5.2 The Common Security Agent is not obliged to:

- (a) perform any obligation of a Grantor;
- (b) make any payment;
- (c) make any enquiry as to the nature or sufficiency of any payment received by it or a Grantor; or
- (d) present or file any claim or take any other action to collect or enforce the payment of any amount to which it may be entitled under this Agreement,

in respect of any Securities.

5.3 Each Grantor in its capacity as holder of Unit Trust Securities (if any) irrevocably agrees that the rent and any other income arising in respect of each applicable Unit Trust and belonging to that Grantor as holder of the relevant Unit Trust Securities may be applied (notwithstanding the provisions of the applicable Trust Instrument) by the relevant Trustee(s) or a Common Secured Party to meet the obligations owed by the Obligors to the Common Secured Parties pursuant to the Finance Documents (or following the Senior Discharge Date, the Mezzanine Finance Documents) and hereby irrevocably instruct each relevant Trustee or Common Secured Party to so apply the said rent and any other such income pursuant to the terms of the Finance Documents (or following the Senior Discharge Date, the Mezzanine Finance Documents) and irrevocably instructs each relevant Trustee to grant Security over all income in respect of the applicable Unit Trust and each of the accounts held in the name of the relevant Trustee, and agrees that its interests in all such property and assets are overreached by such Security and that the Common Secured Parties may act in respect of such property and assets as if the relevant Trustee were (subject to the Security) the legal and beneficial owner thereof, and so that the beneficiary or acquirer of any such property or assets (whether a Common Secured Party or other person and whether on any realisation or enforcement pursuant to such Security or otherwise) will take free of its interests in such property and assets; any claim a Grantor in its capacity as a holder of Unit Trust Securities has in respect of any such property and assets shall be against the relevant Trustee(s) only (except in the case of fraud, wilful default or gross negligence on the part of the Common Secured Parties).

5.4 Each Grantor acknowledges that the Common Security Agent has entered into this Agreement in reliance on the covenants and undertakings set out in this Clause 5, in clause 22 (*General Undertakings*) of the Senior Facilities Agreement and in clause 22 (*General Undertakings*) of the Mezzanine Notes Issuance Agreement.

## 6. THE PROVISIONS OF SCHEDULES 3 – 5 TO HAVE EFFECT

Without prejudice to any express reference in this Agreement to the provisions of Schedules 3 to 5, the provisions of those Schedules shall have effect.

**7. EVENTS OF DEFAULT**

Any Event of Default as defined in the Senior Facilities Agreement and/or the Mezzanine Notes Issuance Agreement shall constitute an Event of Default for the purpose of this Agreement.

**8. ENFORCEMENT BY THE COMMON SECURITY AGENT**

8.1 The Common Security Agent's power of enforcement over the Collateral of any particular Grantor shall become exercisable immediately upon and at any time whilst an Event of Default is continuing, provided that the Common Security Agent has served on that Grantor written notice specifying the Event of Default which is continuing.

8.2 Subject only to the Law, the Common Security Agent may whilst an Event of Default is continuing exercise the power of enforcement in respect of the Security Interests in any manner permitted by or not in conflict with the Law including, without limitation, by the Common Security Agent or some person on its behalf:

8.2.1 appropriating all or some of the Collateral (whether in one or a number of transactions and whether simultaneously or in series);

8.2.2 selling all or some of the Collateral (whether in one or a number of transactions and whether simultaneously or in series);

8.2.3 by taking any one or more of the following ancillary actions:

- (a) taking control or possession of all or any of the Collateral;
- (b) exercising any rights of the relevant Grantor in relation to all or any of the Collateral;
- (c) instructing any person who has an obligation in relation to all or any of the Collateral to carry out that obligation for the benefit of the Common Security Agent (including instructing a Deposit Bank as to the application of all or any of the Collateral or proceeds) (or to its order);
- (d) operating any Deposit Account and opening and operating any further accounts; and

8.2.4 exercising or applying any remedy set out in this Clause 8.2.4 (such remedies being exercisable pursuant to the power of enforcement) to the extent that such remedy is not in conflict with the Law:

- (a) directing from time to time any Grantor as to how it shall exercise or cause to be exercised all or any voting and other rights attaching to all or any of the Collateral of that Grantor;

