NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JANUARY 2015

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Tangible fixed assets and depreciation

Freehold investment properties are shown at their open market values.

Although this accounting policy is in accordance with the applicable accounting standard SSAP19, Accounting for Investment Properties, it is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated. In the opinion of the directors, compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is one of the many factors reflected in the annual valuation and the amount of this which might otherwise have been changed cannot be separately identified or quantified.

1.4 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
