Scarborough Overseas Holdings Limited

Directors' Report for the Year Ended 28 February 2022

The directors present their report and the financial statements for the year ended 28 February 2022.

Directors of the company

The directors who held office during the year were as follows:

S R McCabe

S C McCabe

Esplanade Director Limited

Dividends

The directors recommend a final dividend payment of £nil (2021: £9,179,735) be made in respect of the financial year ended 28 February 2022.

Impact of Brexit upon the Company

The Directors have considered the impact of the withdrawal of the United Kingdom from the EU and have not identified any significant impact on the business.

Impact of COVID-19 Coronavirus upon the Company

The Directors have considered the impact of the COVID-19 virus upon the company and have not identified any material impact.

Going concern

The Directors consider the company to be a going concern. The Directors' assesment of the going concern status of the company is detailed in note 2 of these financial statements.

Disclosure of information to the auditors

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditors are unaware.

Reappointment of auditors

Mazars LLP continue in office in accordance with section 487(2) Companies Act 2006.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Scarborough Overseas Holdings Limited

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Scarborough Overseas Holdings Limited

Independent Auditor's Report to the Members of Scarborough Overseas Holdings Limited

Opinion

We have audited the financial statements of Scarborough Overseas Holdings Limited (the 'company') for the year ended 28 February 2022, which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity, and Notes to the Financial Statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 28 February 2022 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Scarborough Overseas Holdings Limited

Independent Auditor's Report to the Members of Scarborough Overseas Holdings Limited

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Scarborough Overseas Holdings Limited

Independent Auditor's Report to the Members of Scarborough Overseas Holdings Limited

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the company and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: employment regulation, health and safety regulation, anti-money laundering regulation.

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- inquiring of management and, where appropriate, those charged with governance, as to whether the company is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the company which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as tax legislation, pension legislation and the Companies Act 2006.

In addition, we evaluated the directors' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures in relation to fraud included but were not limited to:

- making enquiries of the directors and management on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;
- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

Scarborough Overseas Holdings Limited

Independent Auditor's Report to the Members of Scarborough Overseas Holdings Limited

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Scarborough Overseas Holdings Limited

Notes to the Financial Statements for the Year Ended 28 February 2022

1 General information

The company is a private company limited by share capital, incorporated in England and Wales, company registration number 7549543.

The principal place of business is:

Building 3125
Century Way
Thorpe Park
Leeds
West Yorkshire
LS15 8ZB
UK

The address of its registered office is:

Europa House
20 Esplanade
Scarborough
North Yorkshire
YO11 2AQ
UK

The principal activity of the company is that of a holding company.

2 Accounting policies

Statement of compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value. They are presented in GBP and are rounded to the nearest pound.

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Summary of disclosure exemptions

The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12(b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, Scarborough Group International limited, includes the Company's cash flows in its own consolidated financial statements.

The company has taken the exemption under FRS102 paragraph 1.12(c), from disclosing the carrying value of financial instruments not measured at fair value on the basis that it is a qualifying entity and its ultimate parent company, Scarborough Group International Limited, discloses the carrying value of financial instruments in its own consolidated financial statements.

Scarborough Overseas Holdings Limited

Notes to the Financial Statements for the Year Ended 28 February 2022

Group accounts

The Company is a wholly owned subsidiary of Esplanade Group (Scarborough) International Ltd and of its ultimate parent, Scarborough Group International Limited. It is included in the consolidated financial statements of Scarborough Group International Limited which are publicly available. Therefore the Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements.

Going concern

These financial statements have been prepared on a going concern basis which assumes that the company is able to realise its assets and discharge its liabilities in the normal course of business. The directors have assessed that Covid-19 will not have a material impact on the ability of the company to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Critical accounting estimates and assumptions

Impairment of investments

In considering the carrying value of the investments the directors have assessed the value of the underlying assets to determine if a provision is required. Refer to Note 10 for impairment provisions recognised as the subsidiary is in liquidation.

Recoverability of intercompany receivable balances

The company makes an estimate of the recoverable value of intercompany debtors. When assessing impairment of intercompany debtors, management considers historical experience and knowledge of any other specific factors affecting an intercompany debtor's ability to pay. Refer to Note 3 where provisions against the debt due from Scarborough China Holdings Limited, a group undertaking, have been reversed during the year as the loan has been waived.

Tax

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

Investments

Investments in equity shares which are not publicly traded are measured at cost less impairment.

Interest Receivable

Interest income on debt securities, where applicable, is recognised in income using the effective interest method.

Dividends

Dividends on equity securities are recognised in income when receivable.

Scarborough Overseas Holdings Limited

Notes to the Financial Statements for the Year Ended 28 February 2022

Financial Instruments

The Company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and loans to related parties.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive Income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Dividends

Dividend distribution to the company's shareholders is recognised as a liability in the financial statements in the reporting period in which the dividends are declared.

3 Operating loss

Arrived at after charging/(crediting)

| | 2022 £ | 2021 £ |
|--|------------------|-----------|
| (Reversal of)/provision against amounts owed by group undertakings | (4,252,247) | 836,740 |
| Intercompany loan waiver | <u>4,834,273</u> | <u>-</u> |

A loan waiver was issued to Scarborough China Holdings Limited £4,834,273 which released the provision for bad debt made in prior years of £4,252,246.

4 Interest payable and similar expenses

| | 2022 £ | 2021 £ |
|------------------------|-----------|--------------|
| Other interest payable | <u>-</u> | <u>3,293</u> |

Scarborough Overseas Holdings Limited

Notes to the Financial Statements for the Year Ended 28 February 2022

5 Particulars of employees

The average number of employees (excluding directors) during the year was nil (2021: nil).

6 Directors' remuneration

No emoluments were paid to the directors during the year (2021: £nil).

7 Auditor's remuneration

Auditors remuneration, in respect of audit services of £420 was borne by Scarborough Management Limited during the year (2021: £400).

Auditors remuneration, in respect of non audit services, has been disclosed within Scarborough Management Limited.

8 Taxation

Tax charged/(credited) in the income statement

| | 2022 £ | 2021 £ |
|-------------------------|-----------|-----------|
| Current taxation | - | - |

The tax on profit before tax for the year is the same as the standard rate of corporation tax in the UK (2021 - the same as the standard rate of corporation tax in the UK) of 19% (2021 - 19%).

The differences are reconciled below:

| | 2022 £ | 2021 £ |
|---|-----------|-----------|
| Loss before tax | (588,376) | (854,739) |
| Corporation tax at standard rate | (111,791) | (162,400) |
| Effect of expense not deductible in determining taxable profit (tax loss) | 110,585 | 159,719 |
| Remeasurement of deferred tax credit for changes in tax rates | (50,301) | (16,706) |
| Increase deferred tax not recognised | 55,307 | 15,587 |
| Tax (decrease)/increase from transfer pricing adjustments | (3,800) | 3,800 |
| Total tax charge/(credit) | - | - |

The company has losses of £838,354 (2021: £854,739) with an estimated unrecognised deferred tax asset of (£209,588) (2021: £154,281) using the deferred rate of 25% which has not been recognised.

Scarborough Overseas Holdings Limited

Notes to the Financial Statements for the Year Ended 28 February 2022

Changes to the UK corporation tax rates were announced as part of the Finance Bill 2021. The rate applicable from 1 April 2021 remains at 19% with an increase to 25% from 1 April 2023. These rates have been taken into consideration when calculating tax and any deferred tax balances at the reporting date.