- (b) directing any Grantor as to the disposal of all or any of the Collateral of that Grantor, including, where appropriate specifying the person(s) who are to acquire such Collateral, the terms upon and manner in which such disposal(s) shall take place, including the price or other cause or consideration (whether payable immediately, by instalments or otherwise deferred); and directing the mode of the application of the proceeds of such disposal(s) in such manner as the Common Security Agent shall in its absolute discretion determine, including by way of sale to a third party, to the Common Security Agent or to an associate or nominee of the Common Security Agent;
  - (c) exercising the right under the Custodian Agreement Contract Rights to require any Custodian to (i) deliver or redeliver (or cause to be delivered or redelivered) title to and possession of any or all of the property and assets the subject of the relevant Custodian Agreement to the Common Security Agent; and
  - (d) having any Securities Accounts transferred into the name of the Common Security Agent or other persons(s).
- 8.3 The Common Security Agent's right to enforce its security shall apply notwithstanding that a Deposit Account may be a time deposit and the applicable period of deposit has not yet expired.
- 8.4 For the purposes of this Agreement, references to the exercise of a "**power of enforcement**" shall include any method or process by which value is given, allowed or credited by the Common Security Agent for the Collateral against the Common Secured Obligations.
- 8.5 Where the power of appropriation or sale is exercised in relation to any non-monetary obligation, the "monetary value" (as referred to in Article 51 (*When does a surplus exist?*) of the Law) of such obligation shall be the loss or losses suffered by the Common Security Agent or by any other person by reason of non-performance of such obligation (including as such obligation is owed, or also owed, to any other person), including, without limitation, any such loss(es) as calculated and set out in a certificate submitted to the relevant Grantor by the Common Security Agent.
- 8.6 The Common Security Agent or some person on its behalf may at any time whilst an Event of Default is continuing exercise one or more than one of the powers set out in Clause 8.2, in its sole and absolute discretion and in whatever order and combination as the Common Security Agent thinks fit and against one or more Grantors and not others, or in series or in parallel against different Grantors, or pursue different enforcement strategies or timings against different Grantors.
- 8.7 In accordance with Article 44(4) of the Law, the Common Security Agent and each Grantor hereby agrees that notice need not be given under Article 44 (*Notice of appropriation or sale of collateral*) of the Law to any Grantor.

- 8.8 The Common Security Agent or some person on its behalf may at its discretion:
- 8.8.1 exercise its power of enforcement in respect of the Security Interests over any part of the Collateral without reference to the time, manner, *cause*, consideration or Exchange Rate that may be/has been applicable to such exercise in respect of any other part of the Collateral; and
  - 8.8.2 refrain from exercising its power of enforcement in respect of the Security Interests over any one part of the Collateral notwithstanding that it shall have exercised such power over any other part of the Collateral.
- 8.9 No person dealing with the Common Security Agent shall be concerned to enquire as to the propriety of exercise of any power of enforcement in respect of the Security Interests (including, without limitation, whether any Security Interest has become enforceable, whether any of the Common Secured Obligations remain due, as to the necessity or expediency of any conditions to which a sale or other disposition is made subject or generally as to the application of any monies representing the proceeds of enforcement of the Security Interests in respect of the Collateral). Each such dealing shall be deemed in favour of such person to be valid, binding and effectual.
- 8.10 To the fullest extent permitted by law, the Common Security Agent shall be under no liability to any Grantor for any failure to apply and distribute any monies representing the proceeds of enforcement of the Security Interests in respect of the Collateral in accordance with the Law if the Common Security Agent applies and distributes such monies in good faith (or pursuant to the terms of the Intercreditor Agreement) without further enquiry and in accordance with the information expressly known to it at the time of application and distribution.
- 8.11 In accordance with Article 54(5)(a) of the Law, the Common Security Agent and each Grantor hereby agree that no Grantor shall have any right of reinstatement pursuant to Article 54(4) of the Law or otherwise.
- 8.12 The Common Security Agent is not obliged to marshal, enforce, apply, appropriate, recover or exercise any security, guarantee or other right held by it, or any moneys or property that it holds or is entitled to receive, before the power of enforcement is exercised.
- 8.13 The Common Security Agent (in its capacity as such and not in any personal capacity) will be accountable (and each Grantor is entitled to be credited) only for actual value or proceeds realised by the Common Security Agent arising from the appropriation, sale or other realisation of any Collateral by the Common Security Agent to the extent remaining once such amounts have been applied in accordance with Clause 8.15 and the Common Secured Obligations have been discharged in full.
- 8.14 If the value or proceeds of the appropriation, sale or other realisation of any Collateral of a Grantor is insufficient to discharge the Common Secured Obligations in full, that Grantor will remain liable to the Common Security Agent for any shortfall.

