TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2018

The Trustees present their Annual Report together with the financial statements and Auditor's Report of Anglian Learning (The Trust or the Charitable Company No) for the year ending 31 August 2018. The Annual Report serves the purposes of both a Trustees' Report, and a Directors' Report under company law.

The Trust operates four secondary and three primary academies (the Academies or the Schools) serving a catchment area in Cambridgeshire. The Academies have a combined capacity of 3828 and had a roll of 3768 in the October 2017 census.

•	Bottisham Village College	converted on 1 February 2012
•	Netherhall School and 6th Form	converted on 1 February 2016
•	Sawston Village College	joined the Trust on 1 September 2016
•	Bassingbourn Village College	joined the Trust on 1 September 2016
•	Bottisham Primary School	joined the Trust on 1 March 2018
•	Fen Ditton Community Primary School	joined the Trust on 1 March 2018
•	Stapleford Primary School	joined the Trust on 1 March 2018

Structure, Governance and Management

The Charitable Company's Memorandum and Articles of Association are its primary governing documents. The Trustees of the Charitable Company are also the Directors for the purposes of company law. The terms Trustee and Director are interchangeable.

The operation of the Academies and employment of staff are the responsibility of the Trustees. The Trust retains overall control of Academy budgets and finances, and monitors these closely through its Finance and Audit Committee. Under delegated authority, the Local Governing Bodies (LGBs) play an important part in overseeing financial and educational standards in order to reinforce controls, balances and checks, as well as setting budgets and monitoring expenditure.

Details of the Trustees who served throughout the period are included in the Reference and Administrative Details section. Within this report the term Trustee refers to an individual who sits on the Board of Trustees and the term Governor refers to an individual who sits on a LGB. Details of the Trustees who served during 2017/18 are included in the Reference and Administrative Details section.

Members' Liability

Each Member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a Member, or within one year after they cease to be a Member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a Member.

Trustees and Officers' Indemnities

In accordance with normal commercial practice the Trust has purchased insurance to protect Trustees, Governors and Officers from claims arising from negligent acts, errors or omissions occurring whilst on Trust business. The insurance provides cover up to £5,000,000 on any one claim and details of the costs are disclosed in Note 12 to the accounts.

Method of Recruitment and Appointment or Election of Trustees

The Members should comprise a minimum of three people, including the Chair of the Board of the Trustees. No employee can be a Member.

Subject to Articles 48, 49 and 53, in the Articles of Association, the Academy Trust shall have the following Trustees:

- Up to 10 Trustees appointed under Article 50 but shall not be less than three; plus
- the Chief Executive Officer (CEO) the Trust.

ANGLIAN LEARNING
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

Trustees are appointed for a fixed term of four years but can be re-elected. The Trustees may appoint up to two co-opted trustees. In certain circumstances the Secretary of State for Education has the power to appoint Trustees.

Policies and Procedures Adopted for the Induction and Training of Trustees and Governors

The Trust is committed to providing high quality training and developmental opportunities for Trustees and Governors, enabling them to perform their role effectively. The specifics of this training will be dependent on their existing experience. Anglian Learning draws on support and expertise from a range of sources, including Local Authority Governor Services, Stone King (solicitors) and the National Governance Association. All new Trustees are provided with login details to the Anglian Learning Governance secure area, which gives them direct access to all Trust and governance information, including strategic planning documents, policies, procedures, minutes and accounts.

Organisational Structure

The governance of the Trust is defined in the Memorandum and Articles of Association together with the Funding Agreement with the Department of Education.

The Board of Trustees meets on at least four occasions per year and its three sub committees, Finance and Audit, Human Resources and Education, each meet at least three times per year and in addition will call an Annual General Meeting. LGB's meet at least six times per year. An annual calendar of meetings is approved before the start of the academic year. For 2018-19 a Trust Remuneration Committee has been established to oversee the pay and conditions of senior Trust staff.

The Board of Trustees is responsible for the strategic direction of the Trust. The Trustees are responsible for setting strategic policy; ensuring excellent governance and compliance to legislation; adopting an annual Trust business plan; setting and approving the overall budget; and for monitoring the performance of all its Academies.

The Board of Trustees delegate responsibility to both the Trust Leadership Team (TLT) and the LGBs of each Academy. LGBs are responsible for implementing individual School policies, approving and monitoring the School Improvement Plan, proposing and monitoring annual budgets and capital expenditure projects within authorised limits. These delegated responsibilities are set out clearly in the Anglian Learning Scheme of Delegation and associated guidance.

The TLT has delegated responsibility for the operational running of the Trust and consists of:

- Chief Executive Officer (CEO)
- Two Deputy Chief Executive Officers (part time)
- Executive Primary Headteacher
- Chief Operating Officer

The Trust's CEO is the Accounting Officer.

