Statement of Director's Responsibilities in respect of the Directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and Section 1A of FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (UK Generally Accepted Accounting Practice applicable to Smaller Entities).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting Policies

Basis of preparation

Ome (Mapping Company) Limited is a company limited by shares and incorporated and domiciled in the UK. The financial statements have been prepared under the historical cost convention in accordance with Financial Reporting Standard 102.

In the transition to Section 1A of FRS 102 from UK Accounting Standards (UK Generally Accepted Accounting Practice), the Company has made measurement and recognition adjustments. An explanation of how the transition to FRS 102 has affected the financial position and financial performance of the Company is provided in note 2.

In these financial statements, the company is considered to be a qualifying entity (for the purposes of FRS 102) and has applied the exemptions available in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the year; and
- Cash Flow Statement and related notes; and
- Key management personnel compensation.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements. All the amounts in the financial statements have been rounded to the nearest £.

Going concern

The financial statements have been prepared on the going concern basis, notwithstanding the company's loss for the year of £2,612 (2014: £4,135) and net current liabilities of £43,788 (2014: £41,176), which the directors believe to be appropriate for the following reason. The Company is reliant for its working capital on funds provided to it by the Company's ultimate parent undertaking, which has provided the company with an undertaking that it will, for at least 12 months from the date of approval of these financial statements, continue to make available such funds as are needed by the company and in particular will not seek repayment of the amounts currently made available.

OME (MAPPING COMPANY) LIMITED

ANNUAL REPORT AND FINANCIAL STATEMENTS

31 DECEMBER 2015

NOTES TO THE FINANCIAL STATEMENTS

This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Turnover

Sales of one-off services are recognised when the goods or services supplied have been completed. Amounts due under annually-renewable contracts for a package of services are recognised in equal monthly instalments.

Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in period different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

2. Explanation of transition to FRS 102 from UK Accounting Standards

As stated in note 1, these are the Company's first financial statements prepared in accordance with FRS 102.