- 8.15 Notwithstanding anything contained in this Agreement, but subject to the Law, any actual value or proceeds realised by the Common Security Agent or its nominee arising from the appropriation, sale or other realisation of any Collateral by the Common Security Agent or its nominees after the security created pursuant to this Agreement has become enforceable must be applied in accordance with the terms of the Intercreditor Agreement.
- 8.16 The exercise by the Common Security Agent of its power of enforcement or by some person on its behalf in respect of the Security Interests of one or more Grantors shall not affect, discharge or prejudice the Security Interests granted by any other Grantor or Grantors, and all rights and remedies against them shall remain available to the Common Security Agent to the end of the Security Period.

## **9. ASSIGNMENT AND SUCCESSION**

- 9.1 The Common Security Agent may grant a participation in or make an assignment or transfer or otherwise dispose of, the whole or any part of its rights and benefits under this Agreement and in particular (without limitation) the benefit of any Security Interest in accordance with clause 14 of the Intercreditor Agreement. For the purpose of any such participation, assignment, transfer or disposal the Common Security Agent may disclose information about each Grantor, each Loan Agreement Counterparty, each Issuer and any other relevant person and the financial condition of each Grantor, each Loan Agreement Counterparty, each Issuer and any other relevant person as shall have been made available to the Common Security Agent by or on behalf of any Grantor, any Loan Agreement Counterparty, any Issuer or any other relevant person or which is otherwise publicly available.
- 9.2 The Security Interests and other rights of the Common Security Agent arising under this Agreement shall remain valid and binding notwithstanding any amalgamation, reorganisation, merger or redomiciliation by or involving the Common Security Agent and shall inure for the benefit of the Common Security Agent's successors.
- 9.3 No Grantor may assign or transfer all or any part of its rights, benefits and or obligations under this Agreement.

## **10. SUSPENSE ACCOUNT**

- 10.1 The Common Security Agent may, in its discretion, place to the credit of a suspense account or impersonal account for so long as the Common Security Agent shall think fit, any monies received under or in connection with this Agreement whilst an Event of Default is continuing in order to, amongst other things and as required by the Common Security Agent, preserve the rights of the Common Security Agent to prove for the full amount of all claims against each Grantor or any other person.
- 10.2 Subject to the terms of the Intercreditor Agreement, the Common Security Agent may, at any time whilst an Event of Default is continuing, apply any of the monies referred to in Clause 10.1

in or towards satisfaction of any of the Common Secured Obligations as the Common Security Agent, in its absolute discretion acting reasonably, may from time to time conclusively determine.

- 10.3 Without prejudice to the generality of Clause 10.1 or 10.2, if the power of enforcement is exercised when any of the Common Secured Obligations are contingent or future, the Common Security Agent may place to the credit of a suspense account or impersonal account the proceeds of enforcement while the Common Secured Obligations remain contingent or future.

**11. EXTINGUISHMENT OF SECURITY INTEREST(S)**

- 11.1 Save as otherwise expressly provided in the Finance Documents (or following the Senior Discharge Date, in the Mezzanine Finance Documents), the Security Interests shall not be extinguished prior to the expiry of the Security Period.
- 11.2 Where the Common Secured Obligations include any obligations as to any Further Advance the Security Interests shall not be extinguished by the repayment of any current advance.
- 11.3 At the end of the Security Period or as otherwise provided for in accordance with the Finance Documents (or following the Senior Discharge Date, in the Mezzanine Finance Documents), the Common Security Agent must promptly, at the request and cost of the relevant Grantor, take whatever action is necessary to release the relevant Security Interests and return any relevant documentation delivered to the Common Security Agent pursuant to Clause 2.
- 11.4 Save as otherwise expressly provided in the Finance Documents (or following the Senior Discharge Date, in the Mezzanine Finance Documents), prior to the expiry of the Security Period, no Grantor shall serve a demand that the Common Security Agent register a financing change statement discharging a registration of a financing statement in respect of a Security Interest made by the Common Security Agent under or in connection with this Agreement.

**12. DELEGATION**

- 12.1 The Common Security Agent may, in accordance with the Intercreditor Agreement, delegate by power of attorney or in any other manner to any person any right, power or discretion exercisable by it under this Agreement.
- 12.2 Any such delegation may be made upon any terms (including power to sub-delegate), and subject to such restrictions, that the Common Security Agent may think fit in the interests of the Common Secured Parties.
- 12.3 The Common Security Agent will not be in any way liable or responsible to any Grantor for any loss or liability arising from any act, default, omission or misconduct on the part of any delegate or sub-delegate (unless such acts, defaults, omissions or misconducts arise from the gross negligence, fraud or wilful misconduct of the Common Security Agent).

