6. GOING CONCERN

The financial statements have been prepared on a going concern basis. In the opinion of the directors this is appropriate because they have undertaken to continue to support the company. The directors have undertaken to introduce further funds if the need arises.

The directors expect, therefore, that the company will be able to meet its liabilities as they fall due.

If the company was unable to continue trading, adjustments would have to be made to reduce the value of the assets to their recoverable amount, to provide for any further liabilities which might arise, and to reclassify fixed assets and long-term liabilities as current assets and liabilities.
