Dear Sirs

### ALLANFIELD GROUP PLC (IN ADMINISTRATION) ("THE COMPANY") IN THE HIGH COURT OF JUSTICE NO. 9587 of 2012

Further to my appointment as Joint Administrator on 27 December 2012, I provide my progress report on this administration for the period 27 June 2013 to 26 December 2013 ("the period") in accordance with Rules 2 47 of the Insolvency Rules 1986.

### I attach

 Appendix A - Statutory information regarding the Company and the appointment of the Joint Administrators

Appendix B

- Joint Administrators' receipts & payments account

Appendix C

- Details of my firms' time costs and disbursements

Appendix D

- Statement of expenses

Form 2 24B

- Formal notice of the progress report

### 1. The Administrators' Proposals

- 1 1 The objectives of the administration were -
  - A To rescue the Company as a going concern, failing which
  - B To achieve a better result for the Company's creditors as a whole than would be likely if the Company were wound up (without first being in administration), failing which
  - C. To realise property in order to make a distribution to one or more secured or preferential creditors.
- Objective A cannot be achieved as trading of the subsidiaries ceased on 19 December 2012 and due to the prospect that there may be a low level of realisations it is expected that objective B will also not be achieved. As such, it is expected that objective C will be achieved, to realise property in order to make a distribution to one or more secured or preferential creditors.
- 1.3 The proposals included a statement in accordance with Paragraph 52 of Schedule B1 to the Insolvency Act 1986 and therefore the Joint Administrators were not required to convene a meeting of creditors

- A summary of the Joint Administrators proposals, which were deemed to have been approved on 5 March 2013, is given below.
  - a) The Joint Administrators will continue to realise the assets of the Company
  - b) The Company may be placed into liquidation if appropriate. The proposed Liquidators are to be Jason Daniel Baker and Philip Lewis Armstrong
  - c) If the Company has no property which might permit a distribution to its unsecured creditors, or if they also consider that an exit from the administration into liquidation is not appropriate, the Joint Administrators will send a notice to the Registrar of Companies and three months after the filing of the notice the Company will be dissolved
  - d) As the Joint Administrators consider that the Company has insufficient property to enable a distribution to be made to the unsecured creditors, the following sections of the Joint Administrators' proposals, will require the consent of each secured creditor
    - (i) The Joint Administrators' fees plus VAT should be approved on a time cost basis charged at the charge out rates prevailing at the time the work is undertaken, to be drawn when the Joint Administrators' see fit A schedule of current charge out rates is set out in Appendix C
    - (II) Mileage can be recharged and drawn at the HMRC approved mileage rate prevailing at the time the mileage was incurred
    - (III) The Joint Administrators' discharge from liability shall take effect in accordance with Paragraph 98 of Schedule B1 to the Act 30 days following either the Company entering into liquidation or filing the notice of moving from administration to dissolution
- The Secured Creditor has confirmed its acceptance of sections (i) to (iii), above, of the proposals

### 2. Progress of the Administration

- 2 1 I attach at Appendix B a receipts and payments account detailing transactions for the period 27 June 2013 to 26 December 2013
- The Company did not trade and did not own any tangible assets. It operated from leasehold premises and there is no value in the lease
- The Company was a holding company for two insurance broker businesses also in administration, being Allanfield Property Insurance Services Limited and Industrial & Commercial Property Insurance Services Limited (together with the Company "the Group")
- 2 4 The Company is not VAT registered and cannot recover VAT. Irrecoverable VAT has been shown separately in the receipts and payment account.
- Part of my duties include carrying out proportionate investigations into what assets the Company has, including any potential claims against directors or other parties, and what recoveries could be made I am continuing my investigations in this regard. As the investigation is on-going I have not disclosed further information at this stage.
- The Secured Creditor has provided funding for a preliminary investigation into the Company's affairs and the identification of any possible avenues for recovery that could be pursued further

AO081

Accordingly I instructed forensic accountants, Crowe Clark Whitehill LLP, on 4 September 2013, to begin an investigation into (amongst other things) the reasons for the failure of the Group I await CCW's initial report on this matter

### 3. Extension of the Administration

- 3.1 It was necessary to ensure sufficient time to allow for the above work to continue without the restriction of the period of administration
- Accordingly a six month extension to the administration period, being to 26 June 2014, was subsequently granted by the Secured Creditors pursuant to Paragraph 76(2) of Schedule B1 of the Insolvency Act 1986.

### 4. Outcome for Secured Creditor

4.1 At the date of appointment Coutts Bank was owed approximately £2 6m in accordance with a credit facility granted to the Company It is expected that Coutts Bank will suffer a significant shortfall.

### 5. Outcome for Preferential Creditors

5 1 There were no employees and as such there are no preferential creditors

### 6. Outcome for Unsecured Creditors & Prescribed Part

- The Joint Administrators have considered the possibility of a prescribed part for unsecured creditors under S176A of the Insolvency Act 1986 A prescribed part may be applicable in this case but its sum, if any, is dependent on the quantum of the realisations and the costs of the administration
- The statement of affairs indicates that, subject to costs, a dividend will not be available to unsecured creditors

### 7. Administrators' Pre-Appointment Costs

As the Joint Administrators considered that the Company has insufficient property to enable a distribution to be made to the unsecured creditors, the Joint Administrators' pre appointment costs of £15,773 42 require the consent of the secured creditor. Approval was received from Coutts Bank as the secured creditor in accordance with Rule 2 67A (3) of the Insolvency Rules 1986

### 8. Administrators' Remuneration, Disbursements and Expenses

- Turning to our own costs in this matter, our remuneration as Joint Administrators is based on computerised records of all time spent on the administration of this case. Matters dealt with during the assignment are dealt with by different members of staff depending on the level of complexity and experience required. Time is charged to the case in minimum of 6 minute units. Charge-out rates are based on individual expertise, qualification and grade. The costs of the firm's support staff are not directly charged to the estate unless dealing with directly identifiable case specific matters. Charge out rates are reviewed at least annually, details of FRP Advisory LLP charge out rates are included at Appendix C. A breakdown of our time costs incurred during the period of this report, in accordance with Statement of Insolvency Practice 9 is set out at Appendix C.
- The Joint Administrators' disbursements are a recharge of actual costs incurred by the Joint Administrators on behalf of the Company Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory at the HMRC approved mileage rate prevailing at the time the mileage was incurred Details of disbursement incurred during the period of this report are set out in Appendix C

را بر أبي<sub>ا</sub> .

- In accordance with Rule 2.106(5A) it falls to the secured creditor to agree the basis of the Joint Administrators remuneration. Coutts Bank has confirmed its agreement to the basis of the Joint Administrators remuneration being charged on a time cost basis
- 8 4 I attach at Appendix D a statement of expenses that have been incurred during the period covered by this report
- 8.5 Creditors have a right to request further information from the Joint Administrators under Rule 2 48A of the Insolvency Rules 1986 and further have a right to challenge the Joint Administrators' remuneration and other expenses, which are first disclosed in this report, under Rule 2.109 of the Insolvency Rules 1986 (For ease of reference these are the expenses incurred in the reporting period as set out in Appendix D only).