**13. MISCELLANEOUS**

- 13.1 The Security Interests shall take effect as a security for the whole and every part of the payment or performance of the Common Secured Obligations.
- 13.2 The security created by each Grantor under this Agreement is independent of, and in addition to and will not merge with, be prejudicially affected by, or prejudicially affect, any other Security Interest or guarantee for any of the Common Secured Obligations now or subsequently held by the Common Security Agent or any person on its behalf.
- 13.3 The rights and remedies of the Common Security Agent in respect of each Grantor under this Agreement may be exercised from time to time and as often as the Common Security Agent deems expedient and are in addition to and shall neither prejudice nor be prejudiced by any other security or right or remedy which is at any time available to the Common Security Agent or any other Common Secured Party (whether at law or pursuant to this Agreement, another agreement or the order of any court and whether in respect of the same or any other Grantor).
- 13.4 Any settlement or discharge between the Common Security Agent and a Grantor in respect of the Common Secured Obligations shall be conditional upon no security provided, or payment made, to the Common Security Agent or any other Common Secured Party by that Grantor or any other person being avoided or reduced by virtue of any provision of any enactment or law relating to Bankruptcy, winding-up or insolvency, including without limitation any such provision concerning "transactions at an undervalue", "fraudulent or voidable preferences", "preferences" or any provision similar or analogous thereto. If any such security or payment shall be so avoided or reduced, the Common Security Agent shall be entitled to recover the value or amount thereof from that Grantor as if no such settlement or discharge had taken place.
- 13.5 No delay, omission, time or indulgence on the part of the Common Security Agent (or any other Common Secured Party) in exercising any right or remedy under this Agreement shall impair that

right or remedy or (in the absence of an express reservation to that effect) operate as or be taken to be a waiver of it; nor shall any single partial or defective exercise of any such right or remedy preclude any other or further exercise of that or any other right or remedy. Without prejudice to the generality of the foregoing, the Common Security Agent may exercise or refrain from exercising any of its rights and (subject always to the Law) remedies independently in respect of different parts of the Collateral and/or in respect of different Grantors.

- 13.7 Each Grantor acknowledges that the Common Security Agent has no obligation to perform (nor any liability for failing to perform) any of the obligations of the relevant Grantor, including in respect of the Collateral, or to make any payments or to enquire as to the nature or sufficiency of any payments made by or on behalf of that Grantor or to take any other action to collect or enforce payment of amounts the Common Security Agent is entitled to under or pursuant to this Agreement in respect of any Collateral.
- 13.8 If at any time one or more of the provisions of this Agreement becomes invalid, illegal or unenforceable in any respect, that provision shall be severed from the remainder and the validity, legality and enforceability of the remaining provisions of this Agreement shall not be affected or impaired in any way. In particular, without prejudice to the generality of the foregoing, no defect in respect of a Security Interest created or intended to be created over any part of the Collateral shall affect the Security Interest created over any other part.
- 13.9 No variation or amendment of this Agreement shall be valid unless in writing and signed by or on behalf of each Grantor and the Common Security Agent.

- 13.11 The Common Security Agent shall without prejudice to its other rights and powers under this Agreement be entitled (but not bound) at any time and as often as may be necessary to take any such action as it may in its discretion think fit for the purpose of protecting the Security Interests.
- 13.12 Any certificate submitted by the Common Security Agent to a Grantor as to the amount of the Common Secured Obligations or any other amount referred to or arising under this Agreement shall, in the absence of manifest error, be conclusive and binding on that Grantor.