The TLT is responsible for implementing the Strategy Plan across the Trust, alongside the management of risk and ensuring effective reporting and compliance. They work closely with the Academy principals, providing support and challenge to ensure the delivery of key priorities in each School.

The TLT and local Headteachers are supported by their local senior leadership teams and the central operational team directorate heading up Finance, ICT, Human Resources and Estates.

The local Headteachers and senior leadership teams are responsible for the day to day operation of their School, implementing both Trust and local school policies, monitored by their LGB. This includes the appointment of staff, the appropriate use of resources and ensuring the safety of students, staff and visitors. They are responsible for the authorisation of spending within agreed budgets and for the appointment of staff, following vetting and safeguarding recruitment processes.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

Arrangements for setting pay and remuneration of key management personnel

Key management personnel include Trustees and those staff to whom the Trustees have delegated significant authority and responsibility in the day-to-day running of the Trust. Pay and remuneration of key management personnel is decided by a variety of contributory factors, such as the Trust or Academy group size, the Individual School Range, the pay scales for each role and the level of experience of each staff member. In addition, pay levels may be affected by nationally agreed pay awards, the ability to recruit and retain in post, all of which are in accordance with the Trust's appointment and pay policies. At School level, the CEO/Deputy CEO or Executive Headteacher act as support and challenge partners to LGBs when Headteacher performance management takes place, and in addition providing an element of moderation and consistency in pay awards. Decisions made by Appraisal Panels are then discussed and approved by the relevant pay review committee of the LGB. For Trust central staff, all amendments to the pay and remuneration of key staff, as recommended by the Appraisal Panel, is approved by the Finance and Audit Committee and ratified by the Board of Trustees. From 2018 onwards, a Remuneration Committee is being established to provide further rigour and oversight of central staff pay and remuneration.

People with Disabilities

Information regarding disabilities does not need to be shared directly with the Trust, unless relevant to the interview process or their employment. Should the Trust be made aware of a disability then measures will be considered to ensure that a fair assessment of their aptitudes and abilities is conducted, within the framework of reasonable adjustments being made to the post. In the event of employees becoming disabled during their employment, then every effort will be made to seek professional medical opinions as to reasonable adjustments that can be made to continue their employment in their existing role or advice as to alternative roles within the Trust that they may be able to undertake.

Employee Involvement and Communication

Where appropriate, the Trust consults on matters such as pay policy, health and safety and welfare with the relevant teaching and support staff and their trade unions. The Trust provides information to employees generally by way of email, intranet and memo. Each of the Academies also provides communication channels via senior leadership team meetings and cascaded line management meetings and staff meetings. Employees are expected to familiarise themselves with school policy, procedures and advisory information, Ofsted reports, student progress and attainment statistics relevant to their role, which is available through the intranet, School websites or relevant personnel. For 2018, a dedicated Joint Consultation Committee is being established to enhance communication with professional associations and unions.

Equal Opportunities Policy

It is the Trust's policy to ensure equality of opportunities is afforded to staff, students and other stakeholders. Training, career development or promotion opportunities are available to all employees. Training on equality and diversity has taken place for all secondary school leadership teams and is being rolled out across all Schools. Training has taken place within central services and trained individuals are always present on interviewing panels. Where possible, diversity of representation on those panels is in place.

Related Parties and other Connected Charities and Organisations

Owing to the nature of the Trust's operations and the composition of the Board of Trustees being drawn from local public and private sector organisations, it is inevitable that from time to time transactions will take place with organisations in which Trustees and Governors may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Trust's financial regulations and normal procedures. Any transaction where the Trustee may have a pecuniary interest is declared and only undertaken in accordance with the 'at cost' principle described in the Trust's Internal Financial Control Procedures. The Trust accesses legal advice to ensure compliance with regulatory and best practice.

ANGLIAN LEARNING

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

All staff, Directors, Trustees and Governors have signed documentation at the beginning of the academic year to declare any relevant interests that may conflict with the internal financial controls of the trust and the requirements of charitable law and the Academies Financial Handbook.

The Trust has no other financially connected organisations, but does have wider influence over wider networks and constitutions including other Cambridgeshire Secondary and Primary schools and:

- Cambridgeshire County Council
- Cambridge Area Partnership
- East and South Cambridgeshire Inclusion Partnership
- Anglian Gateway Teaching School Alliance (AGTSA)
- Cambridgeshire & Suffolk Teaching School Alliance (CASSA)
- Cambridge Teaching School Network (CTSN)
- Cambridgeshire Secondary and Primary Heads' Groups
- Cambridge and Peterborough Secondary Academy Group
- Faculty of Education, Cambridge University

The Trust does not have a formal sponsor.

