TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Trustees' Report

The Trustees present their annual report together with the financial statements and auditor's reports of the charitable company for the period 1 September 2021 to 31 August 2022. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

The Trust operates the following schools:

- 1. Wymondham College (became an Academy on 1 February 2011)
- 2. Old Buckenham Primary School (joined the Trust on 1 September 2016)
- 3. Seething and Mundham Primary School (joined the Trust on 1 April 2017)
- 4. Burston Primary School (joined the Trust on 1 June 2017)
- 5. Tivetshall Primary School (joined the Trust on 1 June 2017)
- 6. Rockland St Mary Primary School (joined the Trust on 1 September 2017)
- 7. Surlingham Primary School (joined the Trust on 1 September 2017)
- 8. Great Hockham Primary and Nursery School (joined the Trust on 1 November 2017)
- 9. Stradbroke High School (joined the Trust on 1 December 2017)
- 10. Ghost Hill Infant and Nursery School (joined the Trust on 1 April 2018)
- 11. Framingham Earl High School (joined the Trust on 1 May 2018)
- 12. Old Buckenham High School (joined the Trust on 1 September 2018)
- 13. White House Farm Primary School (joined the Trust on 1 September 2019)
- 14. Attleborough Academy (joined the Trust on 1 June 2020)
- 15. Fakenham Academy (joined the Trust on 1 June 2020)
- 16. Wymondham College Prep School (joined the Trust on 1 September 2020)
- 17. City Academy Norwich (joined the Trust on 1 September 2022)

Structure, Governance and Management

Constitution

The Trust is a company limited by guarantee and an exempt charity. The charitable company's Memorandum and Articles of Association dated 1 February 2011 are the primary governing documents of the Trust. A deed of variation of the funding agreement was issued on 1 March 2016. The Trustees of Sapientia Education Trust are also the directors of the charitable company for the purposes of company law. The charitable company is known as Sapientia Education Trust.

Details of the Trustees who served during the year and to the date these accounts are approved are included in the Reference and Administrative Details on page 1.

Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Structure, Governance and Management (continued)

Trustees' Indemnities

Subject to the provisions of the Companies Act, every Trustee or other officer or auditor of the Trust shall be indemnified out of the assets of the Trust against any liability incurred by them in that capacity in defending any proceedings, whether civil or criminal, in which judgement is given in favour or in which they are acquitted or in connection with any application in which relief is granted to them by the court from liability for negligence, default breach of duty or breach of trust in relation to affairs of the Trust.

Method of Recruitment and Appointment or Election of Trustees

The number of Trustees shall be not less than three but shall not be subject to any maximum. The term of office for any Trustee shall be four years; this time limit shall not apply to the CEO. Subject to remaining eligible to be a particular type of Trustee, any Trustee may be reappointed or re-elected.

The members shall appoint Trustees save that no more than one individual appointed as a Trustee shall be an employee of the Trust.

Policies and Procedures Adopted for the Induction and Training of Trustees

All Trustees, on appointment, receive a briefing from the Governance Professional (formerly Clerk to the Trustees) and a set list of supporting documentation. The Trust arranges its own Trustee training and training for Governors who serve at Local Governing Body level.

Organisational Structure

During 2021/22 the Trust's organisational structure consisted of four levels: the Members, Board of Trustees, the Local Governing Body and the Executive at each school. The Executive are the Executive Principal/Headteacher and Senior Leadership Team. Below the Senior Leadership Team there may be other groups according to the requirements of each individual school e.g., at Wymondham College there are Heads of House and Heads of Department meetings.

The Board of Trustees undertook a review of governance arrangements during 2022 in light of the growth of the Trust and to ensure that structures continue to meet the needs of the Trust's schools. On 1 September 2022 the Trust's existing Local Governing Bodies were disbanded and two new sub-committees were created. In addition, Parent Panels were created at each school to enhance parental voice within the Trust.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Structure, Governance and Management (continued)

Organisational Structure (continued)

The Board of Trustees has the following sub - committees:

- Finance Committee which oversees all financial issues for the Trust and reports to the Board of Trustees.
- Infrastructure Committee which oversees all infrastructure issues for the Trust including Health & Safety matters; the Committee reports to the Board of Trustees.
- Audit and Risk Committee which oversees audit and risk matters for the Trust and reports to the Board of Trustees.
- Human Resources and Remuneration Committee which oversees human resources and remuneration matters for the Trust and reports to the Board of Trustees.
- **Primary and Secondary Standards Committees** oversee education matters for the Trust and reports to the Board of Trustees.
- Boarding Committee was created on 1 September 2022 and oversees boarding standards for the Trust and reports to the Board of Trustees.
- Local Compliance Committee was created on 1 September 2022 and oversees parent voice and school level policies for the Trust and reports to the Board of Trustees.

The sub-committees receive consolidated reports capturing the relevant information from each school in a common format to allow the sub-committee members to assess performance data across all schools. The sub-committees then report to the Board of Trustees.

The Trustees have approved a scheme of financial delegation that allows budgetary responsibility to be delegated, through the CEO, to the lowest effective level.

Board sub-committees are responsible for setting specific school policy, maintenance of standards and approving and monitoring performance and delivery against the strategic plan. The Headteacher at each school is responsible, along with their Senior Leadership team for implementing the policies approved by the Trust Board.

Arrangements for setting pay and remuneration of key management personnel

The pay levels of senior staff at all Trust schools are reviewed annually, reported to and approved by the Board of Trustees. Any decisions about pay rises are based on a combination of national pay agreements, performance and inflation.

Related Parties and other Connected Charities and Organisations

Sapientia Lettings Limited (formerly Wymondham College Enterprises Limited) is a fully owned subsidiary company of Sapientia Education Trust. Until 31 August 2021 the company's principal activity was the running of the breakfast and after-school clubs, these activities were transferred to Sapientia Education Trust with effect from 1 September 2021 and therefore the company was dormant during 2021/22. The subsidiary company is not consolidated within these accounts on the grounds of materiality. The company's name was changed on 7 July 2022 by ordinary resolution to reflect the intention for the company to manage the Trust's letting activity from 1 September 2022.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Structure, Governance and Management (continued)

Engagement with employees (including disabled persons)

The Trust engages with employees in the following ways:

- Termly meetings of the Joint Consultative Committee (Trade Union Regional Representatives and Trust senior staff)
- Information and Consultation with Employees Committee at school level where appropriate
- Half-termly Staff newsletter to all employees from the CEO and senior Trust staff
- Trust performance management system
- Staff voice monitored at Trust Committee level and reported, where appropriate, the Trust Board
- Staff representation at Local Governing Body (LGB) level
- The Trust welcomes employment applications from all members of the community and will make appropriate adjustments for staff with disabilities as well as making adjustments for staff who develop disabilities during their employment

Engagement with suppliers, customers and others in a business relationship with the Trust

The Trust engages with stakeholders in the following ways:

- Termly CEO newsletters to all schools to be passed on to their local communities
- Schools have their own regular newsletters issued to their own stakeholders as well as engaging in various social media platforms
- Pupil voice captured at each Trust schools and each school has its own 'school council' structure to hear pupil voice
- The Trust has a series of regular meetings with contracted suppliers throughout the course of the academic year to review progress and delivery against contract

Objectives and Activities

Objects and Aims

The principal object and activity of the Trust is to advance for public benefit the provision of education in the United Kingdom. In doing so it meets the requirements of the Funding Agreement signed by the Secretary of State for Education. It ensures that all Trust schools provide a balanced and broad curriculum and it approves each individual school's Admissions Policy to ensure it meets the requirements of the Schools Admissions Code