- 13.13 This Agreement may be executed in any number of counterparts each of which shall be an original but which shall together constitute one and the same instrument.
- 13.14 Except as otherwise expressly provided in any Finance Document (or following the Senior Discharge Date, in any Mezzanine Finance Document), the Common Security Agent shall at no time be deemed to impliedly authorise any dealing in the Collateral for the purposes of Article 24 (*Continuation of security interests in proceeds*) of the Law.
- 13.15 In accordance with Article 65 (*Applicant to pass on verification statement*) of the Law, each Grantor hereby irrevocably waives the right to receive a copy of any verification statement relating to any financing statement or financing change statement registered in respect of any Security Interest.
- 13.16 In accordance with Article 78 (*No fee for compliance with demand*) of the Law and without prejudice to any other obligation under the Finance Documents (or following the Senior Discharge Date, the Mezzanine Finance Documents), each Grantor shall pay to the Common Security Agent within five Business Days of demand the Common Security Agent's reasonable fees (calculated in accordance with its standard fees and charges from time to time), costs and expenses including, but not limited to, reasonable legal fees and expenses on solicitor and own client basis, in connection with any demand for registration of a financing change statement relating to a Security Interest served or purported to be served by any person at any time under or pursuant to Article 75 (*Demand for registration of financing change statement*) of the Law.

- 13.17.5 compound with any guarantor or other person;
- 13.17.6 do or omit to do any other act or thing the doing or omission of which, apart from this provision, would or might afford any defence to a surety.
- 13.18 Each Grantor waives any right it may have (whether by virtue of the *droit de discussion*, *droit de division* or otherwise) to require that:

- 13.18.1 the Common Security Agent and/or any or all of the other Common Secured Parties, before enforcing this Agreement, take(s) any action, exercise(s) any recourse or seek(s) a declaration of Bankruptcy against any other Obligor or any other person, make(s) any claim in a Bankruptcy, liquidation, administration or insolvency of any person or enforce(s) or seek(s) to enforce any other right, claim, remedy or recourse against any other Obligor or any other person;
- 13.18.2 the Common Security Agent and/or any or all of the other Common Secured Parties, in order to preserve any of its/their rights against that Grantor, join(s) that Grantor as a party to any proceedings against any other Obligor or any other person or any other Obligor or any other person as a party to any proceedings against that Grantor or take(s) any other procedural steps; or
- 13.18.3 the Common Security Agent and/or any or all of the other Common Secured Parties divides the liability of that Grantor under this Agreement with any other Obligor or any other person.
- 13.19 Each Grantor warrants that, as at the date of this Agreement, it has not (save where permitted under a Finance Document (or following the Senior Discharge Date, in a Mezzanine Finance Document)) taken, received or exercised any Competing Rights and agrees that it will not in the future (except where permitted under the Finance Documents (or following the Senior Discharge Date, the Mezzanine Finance Documents)) take, receive or exercise any Competing Rights until the Common Security Agent has confirmed in writing to that Grantor that the Common Secured Obligations have been wholly discharged or until that Grantor is otherwise released by the Common Security Agent from its obligations under this Agreement.
- 13.20 If, notwithstanding Clause 13.19, any Competing Rights are taken, exercised or received by a Grantor (in breach of any Finance Document (or following the Senior Discharge Date, any Mezzanine Finance Document)), such Competing Rights and all monies or other property or assets received or held in respect thereof shall be held by that Grantor on trust for the Common Security Agent to be applied in or towards the discharge of that Grantor's liabilities under this Agreement and shall be transferred, assigned or, as the case may be, paid to the Common Security Agent promptly following the Common Security Agent's demand.
- 13.21 The Common Security Agent's (and any other Common Secured Party's) rights under Clauses 13.17 to 13.20 are in addition to and shall not in any way derogate from or be prejudiced by any security held by the Common Security Agent (and any other Common Secured Party) from any person (including the Security Interests).
- 13.22 Each party to this Agreement shall comply in all respects with the Data Protection Laws as far as they may apply from time to time and each such party shall assist the other in bringing such fair processing and other notices as may be required to the attention of data subjects.

- 13.23 Without limiting the generality of Clause 13.22 above each Grantor warrants, confirms and agrees that:
- 13.23.1 it has a lawful basis for the disclosure of any personal data (as defined in the Data Protection Laws) to the Common Security Agent;
  - 13.23.2 it shall obtain and maintain, or shall procure the obtaining and maintaining of, any consents from any natural person reasonably required by the Common Security Agent for the purposes of this Agreement; and
  - 13.23.3 such personal data may lawfully be processed and disclosed by the Common Security Agent, its affiliates, service providers and professional advisers:

- 13.27 The Common Security Agent executes this Agreement as security agent and trustee in the exercise of the powers and authority conferred and vested in it under the Intercreditor Agreement and any other Finance Document (or following the Senior Discharge Date, in any other Mezzanine Finance Document) for and on behalf of the Common Secured Parties for whom it acts. - 14.2 Nothing contained in this Agreement shall limit the right of the Common Security Agent to take Proceedings, serve process or seek the recognition or enforcement of a judgment or any similar or related matter against a Grantor in any convenient, suitable or competent jurisdiction nor shall the taking of any action in one or more jurisdiction preclude the taking of action in any other jurisdiction, whether concurrently or not.
- 14.3 Each Grantor irrevocably waives (and hereby irrevocably agrees not to raise) any objection which it may have now or hereafter to laying of the venue of any Proceedings in any such court as referred to in this Clause 14, any claim that any such Proceedings have been brought in an inconvenient forum and any right it may have to claim for itself or its assets immunity from suit, execution, attachment or other legal process.

