### **Statement of directors' responsibilities in respect of Directors' Report and the financial statements**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

### **TO THE MEMBERS OF LDC (THURSO STREET) GP4 LIMITED**

---

We have audited the financial statements of LDC (Thurso Street) GP4 Limited for the year ended 31 December 2013 set out on pages 5 to 10. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). These standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### **Scope of the audit of the financial statements**

## **NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 DECEMBER 2013**

---

### **1 Accounting policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements

#### **1.1 Basis of preparation**

The financial statements are prepared in accordance with applicable accounting standards (UK GAAP) and under the historical cost convention

As a General Partner of the LDC (Thurso Street) Management Limited Partnership the company is deemed to control the Limited Partnership (along with its joint General Partner, LDC (Thurso Street) GP3 Limited), the Limited Partnership which is therefore a subsidiary of the Company. The Company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual and not about its group.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from the requirement to produce a cash flow statement on the grounds that it is a subsidiary undertaking where 90 percent or more of the voting rights are controlled within the group.

#### **1.2 Going concern**

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

#### **1.3 Deferred taxation**

The charge for taxation is based on the result for the year and takes account of taxation deferred because of timing differences between the treatment of certain items for taxation and treatment under the company's accounting policies.

Deferred tax assets and liabilities arise from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation.

In accordance with FRS19, deferred tax is provided in respect of all timing differences that have originated but not reversed at the balance sheet date that may give rise to an obligation to pay more or less tax in the future except as otherwise provided by FRS19.

#### **1.4 Investment income**

Investment income is recognised from the Limited Partnership in respect of management services carried out during the year, in accordance with the partnership agreement.

### **2 Operating profit/result**

Auditor's remuneration of £405 was borne by another group company.

Fees paid to the company's auditor, KPMG Audit plc and its associates for services other than statutory audit of the company are not disclosed in the company's accounts since the consolidated accounts of the company's parent, The UNITE Group plc, are required to disclose non audit fees on a consolidated basis.