Objectives, Strategies and Activities

The Board's Trust Vision is:

"To provide a world class education locally, enabling every pupil to flourish"

Strategic intent:

- To deliver an education that is holistic and broad ranging, of high quality in and beyond the classroom
- To ensure opportunities to achieve are available for all
- To harness and develop the talents that exist in the Trust
- To meet the professional needs of staff, sharing best practice, with a strong commitment to personal development

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Objectives and Activities (continued)

In meeting this intent the Trust will be:

- Responsive to schools as they join the Trust, valuing the unique qualities/individualism of each Trust school, whilst recognising the need for all schools to deliver the strategic intents of the Trust
- Run on sound and ethical business principles, offering a structure whereby resources and expertise can be focused across all of the schools, keeping down back office costs and driving up standards

The Trust Strategic Plan is reviewed and evaluated annually by Trustees. The Strategic Plan for the next three year period was reviewed and approved by Trustees in the Summer 2022. A summary of the achievements during the course of the year up until 31 August 2022 is outlined in achievements and performance below.

The main objectives of the Trust for the year ended 31 August 2022 are summarised as follows:

- To provide a high quality and well-rounded education for all students
- To provide value for money for the funds expended
- · To ensure that the schools are suitably staffed
- To comply with all statutory and curriculum requirements
- To develop and maintain links with local industry and the wider community in Norfolk including working with other educational establishments
- To conduct the Trust's business in accordance with the highest standards of integrity, probity and openness

Public Benefit

The key public benefit delivered by the Trust is the maintenance and delivery of high quality day and boarding education to the children of Norfolk and others. In addition, the Trust has provided support to schools outside of the Trust through the National Leaders in Education programme and an intensive support programme that ESFA facilitated.

The Trustees confirm that they have had due regard to the Charity Commission's guidance on public benefit.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Strategic Report

Achievements and Performance

In the year leading up to 31 August 2022 the delivery of education remained disrupted by the ongoing Covid-19 pandemic. Schools worked hard to overcome and mitigate the challenges. The following was achieved:

- A new Trust Strategic Plan was approved.
- 6 Trust schools had Ofsted inspections, with all 6 securing 'Good' outcomes.
- Wymondham College Prep School moved to its new building in September 2021. Boarding accommodation at the Prep School is at Underwood Hall which also opened in September 2021.
- Additional capacity was added to the central team in HR, Estates and Education functions, including additional support for our SEND provision.
- The Sapientia Education Teaching School ran a programme of training activities focussed on leadership throughout the year.
- The Trust invested in Maths mastery and developed new approaches to Phonics across our Primary schools.
- GCSE outcomes improved across our secondary schools. On the Key Progress 8 measure, increases compared to 2019 were delivered at Attleborough Academy, Old Buckenham High School, Framingham Earl High School, Stradbroke High School and Wymondham College. Whilst Progress 8 fell at Fakenham Academy, attainment rose in the 5+EM measure.
- Stradbroke High School was Suffolk's highest performing school in the key 5+EM measures, whilst Framingham Earl and Wymondham College remained amongst the highest performing schools in Norfolk
- A-Level outcomes remained strong at Attleborough Academy and Wymondham College, whilst falling slightly at Fakenham Academy.
- At Key Stage 2 SATS outcomes improved at Old Buckenham and Great Hockham Primary Schools.
 Surlingham and Rockland St Mary remained strong. In line with other schools in Norfolk results in writing were weaker despite improvements in reading and maths.
- Phonics results were strong, well above national levels.
- Attendance levels were well above national across our schools and as a result the Trust supported the national DfE attendance strategy and led a national seminar on the topic.
- Our CEO engaged in NLE work with three schools outside of the Trust and joined the Norfolk Learning board
- Wymondham College was recognised National Teaching Schools Awards as Secondary School of the Year
- Overall pupil numbers have increased across the Trust, with a number of schools now oversubscribed.
- Extra-curricular provision was reintroduced, following the Covid-19 pandemic, and remans a strong focus with high uptake levels.
- City Academy Norwich joined the trust on 1st September 2022.

There continued to be extensive investments to improve infrastructure at our schools including:

 At Burston Primary School, new double glazed windows and doors were installed at the end of the school building.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Achievements and Performance (continued)

- At Fakenham Academy, plans progressed to install a new MUGA pitch at the school. Additionally, new double glazed windows and doors were installed in several areas of the school; the roof and soffits were repaired and new fencing was installed along the side of the school and extensive work undertaken in the area at the rear of the school to remove overgrown bushes and hedges. Carpets and flooring were replaced win the Perowne Building. A new staff toilet was constructed in the D&T Building. Upgrades were carried out in the Girls PE changing rooms and the floors in the gym and main hall were stripped and resealed. The old MUGA carpet was removed from the pitch at the rear of the school leaving a hardstanding area that can be used for PE lessons and during break/lunchtimes.
- At Attleborough Academy, CIF funded projects to address poor roof condition and window replacement were completed
- At Framingham Earl High School, a new car park area was laid to the front of the school allow safe parking and pedestrian movement around that space. Additionally, new kitchen equipment was installed. New double glazed windows were installed in various areas of the school.
- At Ghost Hill Infant & Nursery School, the main playground was resurfaced.
- At Great Hockham Primary School & Nursery, new double glazed windows were installed.
- At Old Buckenham High School, the roof over the canteen and flat roof area over the sports hall were replaced/repaired.
- At Old Buckenham Primary School & Nursery, the EYFS area had its grassed area replaced with artificial turf. New double glazed windows were installed in several areas of the school. A new Year 6 mobile classroom was installed.
- At Rockland St Mary Primary School & Nursery, the boys and girls toilets were fully refurbished and upgraded.
- At Stradbroke High School the design for a new boiler feed system was approved this will be installed in FY22/23.
- At Surlingham Primary School, the staffroom roof was replaced. An old redundant building was removed form the playground.
- At Tivetshall Primary School, the old outdoor play equipment was removed and replaced with new play
 equipment.
- At Wymondham College, the external repair works to the Peter Rout Centre were completed and Yeoman Shield coverings were installed on the stairs and upstairs corridor. A new flat extension was built at Fry Hall. New toilets/showers were installed in Lincoln Boarding house and new cabin beds were procured for installation across all boarding houses. The main road entrance to the College was resurfaced. A new HV transformer was installed at the beginning of year.
- At Wymondham College Prep School, new play equipment was installed at the front and rear of the school. A new path was laid between the Prep School car park and the main College Car Park to allow safe progression for foot passengers between the two.
- At White House Farm Primary School, new fencing was installed at the school.

Key Performance Indicators

Strong examination outcomes were secured at GCSE and A level across our schools. There was significant improvement in phonics and KS1 outcomes at Primary level SATS results were more mixed, primarily due to writing.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Achievements and Performance (continued)

Pupil numbers were maintained or grew across the Trust, with the exception of reduced boarding numbers at Wymondham College.

EBACC entry rates improved significantly at Attleborough, Fakenham and Stradbroke High schools.

