Appendix 4 – Breakdown of the Liquidator's time costs for the period of this report

Appendix 5 – Breakdown of the Liquidator's time costs for the entire period of the liquidation.

1. Introduction

The purpose of this report is to detail the acts and dealings of the Liquidator and it should be read in conjunction with previous reports to creditors.

I was appointed Liquidator of the Company on 6 August 2020.

Since 1 January 2021, I have been licensed to act as an Insolvency Practitioner in the UK by the Institute of Chartered Accountants in England and Wales and prior to that date I was licensed by the Insolvency Practitioners Association. I can confirm that there has been no change in office-holder since the date of the liquidation.

Statutory information regarding the Company is provided at Appendix 1.

2. Progress

Administration

A summary of the Liquidator's administrative duties are detailed at Appendix 2 of this report. These actions contribute to the efficient running of the estate and are required by statute and regulation. There is no direct financial benefit for creditors.

Assets

Actions taken in relation to assets may have a direct financial benefit for creditors by way of a distribution to creditors after settlement of properly incurred costs.

According to the Statement of Affairs lodged in these proceedings, the Company's assets comprised solely of stock with an uncertain estimated realisable value.

There have not been any assets realised during the period of this report.

Creditors should refer to previous reports for details of assets realised in prior periods.

3. Investigations

Actions taken in relation to investigations will only have a direct financial benefit for creditors if actions or assets are identified for realisation into the estate. The Liquidator has a statutory and regulatory duty to complete investigations into the conduct and affairs of the Company and its directors.

An initial investigation into the Company's affairs was undertaken to establish whether there were any potential asset recoveries or conduct matters that justified further investigation. These investigations included reviewing the changes in the Company's assets and liabilities in the period from its last accounts for the financial period ending 31 March 2019 to the date of liquidation and a review of the company's bank statements.

My investigations identified some transactions of interest which warrant further explanation by the Director of the Company. I have continued to pursue the Director during the period and I am considering whether it is in the interest of creditors to take further action in respect of the same.

I am also continuing to pursue documents which will allow me to progress my investigations further in this matter. A review of these documents will be conducted on receipt to establish whether there are any potential asset recoveries or conduct matters in the liquidation.

A report on the conduct of any individuals, who have been Directors of the Company in the three years prior to the insolvency, is required to be submitted to the Secretary of State within three months of my appointment. I confirm that this has been submitted, however the content of this report is confidential.

4. Costs and Expenses

A Receipts & Payments Account for the period covered by this report and the liquidation in its entirety is enclosed at Appendix 3. Receipts relating to asset realisations have been detailed in the progress section above. Information in relation to the costs and expenses of the liquidation are detailed below.

Pre-Appointment Costs

At decision procedure held on 20 October 2020 it was resolved that the Liquidator's fee in relation to the assisting the directors with preparing the Statement of Affairs be fixed at £2,500.00 plus VAT. I have drawn all of these costs being £2,500.00 plus VAT as shown at Appendix 3 of this report.

The fixed fee is considered to be fair and reasonable as it provides creditors with certainty as to the level of the fee to be charged for this work. Further, the Liquidator considers that the fee is commensurate with the amount of work required to carry out these activities in their professional experience.

Liquidator's Remuneration

Numerous activities have been undertaken in administering the liquidation. A summarised list of these activities is attached at Appendix 2 for your information.

On 19 October 2020 creditors agreed the basis upon which I was to be remunerated. A resolution was passed that I be remunerated on the basis of time properly spent by me and my staff in attending to matters arising in the administration of the liquidation. A fee estimate of £44,675.00 was provided when seeking the resolution.

My time costs for the period 6 August 2022 to 5 August 2023 total £2,760.00 represented by 9.30 hours at an average hourly rate of £296.77. A breakdown of these time costs is enclosed at Appendix 4.

The total time costs during the period of appointment amount totals £16,647.50 represented by 63.60 hours at an average hourly rate of £261.75. A breakdown of these time costs can be seen at Appendix 5

I confirm that no fees have been drawn to date in respect of these time costs.

As set out above, a fee estimate was agreed by creditors to limit my liquidators' fees to £44,675.00 plus VAT. It is not anticipated that time costs will exceed the amount provided in the fee estimate.

Liquidator's Expenses

My category 1 expenses paid for the period up to the end of this report are detailed below. The basis of these expenses were approved at the creditors' decision procedure held on 19 October 2020. These costs have been drawn in full.

Nature of Expenses	Provided by	Incurred this	Incurred to date
		period	
		£	£
Statutory Advertising	Courts Advertising	NIL	169.50
Specific Bond	Marsh	NIL	30.00
Total		NIL	199.50

5. Outcome for Creditors

The following table shows the claims disclosed on the Statement of Affairs, the claims received to date, and the current projected dividend:

	Statement of Affairs £	Claims received £	Dividend paid to date p/£	Projected further dividend p/£
Fixed Charge	NIL	NIL	NIL	NIL
Preferential	8,831.32	1,592.12	NIL	Uncertain
Secondary Preferential	NIL	NIL	NIL	NIL
Floating Charge	NIL	NIL	NIL	NIL
Unsecured	383,916.68	166,232.22	NIL	Uncertain
Total	392,748.00	167,824.34		

To date, the level of realisations in this case has been sufficient to cover only the costs and expenses of liquidation. It is currently uncertain whether there will be a distribution to any class of creditor.

6. Further Information

As a creditor, you have a right to request further information with regard to any aspect of this report or to challenge my fees and expenses. If you require further information, please do not hesitate to contact me.

If you require any further information, please make a request in writing within 21 days of receipt of this report. I shall provide this information within 14 days of the request unless it is considered that:

1. The time and costs involved in preparing the information would be excessive; or
2. Disclosure would be prejudicial to the conduct of the liquidation or might be expected to lead to violence against any person.

If you are not satisfied with my response, you have the right to request further information from me with regard to my remuneration and expenses, with either the permission of the Court or with a collective request from 5% in value of unsecured creditors. This request must be made within eight weeks of receipt of this report.

Further, creditors have the right to apply to Court to challenge the amount of, or the basis of, my remuneration and expenses, with either the permission of the Court or with a collective request from 10% in value of unsecured creditors. This application must be made within eight weeks of receipt of this report.

7. Conclusion

As set out in further detail throughout this report, I am currently unable to conclude the liquidation as the following matters are outstanding:

- I am querying transactions of interest with the Director and pursuing further documents which might assist in progressing my investigations.
- I am also continuing to meet my post-appointment taxation obligations.

The next report will either be to conclude the liquidation or will be issued within two months of the next anniversary.

If you have any queries, please contact George Robinson at this office.
