expenses and Indemnity

Each Chargor must:

- (a) immediately on demand pay all costs and expenses (including legal fees) incurred in connection with this Debenture by any Secured Party, Receiver, attorney, manager, agent or other person appointed by the Security Agent under this Debenture, including any costs and expenses arising from any actual or alleged breach by any person of any law or regulation, whether relating to the environment or otherwise; and
- (b) keep each of those persons indemnified against any failure or delay in paying those costs and expenses.

25.2 Stamp Tax and VAT

Clauses 16.6 (*Stamp taxes*) and 16.7 (*VAT*) of the Facilities Agreement shall apply *mutatis mutandis* to any amount payable under a Finance Document to any Secured Party or Receiver or attorney, manager, agent or other person appointed by the Security Agent under this Debenture.

25.3 Indemnity

Each Chargor shall indemnify and hold harmless the Security Agent and any and every Receiver, attorney, manager, agent or other person appointed by the Security Agent under this Debenture (each, an “**Indemnified Person**”) on demand from and against any and all costs, claims, losses, expenses (including legal fees) and liabilities, and any VAT thereon, which the Security Agent, each Receiver or such Indemnified Person may incur:

- (a) as a result of:
 - (i) the occurrence of any Default;
 - (ii) the enforcement of the Security;
 - (iii) the exercise or enforcement by the Security Agent or a Receiver or any Indemnified Person of any of the rights conferred on it or them by this Debenture or by law; or
- (b) otherwise in connection with this Debenture, including, without limitation to the foregoing as a result of, any actual or alleged breach by any person of any law or regulation whether relating to the environment or otherwise.

Each Receiver and Indemnified Person may rely on and enforce this indemnity.

26. Miscellaneous

26.1 Tacking

Each Secured Party shall comply with its obligations under the Finance Documents (including the obligation to make further advances).

26.2 New Accounts

- (a) If any subsequent charge or other interest affects any Security Asset, any Secured Party may open a new account with any Obligor.
- (b) If a Secured Party does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.
- (c) As from that time all payments made to that Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any Secured Obligations.

26.3 Time Deposits

Without prejudice to any right of set-off any Secured Party may have under any secured Finance Document or otherwise, if any time deposit matures on any account a Chargor has with any Secured Party within the Security Period:

- (a) after the occurrence of a Declared Default; and
- (b) when none of the Secured Obligations is due and payable,

that time deposit will automatically be renewed for any further maturity which that Secured Party in its absolute discretion considers appropriate unless that Secured Party otherwise agrees in writing.

26.4 Notice of Assignment

This Debenture constitutes notice in writing to each Chargor of any Security in respect of a debt owed by that Chargor to any other member of the Group and contained in any other Transaction Security Document.

26.5 Covenants

Any covenant of a Chargor under this Debenture remains in force during the Security Period and is given for the benefit of each Secured Party.

26.6 Security Assets

The fact that no or incomplete details of any Security Asset are inserted in Schedule 2 (*Security Assets*) or in the schedule of any Deed of Accession (if any) by which any Chargor became a party to this Debenture does not affect the validity or enforceability of the Security created by this Debenture.

26.7 Determination

Any certificate or determination by any Secured Party or any Receiver under any Finance Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

27. Counterparts

This Debenture may be executed in any number of counterparts and all of those counterparts taken together shall be deemed to constitute one and the same instrument. Without limiting the foregoing, if the signatures on behalf of one party are on different counterparts, this shall be taken to be, and have the same effect as, signatures on the same counterpart and on a single copy of this agreement.

28. Governing Law

This Debenture and any non-contractual obligations arising out of or in connection with it are governed by English law.

29. Enforcement

29.1 Jurisdiction of English Courts

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Debenture (including a dispute regarding the existence, validity or termination of this Debenture or any non-contractual obligations arising out of or in connection with this Debenture) (a “Dispute”) (whether arising in contract, tort or otherwise).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This Clause 29.1 is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.

29.2 Service of Process

- (a) Without prejudice to any other mode of service allowed under any relevant law, each Chargor (other than a Chargor incorporated in England and Wales):
 - (i) irrevocably appoints the Parent as its agent for service of process in relation to any proceedings before the English courts in connection with any Finance Document (and the Parent by its execution of this Debenture, accepts that appointment); and

- (ii) agrees that failure by an agent for service of process to notify the relevant Chargor of the process will not invalidate the proceedings concerned.
- (b) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Parent (on behalf of all the Chargors) must immediately (and in any event within five days of such event taking place) appoint another agent on terms acceptable to the Security Agent. Failing this, the Security Agent may appoint another agent for this purpose.
- (c) Each of the Chargors expressly agrees and consents to the provisions of this Clause 29 and Clause 28 (*Governing Law*).

This Debenture has been executed and delivered as a deed on the date stated at the beginning of this Debenture.