The Trust met its aims and objectives from the income received for the period. The effective management of cash flow and scheduling of capital expenditure meant that the Trust's cash balances were never exceeded by commitments. In particular:

- The majority of schools in the Trust met their planned carry-forward targets at the end of the year with the exceptions of Wymondham College Prep School and Framingham Earl High School. The underlying causes of these issues are being addressed.
- Boarding numbers at Wymondham College remained strong, despite Covid-19 and Brexit challenges.
- The planned programme of expenditure contained within the Rate of Return plan for boarding accommodation improvements at Wymondham College.
- A number of planned capital projects were delivered at Trust schools using SCA funding to address condition issues as noted above.

Going concern

After making appropriate enquiries, the Sapientia Education Trust Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Promoting the success of the company

The Trustees of Sapientia Education Trust consider, both individually and collectively, that they have acted in the way they would consider, in good faith, would be most likely to promote the success of the Trust for the benefit of the staff, students and stakeholders at all of our Schools while meeting the terms of the funding agreement the Trust has with the Secretary of State. The future plans for the Trust are laid out in the SET Strategic Plan which is reviewed by the Board of Trustees on an annual basis.

- Values and Culture. The plan underpins the Trust Mission statement as shown elsewhere in this
 report. It aims to ensure that all children at all Trust schools receive the best possible education while
 they are with us and that we promote and deliver continual professional development to all our staff.
- Employees. Our staff are fundamental to the success of the Trust, and we aim to be a responsible employer in the pay and benefits staff receive. Additionally, our programme of Health and Safety management and inspection supports our commitment to the well-being of staff and the safety of their working environment.
- Stakeholders. We engage at all levels of our operation to understand the views and concerns of our staff, students and parents as well as the wider local community our schools serve. Schools will undertake local surveys to better understand how they might serve their local community, and this will be reported through to the Local Governing Body, the Trust Committee structure (as outlined elsewhere in this report) and to the Board. Local Governing Body representation includes parental representation as well as other stakeholders who bring a unique set of skills to support the schools. Regular contact with stakeholders through newsletters and engagement with social media is an important part of our wider engagement with our school communities.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Achievements and Performance (continued)

- Management of Risk. The management of risk is an integral part of all Trust work. Risk is managed through daily operational activities, supported by the work of the Trust's Health and Safety inspection programme. At the strategic level, each Trust Committee (as detailed elsewhere in this report) consider risks relevant to their area of responsibility on a termly basis with the Board receiving a Trust risk report each term. The full Risk Register is reviewed annually, and the Trust Internal Auditors reviewed risk analysis at Board level in the Spring Term 2021. Assessment of risk at all levels is part of our arching aim to deliver the highest standards of business conduct and operation.
- <u>Impact on the local community and environment</u>. The Trustees are cognisant of the impact of our schools in their local community. At local level, schools engage with local stakeholders about how they can minimise their environmental impact. We strive to use education to drive positive environmental change amongst our students and staff and in the wider community.

The Board of Trustees act in a responsible manner and ensure that Trust management operate in a responsible manner in accordance with best practice and good governance as well as those behaviours that would be expected in a multi academy trust responsible for the delivery of high quality education to children. We also seek to act in best interests of our beneficiaries having due regard to both Department of Education and Charity Commission guidance. We aim to cement our reputation for quality, fairness and responsible behaviour through our actions.

Financial Review

Most of the Trust's income is obtained either from the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes, or fee income for the provision of boarding. The grants received from ESFA during the year ended 31 August 2022 and the associated expenditure are shown as restricted funds in the statement of financial activities.

During the year ended 31 August 2022, the Trust received income of £32,953k (2021: £31,727k) in respect of General Annual Grant and other ESFA funding, £7,655k (2021: £6,078k) boarding fee and associated income, £6,785k (2021: £Nil) from donated fixed assets, £1,927k (2021: £3,368k) in the form of capital grants and donations, £1k (2021: £145k) teaching school income, £Nil (2021: £331k) in respect of Coronavirus job retention funding, and £2,887k (2021: £1,512k) other income, giving total income of £52,208k (2021: £43,161k) for the period. Expenditure for the period amounted to £51,068k (2021: £46,945k).

A prior period adjustment has been made to the financial statements relating to the accounting period ended 31 August 2021. This relates to the allocation of ESFA income between restricted capital and income funds. See note 28 for full details.

Covid-19 had a significant impact on the Trust's finances during 2020/21 as a result of needing to close boarding during lockdowns. The Trust had to furlough a number of staff and was supported by the ESFA to mitigate the financial impacts of this. The 2020/21 in-year deficit (changes in balance of restricted general funds, excluding pension reserves, plus unrestricted reserves) of £106k was due to the Covid-19 pandemic, and in 2021/22 a surplus of £570k was generated.

The Trust receives grants for fixed assets from ESFA. In accordance with the Charities Statement of Recommended Practice, 'Accounting and Reporting by Charities' (SORP 2019), such grants are shown in the Statement of Financial Activities as restricted income, in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charge over the expected useful life of the assets concerned.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Financial Review (continued)

At 31 August 2022 the net book value of fixed assets was £91,121k (2021: £87,557k) and movements in tangible fixed assets are shown in note 12 to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the Trust.

Reserves Policy

The Trustees have reviewed reserve levels and believe that they should provide sufficient working capital to cover delays between spending and receipt of grants to allow for unexpected situations such as urgent maintenance work. The Trust excludes deposits received and funding held on behalf of third parties (e.g. bursary funding) in assessing its reserves position. The Trust holds cash reserves of £1,081k (2021: £830k) in relation to boarding deposits for the 2022/23 year which are included in creditors as at 31 August 2022.

The Trust held fund balances at 31 August 2022 of £94,568k (2021: £66,712k) comprising a surplus of £93,843k (2021: £65,920k) of restricted funds and a surplus of £725k (2021: £792k) of unrestricted income funds. The restricted funds balance comprises of fixed asset funds surplus of £93,474k (2021: £89,328k), restricted income fund surplus of £1,821k (2021: £1,184k) and pension deficit of £1,452k (2021: £24,592k). Any increase in pension contributions suggested by the Scheme Actuary should be able to be met from the Trust's budgeted annual income.

As at 31 August 2022 the Trust's actual position of reserves (restricted general funds, excluding pension reserves, plus unrestricted funds) stood at a balance of £2,546k (2021: £1,976k). The Trustees monitor reserves as a percentage of Trust income (excluding asset donations) and the position as at 31 August 2022 represents 5.6% (2021: 4.6%) of income (excluding asset donations) and is in line with Trustee expectations.

Investment Policy

With the exception of cash held for operation of the Trust, the Trust has no realisable investments as at 31 August 2022. A new investment policy was approved by the Board of Trustees in June 2022. The policy seeks to maximise returns from its investments, minimise risk and maintain flexibility and access to funds. The level of investment will depend on resources available at the time the investment is considered and will take into account the current financial situation as well as consideration of the finances during the period the investment is being considered for. Equally the Finance Committee will take a view on prevailing national economic circumstances and the credit ratings of those who are offering investment opportunities. Finally, the period of the investment will be judged on the rates available and other Trust priorities at the time but would not typically exceed two years to ensure funds are available to support the Trust's objectives.

Principal Risks and Uncertainties

The Trustees have identified and reviewed the major risks to which the Trust is exposed and have established systems and procedures to manage these risks.

The Audit and Risk Committee have identified the top five risks faced by Sapientia Education Trust as:

- Uncertainty about central government funding to schools that is under increasing pressure
- The financial impact of low or reduced pupil numbers at Trust schools
- The impact of cost-of-living pressures on schools, parents/carers and students
- Recruitment of support staff in key areas
- Cyber-security

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Principal Risks and Uncertainties (continued)

Financial and Risk Management Objectives and Policies

The Trustees have responsibility to assess the strategic risks to which the Trust is exposed and have completed a risk management register to ensure that steps are taken to mitigate risks. Trustees have adopted the risk-assessment methodology contained in the Charities Commission risk management leaflet CC26.