4.1 Subject to paragraph 4.2 of this Schedule, all monies accruing or offered at any time by way of interest in respect of each Deposit Account shall be included as part of the Collateral but in the case of each Deposit Account, and without prejudice to the generality of Clause 13.7, the Common Security Agent shall not have (and nor shall any nominee of the Common Security Agent have) any duty to ensure that any such interest is duly and punctually paid or that the correct amount (if any) is received.

4.2 The Common Security Agent may at its discretion, whilst an Event of Default is continuing:

4.2.1 utilise any interest accruing or offered at any time in respect of each Deposit Account in or towards the discharge of the Common Secured Obligations in accordance with the provisions of the Intercreditor Agreement, at the discretion of the Common Security Agent; and/or

4.2.2 pay to the relevant Grantor or to such Grantor's order all or any part of such interest free of the Security Interests.

4.3 No utilisation or payment in respect of interest under paragraph 4.2 of this Schedule shall in any way prejudice the Common Security Agent's title to any Deposit Account or Control of any Deposit Account or Security Interests in any Collateral representing interest which has not been so utilised or paid.

1 We hereby give you notice that, pursuant to a security interest agreement dated [] (the "**Security Agreement**") made between the Debtor and the Common Security Agent, the Debtor has by way of security assigned to the Common Security Agent title to, and by way of security agreed to direct you to comply with instructions from the Common Security Agent directing the disposition of funds credited to, the following bank account(s) maintained by you in the Debtor's name and any account(s) substituted therefor by written agreement of the Account Bank (the "**Secured Account(s)**"):

- \* Account numbered [] with sort code [] and designated as the "[]",

2 The Debtor and the Common Security Agent each irrevocably and unconditionally instruct and authorise you (notwithstanding any previous mandate or instructions of any kind which the Debtor may have given to you):

- (a) upon written instructions from the Common Security Agent or its delegate, CBRE Loan Services Limited as agent for the Finance Parties (as defined in the Security Agreement) (the "**Facility Agent**"), to disclose to the Common Security Agent or the Facility Agent any information relating to the Secured Account(s), without any requirement for you to notify, or seek authority from, the Debtor. Such information may include, but shall not be limited to, the provision of copies of statements in respect of the Secured Account(s);

- 4 Any instruction, notice or consent given by (i) the Common Security Agent to you shall be signed by [●] or more of the persons listed in Schedule 1 to this notice and/or (ii) the Facility Agent to you shall be signed by [●] or more of the persons listed in Schedule 2 to this notice (the **"Authorised Signatories"**). You are entitled to rely upon the most recent list of Authorised Signatories received by you from time to time from the Common Security Agent and/or the Facility Agent as being accurate and complete and to assume that any such instruction, notice or consent that is given or purports to be given for and on behalf of the Common Security Agent and/or the Facility Agent and any signature which apparently conforms to the specimen signatures of such Authorised Signatories as set out in Schedule 1 and/or Schedule 2 are, in the absence of manifest error, genuine. Where you have not been provided with such customer due diligence materials in respect of any of the Authorised Signatories as may be required under Jersey law or regulation, you shall be entitled to refuse to act in accordance with any instruction, notice or consent signed by such Authorised Signatory. The Account Bank is entitled to rely upon the list of signatories in Schedule 1 and/or Schedule 2 until it receives an amended list in a form acceptable to it.

- 6 The Debtor shall at all times indemnify the Account Bank and keep it fully indemnified on demand from and against all actions, losses, damages, costs, charges, claims, demands, liabilities and expenses (including legal expenses) that the Account Bank may incur in connection with or by reason of the Account Bank complying with the terms of this notice or all other instructions the Account Bank receives from the Common Security Agent or in relation to the Secured Account(s).
- 7 This notice may be executed and delivered in any number of counterparts, each of which is an original and which, together, have the same effect as if each party had signed the same document.