Funds held as Custodian Trustee on behalf of others

Cambridge School Sports Partnership

The Trust, through The Netherhall School, operates as a banker school for Cambridge School Sports Partnership. The aim of the organisation is to support schools to deliver high quality PE and School sport through a coordinated local delivery system. The balance on this account as at 31 August 2018 is £32,821

Cambridge Area Partnership (CAP)

The Trust, through Bottisham Village College, acts as banker school for Cambridge Area Partnership (CAP). Cambridge Area Partnership (CAP) is a partnership of all the state-funded providers of education and training for 14-19 year olds in Cambridge, East Cambridgeshire and South Cambridgeshire. Funds are held in a control account and are reported on a regular basis to the CAP consultant and Chair. All payments from the account are authorised by the Chair. The balance on this account as at 31 August 2018 is £575,765

Objects and Aims

The principal object and aim of the Charitable Company is the operation of a number of Academies to provide free education and care for pupils of different abilities within its local community between the ages of 4 and 18.

Objectives, Strategies and Activities

Anglian Learning Charter

All our Schools share the firm belief that successful learning communities are underpinned by ambitious vision, trust and strong inspirational leadership at all levels of the organisation. Through membership of the Trust, these values are reinforced by working with like-minded schools, leaders and teachers, to make a difference to the lives of our young people. We believe that we have a shared responsibility, through support and challenge, to ensure that all our Academies can offer an outstanding education to all students.

The Anglian Learning Charter sets out our aims, with the overarching goal to create self-sustaining, community-based schools that celebrate Innovation, Creativity and Individuality, actively pursuing a collective responsibility for achieving excellent outcomes for all learners.

ANGLIAN LEARNING
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

We aim:

- To develop a dynamic and inspirational culture for teaching and learning excellence.
- To provide pupils with stimulating and valuable enrichment opportunities across the curriculum.
- To raise achievement of all young people, especially those who are most vulnerable, and use the collective energy of the Trust to improve life chances.
- To build a curriculum and assessment structure that will enable teachers, pupils and parents to celebrate success.
- To encourage innovation and risk-taking through a focus on research and best practice locally, nationally and internationally.
- To promote, enable and support leadership at all levels to flourish in individual Schools and across the Trust.

Activities for Achieving Objectives

The activities of the Trust over the past twelve months have been ambitious and wide ranging, captured in an emerging Business and Growth Plan and a detailed and thorough strategic development plan, which focused on improving performance in each of the Secondary Schools, developing the workforce and enhancing the financial and operational aspects of the Trust's areas of responsibility. This plan and its associated KPIs were kept under constant review by the TLT and the relevant Committee of the Board of Trustees.

Public Benefit

The Charitable Company's aims are set out in this Report. The Trustees have complied with their duty to have due regard to guidance on public benefit published by the Charity Commission in exercising their powers or duties.

Strategic Report

Achievements and Performance

Anglian Learning is very proud of the progress that we made against our strategic priorities during our second year of operation. The performance of each of the Schools is detailed below under the Key Performance Indicators but more widely the Trust has achieved the following:

- The successful conversion of three primary schools into the Trust.
- Completion of the first phase of a major building project at Bottisham Village College, on time and within budget.
- Wide ranging development of the overall estate of the Trust through successful implementation of a number of Condition Improvement Fund projects.
- Development of a comprehensive draft Premises Management Plan.
- Implementation of two major catering procurement processes.
- Recruitment of a new CEO, and the successful appointment of a Principal in one of the Secondary Schools.
- Development of an ambitious quality assurance and school improvement framework.
- Reviews of performance in two of the Secondary Schools leading to improved examination outcomes in selected subjects.
- Development of a three-year Business and Growth Plan.
- Enhancements to safeguarding and safer recruitment processes including installation of software to better record and monitor safeguarding referrals.
- Continued development of an ambitious design for the new Wing Primary School.
- Training and development of a suite of policies and procedures for GDPR compliance.
- Joint procurement and substantial savings of ICT hardware across the Trust.
- Training in equality and diversity to support recruitment.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

We are confident that these and other key developments place us in a strong position as a Multi Academy Trust, serving as firm foundations, which will enable us further develop and enhance our performance in future years.

Key Performance Indicators

The Trustees receive regular information at each Committee and Board meeting to enable them to monitor the performance of the Trust compared to aims, strategies and financial budgets.

The Trust has developed an Anglian Learning Data Dashboard that identifies key performance indicators for all key educational functions; this data is refreshed regularly, and at least termly, prior to interrogation by the TLT, and circulation to Trustees for scrutiny and discussion during their calendared meetings.

The Data Dashboard is underpinned by a thorough Quality Assurance Framework, which evaluates the effectiveness of key areas of School activity including: safeguarding, leadership and management, the quality of teaching, curriculum and achievement.