This is done through the sub-committees and includes educational risks such as the Trust not achieving the planned educational outcomes and maintenance and improvement on previous examination results, whole or partial building loss, financial and operational risks, including budget risks and health and safety reviews and safeguarding students. In this way steps are taken to mitigate risk. Some significant risks such as public and employee liability are covered by the Trust's insurance policy. The Risk Register is managed through the Trustees' Audit and Risk Committee.

During the 2018/19 academic year, the Board appointed an internal auditor (Larking Gowen) to complete internal audit reviews as directed by the Trust Audit & Risk Committee. In addition, the Trust Board strengthened the monitoring of risk by amending the role of each Board Committees to ensure that the Committee owned their relevant area of the risk register. Each Committee reviewed their area of the risk register at each meeting and amended/updated as appropriate. Where a significant risk was identified, this was reported to the Board at each Board meeting. Overall monitoring of the risk register will remain with the Audit & Risk Committee as noted above. In December 2019, the Board reviewed this process and in order to drive consistency in reporting through the Board committees, adopted the Charity Commission's risk scoring methodology as detailed in the Charities Commission leaflet 'Charities and risk management (CC26)'.

The full Risk Register is reviewed annually. The internal audits carried out in 2021/2022 are outlined later in this report.

Fundraising

The Trust does not use any external fundraisers. All fundraising undertaken was monitored by the Trustees.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Streamlined Energy and Carbon Reporting

UK Greenhouse gas emissions and energy use data for the period:	1 September 2021 to 31 August 2022	1 September 2020 to 31 August 2021
Energy consumption used to calculate emissions (kWh)	15,817,216	18,886,881
Energy consumption breakdown (kWh) (optional)		
• Gas		
Electricity		
Transport fuel		
Scope 1 emissions in metric tonnes CO2e		
Gas consumption	2,395.94	2,981.49
Owned transport – mini-buses	<u>39.73</u>	<u>13.06</u>
Total scope 1	2,435.67	2,994.55
Scope 2 emissions in metric tonnes CO2e		
Purchased electricity	542.36	884.08
Scope 3 emissions in metric tonnes CO2e		
Business travel in employee-owned vehicles	5.15	4.74
Total gross emissions in metric tonnes CO2e	2,983.18	3,883.37
Intensity ratio		
Tonnes CO2e per pupil	0.52	0.70

SET's Scope 1 and 3 direct emissions (combustion of natural gas, transportation fuels and other fuels) for this year of reporting are 2,395.94 tCO₂e, resulting from the direct combustion of 12,818,067 kWh of fuel. This represents a carbon reduction of 19.64% from last year.

Our schools required additional support as restrictions eased from the Covid pandemic. Regular Health & Safety inspections and capital projects have increased the need for transportation. In addition, Fakenham Academy joined the Trust in 2020 which increased our geographical spread. As a result, we have seen an increase in our transport fuel consumption.

Scope 2 indirect emissions (purchased electricity) for this year of reporting are 542.36 tCO₂e, resulting from the consumption of 2,804,636 of electricity purchased and consumed in day-to-day business operations. This represents a carbon decrease of 38.65% from last year.

Our operations have an intensity metric of 0.52 tCO₂e per pupil for this reporting year. This represents a reduction in the operational carbon intensity of 25.71% from our previous reporting year.

Quantification and reporting methodology

We have followed the 2019 HM Government Environmental Reporting Guidelines. We have also used the GHG Reporting Protocol – Corporate Standard and have used the 2022 UK Government's Conversion Factors for Company Reporting.

Intensity measurement

The chosen intensity measurement ratio is total gross emissions in metric tonnes CO2e per pupil, the recommended ratio for the sector.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Streamlined Energy and Carbon Reporting (continued)

Measures taken to improve energy efficiency

We are committed to year-on-year improvements in our operational energy efficiency. As such, a register of energy efficiency measures available to us has been compiled, with a view to implementing these measures in the next five years.

Decarbonising Heat

We have considered the Public Sector Decarbonisation Scheme Phase 3b (PSDS P3b) to help decarbonise our heating systems and improve the thermal efficiency of the building fabric. We submitted a case to the DfE for a school rebuilding project based on the condition and energy inefficiency of two buildings at one school site.

Energy Strategy

The Trust secured SALIX funding to complete a Heat Decarbonisation Plan for each Trust school. There are Solar PV arrays at several Trust schools and improvements to existing processes will continue to have a positive impact on carbon reduction.

Improving energy efficiency

Installation of double glazing at Fakenham Academy, Framingham Earl High School, Old Buckenham Primary School, Ghost Hill Infant & Nursery School, Burston Primary School and Great Hockham Primary & Nursery.

Heating replacements will, where viable, focus on decarbonisation by switching to renewable or electricity-based heating such as heat pumps

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Plans for Future Periods

For the coming financial year, the Trust plans to implement the following key objectives:

Sapientia Education Trust:

- Further develop capacity within the Trust Central Team commensurate with the growth of the Trust; including personalised learning and support for schools facing challenge.
- Focus on improving outcomes in the primary phase, especially in writing.
- Review the curriculum offer in all schools, to ensure clear intent, implementation and impact.
- Support City Academy Norwich and Fakenham Academy to improve GCSE outcomes.
- Further develop our professional development offer.
- Introduce a trust wide ICT programme, including central team ICT function.
- Support vulnerable learners and enhance our SEND offer.
- Further develop inter-school support including subject networks.

At Wymondham College:

- Embed work around the curriculum; including the 'floreat curriculum' and pupil's articulation of the curriculum.
- Implement a review of Middle and senior Leadership.
- Maintain the boarding numbers and review marketing approaches.
- Further improve the quality of teaching and learning across the College.
- Further enhance 'Wymondham life' extra-curricular offer.
- Enhance and improve continual professional development opportunities at all levels across the College.
- Develop the boarding offer, including Personal development.
- Continue to develop enrichment opportunities at the College.
- Continue the improvement to boarding provision through the rate of return programme.
- Establish closer links with Wymondham College Prep School.

At Old Buckenham Primary School:

- Develop the quality and impact of middle leadership.
- Further develop nursery provision.

At Seething and Mundham Primary School:

- Implement the new curriculum.
- Develop the quality and impact of middle leadership.
- Build sustainability in terms of student numbers.

At Burston Primary School:

- · Improve outcomes in maths and writing.
- Develop the quality and impact of leadership at school level.
- · Build sustainability in terms of student numbers.

At Tivetshall Primary School:

- Review the viability of the school; in line with previous decision to review in January 2022.
- Improve the consistency of teaching.
- Build sustainability in terms of student numbers.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Plans for Future Periods (continued)

At Rockland St Mary Primary School:

- Maintain improved outcomes at KS2.
- Induct and integrate the new nursery.
- Build sustainability in terms of student numbers.

At Surlingham Primary School:

Build sustainability in terms of student numbers.

At Great Hockham Primary and Nursery School

- Develop the quality and impact of middle leadership.
- Improve KS1 outcomes.
- Maintain recent improvements in KS2 SATs.

