A C JOINERY (AMBLE) LIMITED

REPORT TO THE DIRECTORS ON THE PREPARATION OF THE UNAUDITED STATUTORY ACCOUNTS OF A C JOINERY (AMBLE) LIMITED

In accordance with the engagement letter dated , and in order to assist you to fulfil your duties under the Companies Act 2006, we have compiled the financial statements of the company from the accounting records and information and explanations you have given to us.

This report is made to the directors in accordance with the terms of our engagement. Our work has been undertaken to prepare for approval by the directors the financial statements that we have been engaged to compile, to report to the directors that we have done so, and to state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's directors for our work or for this report.

You have acknowledged on the balance sheet as at year ended 30 September 2021 your duty to ensure that the company has kept proper accounting records and to prepare financial statements that give a true and fair view under the Companies Act 2006. You consider that the company is exempt from the statutory requirement for an audit for the year.

We have not been instructed to carry out an audit of the financial statements. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.

We have prepared these financial statements based on the accounting records, information and explanations provided by you. We do not express any opinion on the financial statements.

On the balance sheet, you have acknowledged your duties under the prevailing Companies Acts to ensure that the company keeps adequate accounting records and prepares financial statements that give "a true and fair view".

You have determined that the company is exempt from the statutory requirement for an audit for this accounting year. Therefore, the financial statements are unaudited.

The financial statements are provided exclusively to the directors for the limited purpose mentioned above, and may not be used or relied upon for any other purpose or by any other person, and we shall not be liable for any other usage or reliance.

Company information

A C Joinery (Amble) Limited is a private company limited by shares incorporated in England and Wales. The registered office is 35 St Cuthberts Avenue, Amble, Northumberland, NE65 0PZ.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates.

When cash inflows are deferred and represent a financing arrangement, the fair value of the consideration is the present value of the future receipts. The difference between the fair value of the consideration and the nominal amount received is recognised as interest income.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer (usually on dispatch of the goods), the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue from contracts for the provision of professional services is recognised by reference to the stage of completion when the stage of completion, costs incurred and costs to complete can be estimated reliably. The stage of completion is calculated by comparing costs incurred, mainly in relation to contractual hourly staff rates and materials, as a proportion of total costs. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent of the expenses recognised that it is probable will be recovered.

1.3 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and equipment	25% Reducing Balance

1.4 Taxation

Taxation for the year comprises current and deferred tax. Tax is recognized in the Income Statement, except to the extent that it relates to items recognized in other comprehensive income or directly in equity.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the profit and loss account, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.