Key educational KPIs for 2017/18 included:

- % students achieving 5+ in English & Maths
- % students achieving 4+ in English & Maths
- % grades at 7 - 9
- Progress 8 scores

Key Educational Outcomes 2017/18

1. % students achieving 5+ in English & Maths

Bassingbourn Village College = 52%
Bottisham Village College = 50%
The Netherhall School = 46%
Sawston Village College = 68%

2. % student achieving 4+ in English & maths

Bassingbourn Village College = 71%
Bottisham Village College = 73%
The Netherhall School = 68%
Sawston Village College = 77%

3. % grades at 7-9

Bassingbourn Village College = 24%
Bottisham Village College = 29%
The Netherhall School = 21%
Sawston Village College = 37%

4. Progress 8 scores

Bassingbourn Village College = +0.06
Bottisham Village College = +0.07
The Netherhall School = +0.06
Sawston Village College = +0.60

5. The progress made by post 16 students is in line with the national average.
6. Attendance across all Schools is in-line with or above the national average.

Trustees also receive regular operational management information reports covering activity such as centralised services, capital projects, sports centre, and adult learning programs. Risk registers have also been enhanced to be more forensic on a range of Trust activities and are regularly reviewed by the relevant committees of the Board of Trustees. A priority for 2018-19 is to extend these to LGBs.

A range of key financial indicators are monitored across the Trust, together with detailed financial reporting to Trustees, which are scrutinised at regular, calendared meetings of the Finance & Audit Committee and Board of Trustees.

The Finance and Audit Committee also monitors premises costs to General Annual Grant (GAG) income, the capitation spend for curriculum departments to GAG income, total income less grants and cash flow on a regular basis to ensure that the budget is set and managed appropriately.

Going Concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial Review

The principal source of funding for the Trust is the General Annual Grant (GAG) and other grants that it receives from the Education and Skills Funding Agency (ESFA). For the year ended 31 August 2018 the Trust received £23,550,369 of GAG funding and other income (excluding capital funding and amounts received on conversion), alongside 5,540,140 of assets and liabilities donated on transfer of academies joining the Trust.

ANGLIAN LEARNING
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

A high percentage of this income is spent on salaries and support costs to deliver the Trust's primary objective of the provision of education.

During the year the Trust spent £24,831,762 on expenditure and transferred £1,789,733 to support capital new build and improvement projects on the various Academy sites. The Trust brought forward from 16/17, £3,120,935 in restricted capital funds (CIF awards), £266,158 restricted general funds and £2,746,850 unrestricted funding.

The carry forward for 17/18 is £2,249,482 in capital funds (CIF projects and School Expansion Project) £137,397 restricted general funding and £2,580,655 unrestricted funding.

Due to the accounting rules for the Local Government Pension Scheme under FRS102, the Trust is recognising a significant pension fund deficit of £4,237,000. This does not mean that an immediate liability for this amount crystallises and such a deficit generally results in a cash flow effect in the form of increased employer contributions over a number of years.

Reserves Policy

The Trustees are aware of the requirement to balance current and future needs and always aim to set a balanced budget with annual income balancing annual expenditure. The Trustees monitor estimated year-end carry forward figures via the monthly reports from central finance. The budget plan identifies how any carry forward will be allocated in the plan for the following academic year, including the identification of any funds earmarked for a specific project or purpose. The aim of reserves management is to provide sufficient working capital to cover delays between spending and receipt of grants to ensure positive operating cash flow, but also to provide a cushion to protect the Trust and individual Academies from inability to react to unexpected emergency funding requirements such as urgent estates or equipment maintenance.

The Trust's total funds balance including Fixed Asset funds was £53,871,299 (this includes Fixed Assets and pension reserves).

The balance on restricted general funds was £137,397 (excluding pension reserve) and this value includes funds set aside for major capital works to be completed during the following financial year.

The Trust current level of free reserves (total funds less the amount held in fixed assets) is £2,580,655. This has been built up from a mixture of locally raised income and balances transferred from the predecessor schools, including sums relating to property disposal.

On an annual basis the Finance and Audit Committee will review the Trust Reserves Policy and risk profile for the coming year and rolling three year budget. Using this as a basis, the Trust will review capital project requirements, funds required for committed activities and working capital, and will allocate designated funds, as appropriate from unrestricted reserves.

The cash balance of the Trust has been very healthy all year, ending the year with a balance of £6,920,361. However, a significant proportion of this cash is from Capital Funding held against specific projects and is not available to meet normal recurring expenditure.

Principal Risks and Uncertainties

The Trust works with the TLT in maintaining a central risk register, identifying the major risks to which each Academy and collectively the Trust, are exposed, identifying actions and procedures to mitigate those risks. This register is approved and monitored by the Board of Trustees via the three sub-committees.