At Stradbroke High School:

- Embed new QA systems and processes.
- Embed approaches to the curriculum, including leadership roles.
- Maintain recent improvements, including improving modern foreign languages outcomes.

At Ghost Hill Infant and Nursery School:

Maintain improved KS1 outcomes; and increase the proportion pupils achieving of greater depth.

At Framingham Earl High School:

- Maintain the improvement in progress levels.
- Increase EBACC entry.

At White House Farm Primary School:

- Embed an effective curriculum offer, with high quality teaching and learning.
- Continue to build Pupil numbers.
- Develop Phonics and SEND expertise.

At Old Buckenham High School:

- Further improve GCSE outcomes.
- Review the staffing structures to ensure financial stability.
- Improve Pupil Premium outcomes and attendance.

At Fakenham Academy:

- Improve outcomes at GCSE, especially progress 8.
- Improve Post 16 Attainment.

At Attleborough Academy:

- Review the staffing structures.
- Develop the next phase of the master plan, in partnership with Norfolk LA.

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Plans for Future Periods (continued)

At Wymondham College Prep School:

- Improve writing outcomes.
- Further embed the curriculum offer.

At City Academy Norwich

- Integrate the school into the Trust's ways of working and embed policies.
- Review the curriculum offer.
- Improve outcomes and attendance levels.

Equal Opportunities Policy

Sapientia Education Trust recognises its commitment to students, staff, parents/carers and Trustees/Governors and to the wider community based on the principle of promotion of self-respect and respect for others. As such we believe that discrimination is unacceptable, and our equal opportunities policy seeks to foster all individuals' abilities. In meeting the duties, all our actions will embody our Trust's key principles and values which include:

- We encourage young people to develop into good citizens to aim for excellence in all they attempt, to communicate effectively, work well in teams and to enjoy life
- We strive to make the best possible provision for all students, staff, governors and those connected with the Trust regardless of disability, ethnicity, culture, religious belief, national origin or status, gender or sexual orientation
- We respect diversity. We know that treating everyone equally is not simply a matter of treating
 everyone the same. We adopt the Norfolk Inclusion Statement's view that inclusion is 'The process of
 taking necessary steps to ensure that every young person is given an equality of opportunity to develop
 socially, to learn and enjoy community life'. This means we do our best to make reasonable
 adjustments for disability, recognise and celebrate cultural differences and understand the different
 needs and experiences of boys and girls
- We know that equality is not simply about protecting the potentially vulnerable. We believe that all students may be disadvantaged by the holding of prejudicial views, and seek to promote good relationships between all groups, and positive attitudes towards disabled people, people from different ethnic or cultural groups or faith backgrounds and people of different gender or sexual orientation
- We value our staff for their ability and potential to help us make the best possible provision for the students in the Trust regardless of disability, ethnicity, culture, religious belief, national origin, gender or sexual orientation
- We are proactive in our efforts to identify and minimise existing barriers or inequalities
- We seek the views of all groups affected by the policies and work of our Trust and involve them in policy review where appropriate
- We recognise our role in promoting community cohesion and actively encourage the participation in public life of all in the Trust

TRUSTEES' REPORT (including Strategic Report) for the year ended 31 August 2022

Disabled Persons

Sapientia Education Trust recognises its responsibilities under the Disability Discrimination Act. The general duty to promote disability equality is owed to all disabled people which means that we have due regard to:

- Promote equality of opportunity between disabled people and other people
- Eliminate unlawful discrimination
- Eliminate disability related harassment
- Promote positive attitudes towards disabled people
- Encourage participation by disabled people in public life
- Take steps to take account of disabled people's disabilities, even where that involves treating disabled people more favourably than other people

Accessibility

There is specific disability legislation in relation to disabled students and accessibility which means we plan strategically over time to:

- Increase access to the curriculum
- Make improvements to the physical environment of the Schools within the Trust to increase access
- Make written information available to students in a range of different ways

We must ensure that disabled students do not receive less favourable treatment and to do this the Schools within the Trust have a duty to make reasonable adjustments.

All Trust schools have a Single Equality Scheme (SES) which integrates statutory duties in relation to race, disability and gender and promoting community cohesion. The duties cover staff, students and people using the services of the schools such as parents. It also addresses the legislation relating to religion or belief, sexual orientation and age and therefore includes our priorities and actions to eliminate discrimination and harassment in these equality areas.

The SES and Action plan enables the schools to achieve a framework for action which covers all eight equality strands and ensures that we meet our public sector duty responsibilities in an inclusive way. We will continue to meet our statutory duties by reporting annually on the progress of the SES and action plan. This will be reviewed annually by the individual school Local Governing Body and will cover activity in relation to the eight equality strands and promoting community cohesion.

Auditor

Insofar as the Trustees are aware:

- There is no relevant audit information of which the charitable company's auditor is unaware
- The Trustees have taken all steps they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

Peter Rout Chair of Board

20

GOVERNANCE STATEMENT

As Trustees, we acknowledge we have overall responsibility for ensuring that Sapientia Education Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Trustees have delegated the day-to-day responsibility to the Chief Executive Officer, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Sapientia Education Trust and the Secretary of State for Education. He is also responsible for reporting to the Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met six times during the year. The Trustee Board attendance during the year was as follows:

Trustee	Meetings attended	Out of a possible
Mr P Rout (Chair)	6	6
Mr J Taylor (Chief Executive Officer and Accounting Officer	cer) 6	6
Mr I Baker	3	6
Mr F Davey	5	6
Mrs J Dwyer	3	6
Mr R Hill	. 4	6
Mr R Margand	5	6
Mrs P Sheppard	5	6
Mr T North	6	6
Mr A Underwood	. 4	6

Conflicts of Interest (new requirement for 2021/22)

Trustees have several measures in place to manage conflicts of interest:

- Maintaining an up-to-date Register of Interests that is published on the Trust website.
- Declaration of any conflicts of interests a standing agenda item at each Board meeting (including Committees). This is recorded as a formal declaration.
- Where there may be a potential conflict of interest, the Board takes legal advice

Governance reviews

The Board continued to receive external quality assurance reviews during the year. In addition, they also received regular updates from the CEO on the operational work undertaken across the Trust to support children in the post-Covid-19 environment. In addition, the Board have at Committee level, reviewed the ongoing COVID-19 risk assessment throughout the year. As the national response to COVID-19 has changed, the Trust Health and Safety Team have updated their infection control guidance accordingly.

GOVERNANCE STATEMENT (continued)

The Board continued to receive reports of all aspects of the Trust's operations through its committee structure as noted below. The Board is content with the data and information it receives the Committee reports - the provision of quality and quantity of data to allow the Board to carry out its work is noted within the Trust's Risk Register.

During 2022, the Board carried out a review of its governance arrangements. This was in light of the growth of the Trust and met a recommendation of the Summer 2021 Internal Audit Report. The Board consulted Chairs of local governing bodies about the work the Board had previously asked them to carry out on their behalf, discussions with the Trust's executive team, feedback from Headteachers and discussions with other MATs about their governance arrangements. The review identified a number of issues including the following:

- a need to evolve the governance structure to make better use of the skill set of those operating at Trustee. Committee and local level;
- a need to consider whether or not the scheme of delegation was appropriate especially when LGBs were being asked to carry out specialist monitoring that they were not equipped or trained to be able to do:
- there was duplication and overlap between different strands of governance and the work of the Trust's executive team;
- new governor recruitment was challenging at a number of Trust schools;
- Trustee connection with parents/carers was in danger of becoming diluted.

