SPIRIT PUB COMPANY LIMITED

STRATEGIC REPORT For the 52 weeks ended 30 April 2017

Introduction

The directors present their strategic report for the 52 weeks ended 30 April 2017.

Business review

The principal activity of the company is that of an investment holding company.

On 23 June 2015, 100% of the ordinary share capital of the company was acquired by Greene King plc. As a result of this transaction, the accounting reference date of this company was changed from 24 August to 30 April in line with other group companies, creating a 36 week accounting period for the period ended 1 May 2016. Consequently, amounts presented in these financial statements are not entirely comparable.

The company's performance in the period has met the director's expectations and no significant change to the operations of the business is expected in future periods.

Principal risks and uncertainties

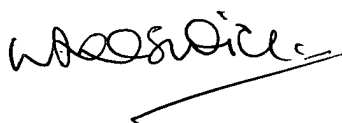

As a 100% owned subsidiary of the Greene King plc group, the principal risks and uncertainties faced by the company are consistent with those disclosed within the Greene King plc financial statements for the 52 weeks ended 30 April 2017.

The economic, financial, liquidity and interest rate risks are considered to be minimal on this entity due to the simple nature of its trade.

Financial key performance indicators

The operations of Spirit Pub Company Limited are managed at a Greene King plc group level and the directors therefore believe that disclosure of key performance indicators for the company are not appropriate to understand the performance or position of the business. The performance of Greene King plc is discussed in the Greene King plc annual report and financial statements which are publicly available.

This report was approved by the board and signed on its behalf.

Secretary

The directors present their report and the financial statements for the 52 weeks ended 30 April 2017.

Results and dividends

The profit for the 52 weeks, after taxation, amounted to £39,601,000 (2016: (36 weeks) £4,952,000).

The directors do not recommend a final dividend (2016: £nil). An interim dividend of £40,000,000 was paid during the period (2016: £nil).

Going concern

At the balance sheet date the company had net current assets of £16,991,000 and net assets of £360,516,000. After making enquires the directors have a reasonable expectation that the net assets of £360,516,000 are recoverable in full and that the company has adequate resources to continue in operational existence for the foreseeable future. The directors are satisfied that the company is able to meet its liabilities as they fall due being a period of no less than 12 months from the date of approval of these financial statements and therefore continue to prepare the financial statements on a going concern basis.

Directors

The directors who served during the 52 weeks were:

K Davis

None of the directors held any interest in the share capital of the company during the period.

The interests of the directors in the shares of the ultimate parent company, Greene King Plc, are shown in the financial statements of that company, where they are directors of Greene King Plc.

Future developments

Growth and development of the business will continue to be encouraged and supported by the board.

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and

DIRECTORS' RESPONSIBILITIES STATEMENT

For the 52 weeks ended 30 April 2017

The directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards including FRS 101 'Reduced Disclosure Framework' have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the directors' responsibilities statement, set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practice Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 April 2017 and of its profit for the 52 weeks then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 'Reduced Disclosure Framework'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SPIRIT PUB COMPANY LIMITED

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS **For the 52 weeks ended 30 April 2017**

1. GENERAL INFORMATION

Spirit Pub Company Limited is a private company limited by shares incorporated and domiciled in England & Wales.

The company's financial statements are presented in Sterling and all values are rounded to the nearest thousand pounds (£000) except where indicated.

2. ACCOUNTING POLICIES

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and applicable accounting standards.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the company's accounting policies (see note 3).

The company is itself a subsidiary company and is exempt from the requirement to prepare group accounts by virtue of section 400 of the Companies Act 2006. These financial statements therefore present information about the company as an individual undertaking and not about its group.

The following principal accounting policies have been applied:

2.2 Financial reporting standard 101 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of paragraphs 45(b) and 46-52 of IFRS 2 Share based payment
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
 - paragraph 79(a)(iv) of IAS 1;
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements
- the requirements of IAS 7 Statement of Cash Flows
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- the requirements of paragraph 17 and 18A of IAS 24 Related Party Disclosures
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member

2.3 Going concern

At the balance sheet date the company had net current assets of £16,991,000 and net assets of £360,516,000. After making enquires the directors have a reasonable expectation that the net assets of £360,516,000 are recoverable in full and that the company has adequate resources to continue in operational existence for the foreseeable future. The directors are satisfied that the company is able to meet its liabilities as they fall due being a period of no less than 12 months from the date of approval of these financial statements and therefore continue to prepare the financial statements on a going concern basis.

2.4 Investments

Investments held as fixed assets are shown at cost less provision for impairment.

SPIRIT PUB COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS **For the 52 weeks ended 30 April 2017**

2. ACCOUNTING POLICIES (CONTINUED)

2.5 Intercompany balances

Amounts owed by or to group undertakings are classified as short term assets or liabilities unless there is a formal loan arrangement in place that specifies repayment over a period longer than one year at the balance sheet date.

2.6 Cash at bank

Cash at bank in the balance sheet comprises cash at bank and short-term deposits with an original maturity of three months or less.

2.7 Dividends

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the board. Dividends on shares recognised as liabilities are recognised as expenses and classified within interest payable.

2.8 Taxation

Tax is recognised in the profit and loss account, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the company operates and generates income.

2.9 Exceptional items

Exceptional items are defined as items of income or expense which, because of their nature, size or expected frequency, merit separate presentation to allow a better understanding of the financial performance in the period.

3. JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect reported amounts of assets and liabilities, income and expense. The company bases its estimates and judgments on historical experience and other factors deemed reasonable under the circumstances, including any expectations of future events. Actual results may differ from these estimates.

There are no estimates and judgments made in the company that are considered to be significant.

4. STAFF COSTS

The company has no employees and did not incur any staff costs during the period (2016: £nil).

The directors who held office during the period were also directors of fellow group undertakings. Total emoluments, including any company pension contributions, received by these directors totals £1,702,000 (2016: £3,241,000) paid by the ultimate parent company or other group companies. The directors do not believe that it is practicable to apportion this amount between qualifying services as directors to the company and to fellow group undertakings. The number of directors who received or exercised share options during the period was 2 (2016: 2).