The Trustees report that the Trust's financial and internal controls conform to guidelines issued by the ESFA, and that improvements to the wider framework of systems dealing with business risk and risk management strategy continue to be made and formally documented.

ANGLIAN LEARNING
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

As a group of academy schools, the level of financial risk is low. Cash flows can be reliably forecast, monitored and reported. Staff costs make up the majority of expenditure and are relatively stable with contingencies in place to cover such items as sickness and maternity.

The principal risks facing the Trust are outlined below:

- **Funding and Balanced Budgets:** each Academy has considerable reliance on continued Government funding through the ESFA. There is no assurance that Government policy or practice will remain the same, or that public funding will continue at the same levels or on the same terms. Trustees and the TLT are also mindful of the significant implications of adjustments in income, related to changes in student numbers. Cambridgeshire funding levels continue to be a significant challenge.
- **High quality governance and TLT capacity during the growth of the Trust:** Trustees continue to review and evaluate progress, ensuring that the Executive and Senior Leadership Teams have the required levels of skills and capacity to support successful growth. Trustees evaluate their own performance, identifying development needs and implementing a programme of training.
- **Safeguarding and child protection:** Trustees continue to ensure that the highest standards are maintained in all Schools in the following key areas - the recruitment and monitoring of staff; the operation of child protection policies and procedures; the implementation of health & safety policies;
- **Staffing and skills:** the success of our Academies is reliant on the ongoing recruitment and retention of high quality staff. Trustees monitor and review HR policies and procedures alongside staff recruitment, retention and turnover figures, to help to inform future HR strategy priorities.

The Trust has continued to strengthen its risk management processes through the further development of a comprehensive Risk Register, to be used at Trust and LGB level, with accompanying training to enable better identification and mitigation of risk.

Plans for Future Periods

The Trust will continue to focus on ensuring that every student has access to high quality educational provision, which enables them to thrive and achieve excellent educational outcomes. A particular focus will be to secure a 'Good' Ofsted judgement for The Netherhall School, following their first Ofsted Inspection since joining the Trust, as part of a wider objective to better target resources across the Trust to improve performance in primary and secondary schools. We will also continue to prioritise the development of strategies that will enable disadvantaged young people in our care to achieve accelerated progress, enhancing their life chances. A third objective is to improve recruitment and retention of staff, through training, improved advertising and talent management, as well as workload and wellbeing reforms.

The Trust will implement the next stage of its plans for growth through the establishment of our first Primary Hub, under the leadership of the Executive Primary Headteacher and the Trust is engaging in conversations with other primary schools, as well as one secondary school.

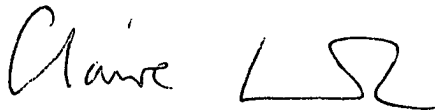

We will continue with the development of key central support services that will be designed to provide high quality and best value provision for our Schools, ensuring high quality recruitment to key positions such as Finance and Operations. Further development work is also taking place with LGBs to enhance their roles and responsibilities.

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As trustees, we acknowledge we have overall responsibility for ensuring that Anglian Learning has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Chief Executive Officer, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Anglian Learning and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 6 times during the year. Attendance during the year at meetings was as follows:

Trustee	Meetings attended	Out of a possible
Sue Speller	5	6
Claire Lawton, Chair of Trustees	6	6
Ken Murphy	5	6
Donna Cornwell	6	6
Richard Cowling	6	6
David Lamkin	4	6
Duncan Hambridge	3	6
Gareth Davies	2	3
Geoff Hayward	0	3
Simon Humphrey	2	3
Kate Evans, Accounting Officer (until 31/08/18)	5	6
Phillip Hodgson	5	6

A comprehensive skills audit carried out prior to the establishment of Anglian Learning in September 2016, confirms that the Board of Trustees comprises experienced Trustees who have the appropriate range of skills and experience required to enable them to fulfil their wide-ranging roles and responsibilities. Given the commitment to developing a Primary Hub, a decision was made at the outset to recruit a highly experienced primary headteacher and a professor of education, to complement the significant secondary experience of other trustees.

As part of ongoing self-evaluation and review processes, Trustees established a priority to recruit additional financial expertise; as a consequence, a highly experienced and fully qualified accountant was appointed to the Board of Trustees at the start of the 2017/18 academic year.

Trustees are ambitious for the Trust and are also committed to continual improvement in their own governance function. A Governance Working Group has been established to oversee the identification of key areas for development, supported by the implementation of associated improvement strategies.