Following consideration of a number of options that Board have adopted the following governance structure for September 2022:

- Creation of two new Board Committees:
 - The Boarding Committee to focus on boarding provision at Wymondham College and Wymondham College Prep School to ensure compliance with the National Minimum Standards for Boarding.
 - The Local Compliance Committee to work with schools and ensure statutory compliance in aa number of areas
- Replacing the current Standards Committee with Education Committees.
- Introducing Parent Focus groups at each school to replace LGBs.

A formal review of the new structures will take place in the summer 2023.

The Audit and Risk Committee is also a sub-committee of the main Board of Trustees. Its purpose is to review the Trust's internal and external audit report findings, and financial statements, to ensure they reflect best practice, and to review the effectiveness of the Trust's internal control systems established to ensure that the aims, objectives and key performance targets of the organisation are achieved in the most economic, effective and environmentally preferable manner.

Trustee attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
Mr I Baker (Chair)	2	3
Mr F Davey	3	3
Mr P Rout	1	3
Mr J Taylor	3	3

GOVERNANCE STATEMENT (continued)

The **Finance Committee** is also a sub-committee of the main Board of Trustees. Its purpose is to review the financial performance at each Trust school to ensure that each school operates its budget within approved limits and in accordance with the Trust Financial Rules and Procedures.

Trustee attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
Mr P Rout (Chair)	6	6
Mr I Baker	5	6
Mr R Margand	4	6
Mr J Taylor	3	6

The HR and Remuneration Committee is also a sub-committee of the main Board of Trustees. Its purpose is to review the Trust's HR policies and HR activity as well as approving any pay award recommendations.

Trustee attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
Mr R Hill (Chair)	3	3
Mr P Rout	3	3
Mr J Taylor	3	3

The Infrastructure Committee is also a sub-committee of the main Board of Trustees. Its purpose is to review the Trust's Estate Management Plan, H&S activities and IT Infrastructure.

Trustee attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
Mr F Davey (Chair)	3	3
Mr T North	3	3
Mr P Rout	3	3
Mr J Taylor	3	3

GOVERNANCE STATEMENT (continued)

The **Primary and Secondary Standards Committees** are sub-committees of the Board of Trustees. Their purpose is to review the Trust's educational performance across all schools and to monitor progress of pupils at all stages of their education.

Trustee attendance at meetings in the year was as follows:

Primary Standards

Trustee	Meetings attended	Out of a possible
Mrs P Sheppard (Chair)	2	3
Mr R Margand	2	3
Mr T North	3	3
Mr P Rout	2	3
Mr J Taylor	3	3

Secondary Standards

Trustee	Meetings attended	Out of a possible		
Mrs J Dwyer (Chair)	3	3		
Mr P Rout	0	3		
Mr J Taylor	3	3		
Mr A Underwood	3	3		

Review of Value for Money

As Accounting Officer, the CEO has responsibility for ensuring that the Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the board of directors where value for money can be improved, including the use of benchmarking data where available. The Accounting Officer for the Trust has delivered improved value for money during the year by:

- Ensuring that three quotations are sought for high value orders in accordance with the Trust Financial Rules and procedures
- Value engineering construction projects to achieve savings where possible
- Ensuring that, where possible, contracts are re-negotiated on a Trust-wide basis to achieve better economies of scale
- Where existing agreements were already in place, the Trust continued to support suppliers in accordance with Government guidance

GOVERNANCE STATEMENT (continued)

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Sapientia Education Trust for the period 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The Trust Board has reviewed the key risks to which the Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board is of the view that there is a formal on-going process for identifying, evaluating and managing the Trust's significant risks that has been in place for the period 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The Risk and Control Framework

The Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- Comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Trust Board on at least six occasions during the financial year.
- Monthly meetings with the CEO, Chief Operating Officer, Chief Financial Officer, Chair of the Trust Board and Chair of Audit and Risk Committee to review the financial performance of Trust schools.
- Regular reviews by the Board of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes.
- Setting targets to measure financial and other performance.
- Clearly defined purchasing (asset purchase or capital investment) guidelines.
- Delegation of authority and segregation of duties.
- Identification and management of risks.

The Board purchases an internal audit service, as is considered best practice for a larger Trust, from Larking Gowen. The internal auditor's role includes giving advice on financial and other matters and performing a range of checks on the Trust's financial and other systems. In particular, the checks carried out in the current period included:

- Spring Term 2022: To review aspects of Business Continuity across the Trust. These were specifically:
 - Defence against Cyber Attack (identified in the Trust Risk Register)
 - o Recovery from Cyber Attack (identified in the Trust Risk Register)
 - o Staff recruitment (identified in the Trust Risk Register)
 - Succession Planning at senior staff levels in schools and at central team level (identified I the Trust Strategic Plan)
- Summer term 2022: Review of ring-fenced DfE funding e.g., Pupil Premium, Sports Premium and 16-19 Bursary

GOVERNANCE STATEMENT (continued)

During the Spring and Summer terms, the internal auditor reports to the Board of Trustees, through the Audit and Risk Committee on the operations of the systems of control and on the discharge of the Board of Trustees' financial responsibilities. On an annual basis, the internal auditor prepares and presents a summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress. The Internal Auditor was able to complete their work during the year and there were no material control issues identified. Any recommendations for improvement have been addressed by the Trust and progress against these areas will be reported to the Audit and Risk Committee during the forthcoming academic year.

Review of Effectiveness

As Accounting Officer, the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the period in question the review has been informed by:

- The work of the internal auditor
- The work of the external auditor
- The financial management and governance self-assessment process and the school resource management self-assessment tool
- The work of the executive managers within the Trust who have responsibility for the development and maintenance of the internal control framework

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Audit and Risk Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of members of the Board of Trustees on .05 12 22 and signed on its behalf by:

Chair of Board of Iruetees

Peter Rout

Jonathan Taylor
Accounting Officer

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Sapientia Education Trust I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Trust, under the funding agreement in place between the Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2021.

I confirm that I and the Board of Trustees are able to identify any material irregular or improper use of all funds by the Trust, or material non-compliance with the terms and conditions of funding under the Trust's funding agreement and the Academy Trust Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

Jonathan Taylor Accounting Officer

Date 479

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report (including Strategic Report) and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022
- Make judgements and accounting estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Trustees on 05 12 12 and signed on its behalf by:

Peter Rout

Chair of Board of Trustees

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF SAPIENTIA EDUCATION TRUST

Opinion

We have audited the financial statements of Sapientia Education Trust (the 'academy trust') for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education & Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy trust's affairs as at 31 August 2022, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education & Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt about the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF SAPIENTIA EDUCATION TRUST (continued)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 28, the trustees (who are also the directors of the academy trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the academy trust of to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF SAPIENTIA EDUCATION TRUST (continued)

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance to confirm there are no instances of fraud or non-compliance with laws and regulations
- Reviewing journal entries to ensure they are appropriate and do not indicate management override
- · Review of key accounting estimates, to ensure reasonable and no signs of management bias
- Review of disclosures within the financial statements and vouching these to supporting documentation to ensure compliance with applicable laws and regulations
- We also considered whether the results of our assurance on regularity work identified any indicators of fraud or non-compliance of laws and regulations

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: https://www.frc.org.uk/auditors/audit-assurance/auditor-s-responsibilities-for-the-auditor-s-responsibilities-for-the-auditor/s-responsibilities-for-the-auditor/s-report.

Use of our report

This report is made solely to the academy trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy trust's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy trust and the academy trust's members as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SAPIENTIA EDUCATION TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 20 September 2022 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Sapientia Education Trust during the period 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Sapientia Education Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Sapientia Education Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Sapientia Education Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Sapientia Education Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Sapientia Education Trust's funding agreement with the Secretary of State for Education dated 1 February 2011 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

Delegated authorities: Carrying out the suggested procedures detailed in the Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts Part 4 section 4.60-4.65 in order to obtain evidence that the academy trust has followed its own internal processes and complied with the Academy Trust Handbook 2021 regarding write-offs, property transactions, leases, novel and contentious payments, special payments to staff, borrowings, and if the terms of an Ntl have been complied with;

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SAPIENTIA EDUCATION TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY (continued)

Transactions with connected parties: Carrying out the suggested procedures in the Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts Part 4 section 4.66 in order to obtain evidence that the academy trust has followed its own internal processes and complied with the Academy Trust Handbook 2021 regarding declarations of interest and contracts with connected parties, including governors, and employees providing external consultancy;

Governance: Carrying out the suggested procedures in the Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts Part 4 section 4.67 in considering whether the academy trust has followed its own internal processes and complied with the Academy Trust Handbook 2021 regarding its governance arrangements;

Internal controls: Identifying the policies, reviewing their effectiveness and testing the operation of controls, through carrying out the suggested procedures in the Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts Part 4 section 4.68 in order to consider whether the academy trust has followed its own internal processes and complied with the Academy Trust Handbook 2021 regarding its internal controls;

Procurement: Identifying the policies, reviewing their effectiveness and testing their operation, through carrying out the suggested procedures in the Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts Part 4 section 4.69 in order to obtain evidence that the academy trust has followed its own internal processes and complied with the Academy Trust Handbook 2021 regarding its procurement procedures; and

Income: Considering the conditions associated with specialist grant income and whether it has been spent as the purposes intended.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

1. Statement of accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

a) Basis of Preparation

The financial statements of the Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Trust has a fully owned subsidiary company, Sapientia Lettings Limited. The results of this company for the year ended 31 August 2022 are not consolidated within these accounts on the grounds of materiality.

b) Going Concern

The Trustees assess whether the use of going concern is appropriate i.e., whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

The Trustees have taken into account the effects of COVID-19 in making this assessment.

c) Income

All incoming resources are recognised when the Trust has entitlement to the funds, the receipt is probable, and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grant are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

The Trust is benefiting from ESFA's Free School Building Programme. The funding for the programme is not recognised as a capital grant until there is unconditional entitlement from costs being incurred, and the development occurring on a site where the Trust controls, through ownership, the site where the development is occurring.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

1. Statement of accounting policies (continued)

c) Income (continued)

Government grant income in respect of the Coronavirus Job Retention Scheme is accounted for in the period in which it is receivable.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable, and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Transfer on conversion

Where assets and liabilities are received by the Trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the Trust. An equal amount of income is recognised as transfer on conversion within Donations and capital grant income to the net assets received.

Transfer of existing academies into the Trust

Where assets and liabilities are received on the transfer of an existing academy into the Trust, the transferred net assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the Trust. An equal amount of income is recognised for the transfer of an existing academy into the Trust within Donations and capital grant income to the net assets acquired.

Donated fixed assets (excluding Transfers on conversion/into the Trust)

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Trust's accounting policies.

d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity.

Charitable activities

These are costs incurred on the Trust's educational operations, including support costs and costs relating to the governance of the Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

1. Statement of accounting policies (continued)

e) Tangible Fixed Assets

Assets costing £5,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment. Where tangible fixed assets have been acquired with the aid of specific grants, either from the Government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities.

Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

f) Depreciation

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Freehold buildings 2% straight line

Leasehold property Over the period of the lease/average remaining life

Plant and machinery
Fixtures, fittings and equipment
Motor vehicles
Computer hardware

10% straight line
10% straight line
25% reducing balance
25% straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

g) Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

h) Provisions

Provisions are recognised when the Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within the interest payable and similar charges.

i) Leased Assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

1. Statement of accounting policies (continued)

i) Leased property

The Trust has recognised the value of the property occupied by it, under a lease of 125 years from the date of joining the Trust, as prepared on behalf of the Education and Skills Agency, for all academies joining the Trust since 1 September 2016 as listed on page 3.

k) Financial Instruments

The Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Trust and their measurement basis are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 13. Prepayments are not financial instruments. Amounts due to the charity's wholly owned subsidiary are held at face value less any impairment.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 14 and 15. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to charity's wholly owned subsidiary are held at face value less any impairment.

1) Taxation

The Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, Chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

m) Pensions Benefits

Retirement benefits to employees of the Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes.

Teachers' Pension Scheme

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 24, the TPS is a multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

1. Statement of accounting policies (continued)

m) Pensions Benefits (continued)

Local Government Pension Scheme

The LGPS is a funded multi-employer scheme, and the assets are held separately from those of the Trust in separate trustee administered funds. Pension Scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses. Service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

n) Fund Accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education and Skills Funding Agency/Department for Education.

o) Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2021. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

As disclosed in j) above the Trust has recognised the value of its leasehold property at a valuation prepared on behalf of the Education and Skills Funding Agency. This property is then depreciated over the useful economic life in accordance with the Trust's accounting policies.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

1. Statement of accounting policies (continued)

p) Redundancies

Where an obligation to make a redundancy or termination payment arises, the costs incurred by the Trust are accounted for on an accruals basis and included within employee benefits.

q) Agency arrangements

The Trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the Trust does not have control over the charitable application of the funds. The Trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid, and any balances held are disclosed in note 27.

2. DONATIONS AND CAPITAL GRANTS

DONATIONO AND GAI TIAL GIGATITO	Unrestricted Funds £000	Restricted Funds £000	Total 2022 £000	Total 2021 (restated) £000

8. STAFF

a. Staff costs	Total 2022	Total 2021 (restated)
Staff costs during the period were:	£000	£000
Wages and salaries	24,797	23,802
Social security costs	2,318	2,146
Pension costs	8,837	7,165
	35,952	33,113
Teaching School	•	26
Agency staff costs	855	369
Staff restructuring costs	•	24
	36,807	33,532
Staff restructuring costs comprise:		
Redundancy payments	-	24
Severance payments	-	-
2	-	24

b. Non statutory/non-contractual staff severance payments

Included in staff restructuring costs are non-statutory/non-contractual severance payments totalling £Nil (2021: £Nil).

c. Staff numbers

The average number of persons employed by the Trust during the period was as follows:

	2022	2021
	No.	No.
Charitable Activities		
Teachers	385	408
Administration/educational support	388	396
Residential/matrons	130	121
Cleaners/estates/catering	125	123
Medical	10	6
Management	34	28_
	1,072	1,082

d. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2022 No.	2021 No.
£60,001 - £70,000	10	12
£70,001 - £80,000	5	5
£80,001 - £90,000	2	3
£90,001 - £100,000	3	4
£100,001 - £110,000	1	-
£140,001 - £150,000	-	1
£150,001 - £160,000	1	-

Higher paid staff include headteachers and other senior leaders paid in line with national payscales.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

8. STAFF (continued)

e. Key management personnel

The key management personnel of the Trust comprise the trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Trust was £833k (2021: £806k).

9. CENTRAL SERVICES

The Trust has provided the following central services to its academies during the year:

- human resources
- financial services
- legal services
- educational support services
- estates management
- IT management
- · others as arising

As the Trust pools GAG for its schools, no central services charges arose.