GOVERNANCE STATEMENT (continued)

Trustees have worked closely with members of the TLT to develop a range of reporting systems that enable Trustees to be provided with wide-ranging, high quality data so that they can provide appropriate levels of support and challenge in holding the executive to account. These include:

- A comprehensive Data Dashboard providing key educational and operational performance data
- The further development of an Anglian Learning Risk Register, which is regularly reviewed at Committee and full Board meetings
- Detailed reports and updates produced by members of the TLT for the regular meetings of all 3 committees (Education, Finance & Audit and HR) and full Board meetings
- Feedback from the outcomes of Trust-wide Quality Assurance systems

The Finance and Audit Committee is also a sub-committee of the Board of Trustees. Its purpose is to:

- To prepare and recommend to the Board of Trustees, the Trust and Academy Financial Regulations and Procedures to comply with Academies Financial Handbook, relevant statute and regulation, the Trust's Scheme of Delegation and the decisions of the Trustees.
- To review, recommend to the Board of Trustees and monitor the individual Academy annual budgets that are proposed by each LGB, with a specific responsibility to ensure that budgets do not go into deficit.
- To review, recommend and monitor the Trust annual budget that consolidates individual Academy budgets with Trust central costs and charges.
- To identify and propose to the Board of Trustees opportunities for the Trust to achieve financial and resource efficiencies for Academies through joint commissioning and procurement.
- To review and recommend to the Board of Trustees the appointment and re-appointment of the Trust's Auditors.
- To plan and oversee the statutory audit of annual accounts for the Trust and each Academy.
- To review and recommend to the Board of Trustees the audited annual accounts and financial statements in accordance with relevant statute and regulation.
- To prepare and recommend to the Board of Trustees and implement the Trust action plan in response to the Auditor's management letter.
- To plan, oversee and monitor the internal audit of Trust and Academy compliance with the Trust's financial regulations and procedures and to recommend and implement appropriate action to enhance compliance.
- To review and approve the Accounts Return to the Education and Skills Funding Agency.
- To prepare and approve policies relating to the Trust's financial governance and operation.
- To review and approve the Asset Management Policy and Trust Health & Safety Policy.

Priorities for the Finance and Audit Committee during 2017-18

During 2017-18 academic year, the Finance and Audit Committee has continued to focus on ensuring high quality governance and compliance to the requirements as set out in the Academies Financial Handbook. The committee has also reviewed the appropriateness of terms of reference, schemes of delegation and internal financial policy and controls. To support that work, consultants from Price Bailey have undertaken biannual internal audit reviews. The Committee authorised the implementation of a new accounting system, which is now used by all Schools. This allows for improved consistency, control and quality of management and executive financial information across the Trust.

During the year the Finance and Audit Committee has reviewed its composition and looked at the strengths and experience of committee members to identify areas of development.

The Committee also produced a reserves and investment policy for approval by the Board of Trustees.

REVIEW OF VALUE FOR MONEY

As Accounting Officer, the Chief Executive Officer has responsibility for ensuring that the Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate.

Anglian Learning reviews and prioritises the way in which resources are allocated in order to meet the objectives set out in the development plans. The Trust aims to secure the best possible outcomes for pupils, in the most efficient and effective way, considering the individual needs of each School.

The Trustees apply the four principles of best value:

- Challenge: why, how and by whom a service is provided?
- Compare: by using data from within the Trust, together with national and local benchmarking data.
- Consult: with key stakeholders and the local community, seek advice from specialists on projects and services
- Competition: secure efficient and effective services through a professional approach to procurement, using quotes and service comparisons in line with requirements set out in the Internal Finance Control Procedures, enabling the Trust to ensure that suppliers and service providers are selected based on best service, value for money and quality of delivery.

The Trustees Approach

The Trustees and Academy Principals and Executive Leaders apply the principles of best value when making decisions about:

- The allocation of resources to best promote the aims and value of individual Academies
- The targeting of resources to best improve standards and the quality of provision
- The use of resources to best support the various educational needs of all pupils

The Trustees, Accounting Officer and Executive Leaders have aimed to deliver improved value for money during the year by prioritising the following areas:

- Staffing; reviewing the needs of each Academy, recruiting and developing staff to maximise the quality of teaching and learning.
- Use of Estates; considering the efficient use of assets to provide the best environment for learning and to maximise opportunities to generate additional sources of income, including the use of facilities for extended learning and community activities.
- Purchasing; to work within clear procedures for assessing need and obtaining goods and services which provide best value. This year there has been an increased emphasis on Trust wide procurement, including the strategic procurement of cleaning and catering services for our Schools.
- Pupil Welfare and Health and Safety; to continually review the School estates to sure that they are fit for purpose, compliant to requirements of H&S and provide stimulating learning environments.

ANGLIAN LEARNING

GOVERNANCE STATEMENT (continued)

- A new software package has been rolled out across the Trust to improve monitoring of health and safety, procurement and premises management.