10. RELATED PARTY TRANSACTIONS - TRUSTEES' REMUNERATION AND EXPENSES

One or more Trustees has been paid remuneration or has received other benefits from employment with the Trust. The CEO and other Staff Trustees only receive remuneration in respect of services they provide undertaking the roles of CEO and staff members under their contracts of employment.

The value of Trustees' remuneration and other benefits was as follows:

J Taylor (CEO and Trustee)

Remuneration £150,000 - £160,000 (2021: £140,000 - £150,000) Employer's pension contributions £35,000 - £40,000 (2021: £35,000 - £40,000)

During the period ended 31 August 2022, travel and subsistence expenses totalling £1,676 were reimbursed or paid directly to 1 Trustee (2021: £904 to 1 Trustee). Other related party transactions involving the Trustees are set out in note 25.

11. TRUSTEES AND OFFICERS INSURANCE

In accordance with normal commercial practice the Trust has purchased insurance to protect Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Trust business. The insurance provides maximum cover up to £2,000,000 and the cost for the period ended 31 August 2022 is included within the premium per pupil as part of the risk protection arrangement with the DfE. The cost of this insurance is included in the total insurance cost.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

	Total funds	66,712	52,208	(51,068)	26,716	94,568

The specific purposes for which the funds are to be applied are as follows:

GAG & other DfE/ESFA grants: the restricted income fund is for the purpose of specific expenditure within the Trust's declared objectives. DfE/ESFA grants relate to government funding for the provision of education by the Trust. Funding is repayable if the Trust does not meet all funding requirements. Under the funding agreement with the Secretary of State, the Trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2022.

Pupil premium: this income is used to raise achievement and improve outcomes for pupils from low income families who are eligible for free school meals.

MAT central funding: this relates to the Sponsor Capacity, Conversion and Teaching and Learning funding from the ESFA. Having been expended in previous years, this has been released to restricted general funds in the year.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

16. FUNDS (continued)

Pension reserve: this relates to the deficit on the local government pension fund. Any increase in pension contributions suggested by the Scheme Actuary should be able to be met from the Trust's budgeted annual income.

DfE/ESFA capital grants: provided by the government for specific capital projects.

Fixed asset fund: the value of fixed assets acquired from unrestricted funds since conversion.

Comparative information in respect of the preceding period is as follows:

23. MEMBERS LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before they cease to be a member.

24. PENSION AND SIMILAR OBLIGATIONS

The Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Norfolk County Council, and Suffolk County Council in respect of Stradbroke High School. Both are multi-employer defined-benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at the either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

24. PENSION AND SIMILAR OBLIGATIONS (CONTINUED)

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary – these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits)
 for service to the effective date of £218,100 million, and notional assets (estimated future
 contributions together with the notional investments held at the valuation date) of £196,100
 million, giving a notional past service deficit of £22,000 million;
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to the TPS in the period amounted to £3,519,266 (2021: £3,069,021).

A copy of the valuation report and supporting documentation is on the <u>Teachers' Pensions website</u>.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £2,432,000 (2021: £2,300,000) of which employer's contributions totalled £1,914,000 (2021: £1,817,000) and employees' contributions totalled £518,000 (2021: £483,000). The agreed contribution rates for future years range from 5.5% - 12.5% for employees, and 18.5% - 23.8% for employers.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of Trust closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

25. RELATED PARTY TRANSACTIONS

Owing to the nature of the Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest or individuals to whom trustees are related. All such transactions are conducted in accordance with the requirements of the Academy Trust Handbook and the Trust's financial regulations and normal procurement procedures relating to connected and related party transactions. The following related party transactions took place during the period:

Sapientia Lettings Limited (formerly Wymondham College Enterprises Limited) is a fully owned subsidiary company of Sapientia Education Trust. The company was dormant for the year ended 31 August 2022.

Results for the period:

Turnover	£Nil
Expenditure	£Nil
Loss	£Nil
Capital & reserves	(£7,741)
Aggregate assets & liabilities	(£7,741)

The subsidiary company is not consolidated within these accounts on the grounds of materiality. Therefore, the accounts present information about the Trust as an individual undertaking and not as a group. It is anticipated that the subsidiary company will become active during the year ended 31 August 2023 and the results consolidated into the Trust.

Trustees Mr Rout, Mr Margand and Mr North had family members attending schools within the Trust during the year. All relevant fees and charges were paid and no concessions received.

The CEO and one member received out of pocket expenses during the period totalling £2,198 (2021: CEO and two members £1,414).

No other related party transactions took place in the period of account, other than certain Trustees' remuneration and expenses already disclosed in note 10.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

25. RELATED PARTY TRANSACTIONS (CONTINUED)

Expenditure Related Party Transaction – year ended 31 August 2021

Julie Taylor associates - wife of the CEO and Trustee Jonathan Taylor

- The approval of a Free School at Wymondham College was accompanied with funding from the Department of Education to appoint a Project Officer to oversee the project from a Trust perspective.
- Trustees interviewed three prospective candidates for the role of Project Officer for the Wymondham College Prep School project and after appropriate evaluation they appointed Julie Taylor Associates to carry out this role.
- In entering into this related party transaction, the Trustees ensured that they complied with the
 requirements of the Academy Trust Handbook and secured assurance from Mrs Taylor that her
 services were provided at 'no more than cost'.
- Mr Taylor played no part in the interviews of prospective candidates or in the decision to appoint Mrs Taylor.
- In January 2019, the Trust was appointed by the Department of Education to run White House Primary School that was due to open in September 2019. Due to the short timescales involved in this project, the Trust appointed Julie Taylor Associates to the role of Project Officer.
- In March 2019, the Education and Skills Funding Agency verified the appointment process and concluded that the Trustees had followed all appropriate procedures in appointing Julie Taylor Associates to both projects.
- Total expenditure for the period was £Nil (2021: £10,120) in relation to the Wymondham College Prep Free School project.
- The contract with Julie Taylor Associates ended on 31 August 2021 as a result of the opening of the new school building in September 2021.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 August 2022

27. AGENCY ARRANGEMENTS

The Trust distributes 16-19 bursary funds to students as an agent for ESFA.

In the accounting period ending 31 August 2022 the Trust received £3,118k and disbursed £3,143k from the fund. An amount of £118k is in included in deferred income relating to undistributed funds that is repayable to ESFA.

Comparatives for the accounting period ending 31 August 2021 are £3,219k received, £3,143k disbursed and £76k included in deferred income.

28. PRIOR PERIOD ADJUSTMENT

A prior period adjustment has been made to the financial statements relating to the accounting period ended 31 August 2021. This corrects the allocation of 2021 capital and GAG income, and reverses a previous adjustment that was duplicated in the 2021 accounts.

The prior period financial statements have been restated to correct the following:

	As previously reported	Prior year adjustment	Restated	
Statement of financial activities	£000	£000	£000	
Income Donations and capital grants	4,204	(825)	3,379	
Balance sheet Accruals and deferred income	1,121	825	1,946	
Restricted general funds – General Annual Grant (GAG)	-	1,209	1,209	
Unrestricted funds – General funds	(182)	909	727	
Restricted fixed asset funds – DfE/ESFA capital grants	5,258	(2,943)	2,315	

29. POST BALANCE SHEET EVENTS

On 1 September 2022, City Academy Norwich joined the Trust.