The Trust monitors the impact of value for money strategies in a range of ways including:

- Departmental and budget reviews with Principals and Senior Leaders.
- Feedback from Auditors.
- Staff performance and salary reviews.
- Curriculum planning and pupil performance data.
- Benchmarking across the Trust and other local academies.
- Scrutiny and challenge by the Finance & Audit Committee.

In order to drive best value and the efficient use of School resources the following services are being developed to offer high quality school support and shared services across the Trust in the following areas:

Strategic Finance and Reporting, HR, ICT, Estates Management, Audit, Governance and Compliance

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The updated system of internal control has been in place in Anglian Learning for the year.

CAPACITY TO HANDLE RISK

The Board of Trustees has reviewed the key risks to which the Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Trust's significant risks, that has been in place for the year 1 September 2017 to 31 August 2018 and up to the date of approval of the Annual Report and financial statements. This process is regularly reviewed by the Board of Trustees.

Each Trust sub-committee - Finance, HR and Standards - reviews and maintains a risk register which then reports to the Board of Trustees, at least termly, to ensure that there is a clear focus on the most relevant strategic and operational risks.

The Trust engages Price Bailey to provide an internal audit review service twice a year which produces reports for the finance committee.

THE RISK AND CONTROL FRAMEWORK

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability.

In particular, through the Finance and Audit Committee, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Finance and Audit Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has decided to appoint Price Bailey LLP as Internal Auditor.

ANGLIAN LEARNING
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (continued)

The Internal Auditor's role includes giving advice on financial matters and performing a range of checks on the Trust's financial systems. In particular the checks carried out in the current period included, a review of Trust governance and compliance to the requirements as set in the Academies Financial Handbook and a review of the recognition of funding and commercial income streams

On a semi-annual basis, the Internal Auditor reports to the Board of Trustees through the Finance and Audit Committee on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities.

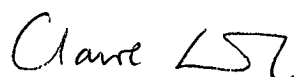

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the Internal Auditor;
- the work of the external Auditors;
- the financial management and governance self-assessment process; and
- the work of the executive managers within the Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Anglian Learning I have considered my responsibility to notify the Board of Trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Trust, under the funding agreement in place between the Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2017.

I confirm that I and the Board of Trustees are able to identify any material irregular or improper use of funds by the Trust, or material non-compliance with the terms and conditions of funding under the Trust's funding agreement and the Academies Financial Handbook 2017.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2018

The Trustees (who are also the Directors of the Charitable Company for the purposes of company law) are responsible for preparing the Strategic Report, the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction issued by the Education & Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charitable Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

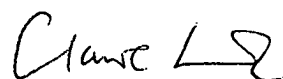

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charitable Company's transactions and disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the Charitable Company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
ANGLIAN LEARNING**

OPINION

We have audited the financial statements of Anglian Learning (the 'Trust') for the year ended 31 August 2018 which comprise the Statement of Financial Activities incorporating Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018 issued by the Education & Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Trust's affairs as at 31 August 2018 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018 issued by the Education & Skills Funding Agency.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our Report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our Report, we do not express any form of assurance conclusion thereon.

ANGLIAN LEARNING
(A Company Limited by Guarantee)

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
ANGLIAN LEARNING**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the Directors of the Charitable Company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

USE OF OUR REPORT

This Report is made solely to the Trust's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Trust's Members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trust and its Members, as a body, for our audit work, for this Report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO ANGLIAN LEARNING AND THE EDUCATION & SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 9 November 2018 and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2017 to 2018, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Anglian Learning during the year 1 September 2017 to 31 August 2018 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This Report is made solely to Anglian Learning and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Anglian Learning and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Anglian Learning and the ESFA, for our work, for this Report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF ANGLIAN LEARNING'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT

The Accounting Officer is responsible, under the requirements of Anglian Learning's funding agreement with the Secretary of State for Education dated 28 March 2011, and the Academies Financial Handbook extant from 1 September 2017, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2017 to 2018. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2017 to 31 August 2018 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2017 to 2018 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Trust's income and expenditure.

The work undertaken to draw our conclusion includes:

- Consideration and corroboration of the evidence supporting the Accounting Officer's Statement on Regularity, Propriety and Compliance.
- Evaluation of the general control environment of the Trust, extending the procedures required for financial statements to include regularity.
- Discussions with and representations from the Accounting Officer and other key management personnel.
- An extension of substantive testing from our audit of the financial statements to cover matters pertaining to regularity, propriety and compliance in particular checking that selected items were appropriately authorised, and appropriate.

**INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO ANGLIAN
LEARNING AND THE EDUCATION & SKILLS FUNDING AGENCY (continued)**

CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2017 to 31 August 2018 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2018

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2017 to 2018 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Anglian Learning constitutes a public benefit entity as defined by FRS 102.

The Trust's functional and presentational currency is Pound Sterling.

1.2 Company status

The Trust is a company limited by guarantee. The Members of the Company are the Trustees named on page 1. In the event of the Trust being wound up, the liability in respect of the guarantee is limited to £10 per Member. The Trust's registered office is Lode Road, Bottisham, Cambridge, CB25 9DL.

1.3 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

1. ACCOUNTING POLICIES (continued)

1.4 Income

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities incorporating Income and Expenditure Account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities incorporating Income and Expenditure Account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Donations are recognised on a receivable basis where receipt is probable and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

Where assets are received by the trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the Balance Sheet at the point when the risk and rewards of ownership pass to the Trust. An equal amount of income is recognised as a transfer on conversion within Income from donations and capital grants.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities are costs incurred on the Trust's educational operations, including support costs and those costs relating to the governance of the Trust apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

1. ACCOUNTING POLICIES (continued)

1.6 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.7 Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities incorporating Income and Expenditure Account and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities incorporating Income and Expenditure Account. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of these assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	30 - 50 years straight line
Leasehold property	-	50 years straight line
Furniture and fixtures	-	5 - 7 years straight line
Motor vehicles	-	5 years straight line
Computer equipment	-	5 years straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities incorporating Income and Expenditure Account.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1. ACCOUNTING POLICIES (continued)

1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Liabilities and provisions

Liabilities and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 Operating leases

Rentals under operating leases are charged to the Statement of Financial Activities incorporating Income and Expenditure Account on a straight line basis over the lease term.

1.12 Leasing and hire purchase

Assets obtained under finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the Trust. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the Statement of Financial Activities incorporating Income and Expenditure Account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

1.13 Taxation

The Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2018

1. ACCOUNTING POLICIES (continued)

1.14 Financial instruments

The Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Trust and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 14. Prepayments are not financial instruments. Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised costs as detailed in notes 15 and 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.15 Pensions

Retirement benefits to employees of the Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Governments Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 23, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities incorporating Income and Expenditure Account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1. ACCOUNTING POLICIES (continued)

1.16 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Trustees make estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 23, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2018. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The specific purposes for which the funds are to be applied are as follows:

Unrestricted funds

This represents income received that does not have restrictions.

General Annual Grant (GAG)

This represents funding from the ESFA to cover the costs of recurrent expenditure.

Under the funding agreement with the Secretary of State, the Trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2018.

Pension reserve

This fund represents the Trust's share of the deficit on the Local Government Pension Scheme (LGPS).

Restricted donations

This fund largely represents contributions made by parents to the running of educational visits for the pupils of the Schools and the associated costs of running the trips.

Other Government grants

This represents various grants from local and national Government Bodies for the provision of specific services to pupils of the Schools. These grants are generally restrictive in nature.

Other DfE and ESFA grants

This represents funding to be used to help raise achievement and improve outcomes for pupils from low income families who are eligible for free school meals.

Sinking fund

The Sinking fund was established in order to ring-fence funds for future anticipated refurbishment costs of the sports centre.

22. CAPITAL COMMITMENTS

At 31 August 2018 the Trust had capital commitments as follows:

	2018 £	2017 £
Contracted for but not provided in these financial statements	1,875,835	2,432,365

23. PENSION COMMITMENTS

The Trust's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Cambridgeshire County Council. Both are Multi-Employer Defined Benefit Pension Schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

Contributions amounting to £168,042 were payable to the schemes at 31 August 2018 (2017 - 272,461) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge;
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million;
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations; and
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2018**

23. PENSION COMMITMENTS (continued)

The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £1,628,329 (2017 - £1,685,009).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2018 was £1,050,000 (2017 - £915,000), of which employer's contributions totalled £829,000 (2017 - £719,000) and employees' contributions totalled £221,000 (2017 - £196,000). The agreed contribution rates for future years are 19% for employers and 5.5-6.8% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions:

	2018	2017
Discount rate for scheme liabilities	2.80 %	2.50 %
Rate of increase in salaries	2.64 %	2.70 %
Rate of increase for pensions in payment / inflation	2.34 %	2.40 %
Commutation of pensions to lump sums	50.00 %	50.00 %

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2018	2017
Retiring today		
Males	22.4	22.4
Females	24.4	24.4
Retiring in 20 years		
Males	24.0	24.0

25. MEMBERS' LIABILITY

Each Member of the Charitable Company undertakes to contribute to the assets of the Company in the event of it being wound up while he/she is a Member, or within one year after he/she ceases to be a Member, such amount as may be required, not exceeding £ 10 for the debts and liabilities contracted before he/she ceases to be a Member.

26. RELATED PARTY TRANSACTIONS

Owing to the nature of the Trust's operations and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which a Trustee has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Trust's financial regulations and normal procurement procedures.

No related party transactions took place in the period of account, other than certain trustees' remuneration and expenses already disclosed in note 11.
